# NOTICE

Your attention is drawn to the following:

## 1. Conditions of Business

All sales take place on the Conditions of Business printed at the end of this catalogue.

## 2. Descriptions

Christie's Robson Lowe exercises all reasonable care to ensure that the description of each lot and any statements as to the genuineness or condition of each lot are reliable and accurate. The descriptions and any such statements are, however, opinions only and your attention is drawn particularly to Condition A 11 of the Conditions of Business (The Buyer). Such information is given for guidance only and should be confirmed by examination prior to the sale. Photo lots cannot be returned for reasons of margins, centring or condition of perforations. The illustrations are an integral part of the description. Certain terms and symbols are used in the catalogue for your guidance with the meanings ascribed to them below:

Catalogue values and numbers are those taken from the latest available Gibbons (£), Scott (\$), Michel (DM), Yvert (F.F.), Sassone (Lire), Facit (S.Kr.), Vlastos (Dr.), Zumstein (S.F.) or N.V.P.H. (gld.). The use of Gibbons Specialised catalogues in Great Britain sales is clearly indicated. Where other catalogues are used they are mentioned by name. The abbreviation "c.d.s." indicates circular date-stamp.

The number in brackets at the end of each description is the number of stamps (or items) in the lot. (Approximate counts are indicated by ‡).

## 3. V.A.T.

See Important Information for Buyers and Sellers at back of catalogue.

## 4. Extensions

Prospective buyers who wish to obtain an expert opinion on any lot (other than a mixed lot or lot containing undescribed stamps) are requested to notify Christie's Robson Lowe in writing not less than twenty-four hours before the time fixed for the commencement of the first session of the sale. If accepted by Christie's Robson Lowe, such request shall have the same effect as notice of an intention to question the genuineness or description of the lot within seven (or fourteen as the case may be) days after the sale for the purposes of Condition A 11(b) (i) of the Conditions of Business (The Buyer); Condition A 11 shall thereafter apply accordingly.

Notice of a request for an expert opinion must give the reason why such is required and specify the identity of the expert which will be subject to the agreement of Christie's Robson Lowe.

Extensions requested on account of condition will not normally be accepted for expert opinions to be secured unless, in the opinion of Christie's Robson Lowe, a defect is present and not described.

Should Christie's Robson Lowe accept a request for an extension under the foregoing provisions of this paragraph, the fact may be stated by the Auctioneer from the rostrum prior to the sale of the lot.

## 5. Export Licences

An export licence may have to be obtained for documents or manuscripts if they are bought by an overseas resident.

# Conditions of Business

These Conditions of Business represent the terms upon which Christie's, the fine art auctioneers, contracts with Sellers and, acting in its capacity as agent on behalf of Sellers, contracts with Buyers. These Conditions of Business shall supersede and take precedence over any Conditions of Business previously entered into or otherwise agreed between Christie's and the Seller.

Buyers and Sellers are advised to read carefully the Conditions of Business and the explanation of cataloguing practice set out below which contain the terms on which Christie's conducts sales and handles other related matters. Conditions A.1 to 12 inclusive and the explanation of cataloguing practice, where applicable, are of particular relevance to Buyers and Conditions B.1 to 14 inclusive to Sellers. Definitions of words and phrases with special meanings appear in Condition C.8.

## **A** The Buyer

### **1. Christie's as agent**

Save as otherwise appears, Christie's acts only as agent for the Seller.

### **2. The Buyer**

- (a) The Buyer shall be the highest bidder acceptable to Christie's and Christie's shall have absolute discretion to settle any dispute;
- (b) every bidder shall be deemed to act as principal unless Christie's has, before the date of the auction, acknowledged in writing that the bidder is acting as agent on behalf of a disclosed principal;
- (c) every bidder shall, if required by Christie's, complete and sign a Registration Form and provide identification before making any bid at the auction.

### **3. Catalogue Descriptions**

- (a) Any representation or statement by Christie's whether in the catalogue or other publication or in a condition report as to the authorship, origin, date, age, size, medium, attribution, genuineness, provenance, condition or estimated selling price of any Lot is a statement of opinion only. Any illustrations in the catalogue are solely for guidance and are not to be relied upon in terms of tone or colour or necessarily to reveal imperfections in any Lot;
- (b) in addition, many Lots are of an age or nature which precludes their being in pristine condition and some descriptions in the catalogue or given by way of condition report make reference to damage and/or restoration. Such information is given for guidance only and the absence of such a reference does not imply that a Lot is free from defects nor does any reference to particular defects imply the absence of others;
- (c) Buyers must satisfy themselves as to all matters referred to in (a) and (b) above by inspection or otherwise prior to the date of the auction. The attention of Buyers is also drawn to the explanation of cataloguing practice contained in the catalogue.

### **4. Premium**

The Buyer shall pay to Christie's a Premium at the Rates of Premium set out in Condition C.8 together with VAT at the standard rate and the Buyer acknowledges that Christie's may also receive commission from the Seller in accordance with Condition B.4.

### **5. Value Added Tax**

In the case of a lot marked with a dagger (†) in the catalogue, VAT is payable by the Buyer on the Hammer Price at the rate prevailing on the date of the auction which may be refundable in certain circumstances where the Lot is removed from the United Kingdom.

### **6. Currency Converter and Video**

For the guidance of Buyers:

- (a) a currency converter will be operated at some auctions based on the one month forward rates of exchange quoted to Christie's by Lloyds Bank Plc at opening on the date of the auction. Christie's shall not accept any responsibility in the event of error on the currency converter as to the accuracy of the Lot number displayed or as to the foreign currency equivalent of bids in pounds sterling or otherwise; and
- (b) videoed or other images of Lots will be screened in connection with some auctions. Christie's shall not accept any responsibility in the event of error in the screening whether to the relevance or accuracy of any such image or otherwise.

### **7. Payment**

Upon sale of a Lot, the Buyer shall:

- (a) (i) unless he has already done so, give to Christie's his name and address and, if so required by Christie's, his bank or other suitable references; and
- (ii) pay to Christie's the Purchase Price within seven days from the date of sale, notwithstanding that, where the Buyer wishes to export the Lot, an export licence may be required.
- (b) Christie's may, at its absolute discretion, agree terms for credit with the Buyer under which the Buyer will be entitled to take possession of the Lot before payment is made in full.
- (c) The property in a Lot shall not pass to the Buyer until he has paid the Purchase Price in full.

### **8. Collection of Purchases**

- (a) Subject to Condition 7(b) above, no Lot may be taken away during the auction, nor may any Lot be taken away until the Purchase Price has been paid in full;
- (b) the Buyer shall remove all purchased lots within seven days of the date of the sale;
- (c) in the event that Lots remain uncollected, the Buyer shall be responsible for all storage charges from day 28 after the sale;
- (d) any packing and handling of purchased Lots by Christie's staff is undertaken solely as a service to Buyers, and will only be undertaken at Christie's discretion and at the Buyer's risk. Christie's shall not be liable in any event for any damage to glass or frames, irrespective of cause. In addition, Christie's shall not be liable for any errors or omissions or damage caused by packers and shippers that Christie's has recommended to Buyers.

### **9. Responsibility for purchased Lots**

The purchased Lot(s) shall be at the Buyer's risk in all respects from the time of collection or the expiry of seven days from the date of sale, whichever is the sooner, and neither Christie's nor its employees nor agents shall thereafter be liable for any loss or damage of any kind, whether caused by negligence or otherwise, while any Lot is in or under their respective custody or control.

### **10. Remedies for non-payment or failure to collect purchases**

If a Buyer fails either to pay for or to take away any Lot, Christie's shall, without further notice to the Buyer and at its absolute discretion and without prejudice to any other rights or remedies it may have, be entitled to exercise one or more of the following rights or remedies:

- (a) to issue proceedings against the Buyer for damages for breach of contract together with the costs of such proceedings on a full indemnity basis;
- (b) to rescind the sale of that or any other Lots sold to the Buyer at the same or any other auction;
- (c) to resell the Lot or cause it to be resold by public or private sale. Any deficiency in the Purchase Price resulting from such resale (after giving credit for any payment) together with full costs incurred in connection with the Lot shall be paid to Christie's by the Buyer and any surplus over the Proceeds of Sale shall belong to the Seller and in this Condition the expression 'Proceeds of Sale' shall have the same meaning in relation to a sale by private treaty as it has in relation to a sale by auction;
- (d) to store the Lot or cause it to be stored whether at its own premises or elsewhere at the sole expense of the Buyer, and to release the Lot only after payment in full of the Purchase Price, the accrued cost of removal, storage and insurance and all other costs incurred in connection with the Lot;
- (e) to charge interest on the Purchase Price at the rate of 4 per cent above Lloyds Bank Plc base rate to the extent that it remains unpaid for more than seven days from the date of sale, or, after judgment shall have been entered, at a rate of whichever is the higher of 4 per cent above Lloyds Bank Plc base rate and any statutory rate for the time being in force in relation to unpaid judgment debts;
- (f) to retain that or any other Lot sold to the Buyer at the same or any other auction and release the same only after payment of the Purchase Price;
- (g) to apply any proceeds of sale of any Lot then due or at any time thereafter becoming due to the Buyer towards settlement of the Purchase Price and Expenses, and Christie's shall be entitled to a lien on any property of the Buyer which is in Christie's possession for any purpose;
- (h) to apply any payments by the Buyer to Christie's towards any sums owing from the Buyer to Christie's or to any associated company of Christie's without regard to any directions of the Buyer or his agent, whether express or implied.

## 11. Guarantee

- (a) Subject to the obligations accepted by Christie's under this Condition, none of the Seller, Christie's, its employees or agents is responsible for the correctness of any statement as to the authorship, origin, date, age, size, medium, attribution, genuineness or provenance of any Lot, for any other errors of description or for any faults or defects in any Lot and no warranty whatsoever is given by the Seller, Christie's, its employees or agents in respect of any Lot and any express or implied conditions or warranties are hereby excluded;
- (b) if, within five years of the date of the auction (1) Christie's has received notice in writing from the Buyer of any Lot that in his view the Lot is a Forgery, (2) within fourteen days of such notice, Christie's has the Lot in its possession in the same condition as at the date of the auction and (3) within a reasonable time thereafter, the Buyer satisfies Christie's that the Lot is a Forgery and that the Buyer is able to transfer a good and marketable title to the Lot free from any liens or encumbrances, Christie's will set aside the sale and refund to the Buyer any amount paid by the Buyer in respect of the Lot provided that the Buyer shall have no rights under this Condition if:
- (i) the catalogue description at the date of the auction was in accordance with the then generally accepted opinion of scholars or experts or fairly indicated there to be a conflict of such opinion; or
- (ii) it can be established that the Lot is a Forgery only by means of a scientific process not generally accepted for use until after publication of the catalogue or by means of a process which at the date of the auction was unreasonably expensive or impracticable or likely to have caused damage to the Lot;
- (c) the Buyer shall not be entitled to claim under this Condition for

more than the amount paid by him for the Lot and in particular shall have no claim for any loss, consequential loss or damage whether direct or indirect suffered by him;

- (d) the benefit of this guarantee shall not be assignable and shall rest solely and exclusively in the Buyer who shall be the person to whom the original invoice was made out by Christie's in respect of the Lot when sold and who has since the sale retained uninterrupted, unencumbered ownership thereof.

## 12. Commission bids

- (a) Prospective Buyers are advised to attend at the auction. Christie's will, however, if so instructed, execute bids provided in writing in advance of the auction or bids by telephone (at Christie's discretion) on their behalf, but neither Christie's nor its employees nor agents shall be liable to either the Buyer or the Seller for any neglect or default in so doing or for failure to do so;
- (b) in the event that Christie's has received commission bids on a Lot for identical amounts and at auction those commission bids are the highest bids for that Lot, the Lot shall be knocked down to the person whose commission bid (for the relevant amount) was received first.

Note: Clause A.11(b) does not apply to Coins and Medals, or Jewellery.

## 13. Buyer's VAT status

The buyer shall give Christie's prior to the auction all relevant information as to his VAT status which he warrants shall be correct and on which Christie's shall be able to rely. Once a Lot has been purchased on the basis of such information, no alteration so as to affect liability to VAT shall be made.

## **E** The Seller

### 1. Christie's discretion

- (a) Christie's shall have absolute discretion as to:
- (i) whether the Lot is suitable for sale by Christie's, and if so as to the place and date of sale, the conditions of sale and the manner in which such sale is conducted;
- (ii) the description of any Lot in the catalogue;
- (iii) whether the views of any expert shall be obtained (including the submission of items of precious metal to the Worshipful Company of Goldsmiths and/or the London Assay Office); and
- (iv) the illustration of any Lot in the catalogue which will be at the Seller's expense up to a maximum of £90 for black and white and £500 for colour (together with any VAT chargeable thereon);
- (b) Christie's reserves the right to withdraw any property at any time before the actual sale if, in Christie's sole judgement:
- (i) there is doubt as to its attribution or to its authenticity;
- (ii) there is doubt as to the accuracy of the Seller's representations or warranties set forth herein in any respect;
- (iii) the Seller has breached or is about to breach any provision of these Conditions of Business; or
- (iv) any other just cause exists.
- In the event of a withdrawal pursuant to Condition (ii) or (iii) above, the Seller shall pay a charge as provided in Condition B.9.

### 2. Warranties and Indemnities

- (a) The Seller warrants to Christie's and to the Buyer that he has and will be able to transfer good and marketable title to the Lot free from all third party rights or claims;
- (b) the Seller shall indemnify Christie's, its employees and agents and the Buyer against all claims made or proceedings brought by persons entitled or purporting to be entitled to the Lot;
- (c) the Seller warrants to Christie's and to the Buyer that he has complied in all respects with any applicable laws, regulations and requirements relating to any export of any of the Lots from any country or any intermediary country and also to the import of any such Lot into the United Kingdom, including (without limitation) payment of any duties or taxes relating to, and obtaining all licences, permits or other authorisations necessary for, such export and import; the Seller shall provide such available documentation as necessary;
- (d) the Seller shall indemnify Christie's, its employees and agents and the Buyer against all claims made or proceedings brought due to any default of the Seller in complying with any applicable requisite export and/or import legislation, regulations or requirements; and
- (e) the Seller shall reimburse Christie's in full and on demand for all payments, costs, expenses or any other loss or damage whatsoever made, incurred or suffered as a result of any breach by the Seller of (a) and/or (c) above.

### 3. Reserves

- (a) All Lots will be offered subject to a reserve as agreed in writing between Christie's and the Seller and, once a reserve has been agreed, it may be changed only with the consent of Christie's;
- (b) the Seller shall not bid for his property nor employ any person to bid for him and Christie's alone shall have the right to bid on behalf of the Seller up to the amount of the reserve;
- (c) if a reserve is placed in a currency other than sterling, such a reserve will be calculated at the one month forward rate of exchange quoted to Christie's by Lloyds Bank Plc at opening on the date of the auction, the certificate in writing of Christie's as to such rate to be conclusive except in the case of manifest error;
- (d) the sterling equivalent of the foreign currency reserve calculated in accordance with (c) above may at Christie's absolute discretion be increased or reduced during the course of bidding to the nearest multiple of pounds sterling by which the bidding is being advanced;
- (e) the Seller authorises Christie's to accept bids of less than the amount of the agreed reserve provided that for the sole purpose of determining any amounts due to or from the Seller under these Conditions the Hammer Price for any Lot sold at less than the agreed reserve will be deemed to have been the full amount of the agreed reserve and not the lower price at which the Lot was actually sold.

### 4. Commission and Expenses

- (a) The Seller authorises Christie's to deduct commission at the Published Rates and Expenses from the Hammer Price and, notwithstanding that Christie's is his agent, acknowledges that Christie's may retain the Premium payable by the Buyer in accordance with Condition A.4;
- (b) if a Lot fails to reach its reserve, the Seller authorises Christie's to deduct unsold commission at the Published Rates calculated on the last bid for the Lot and Expenses.
- (c) The Seller shall pay, and/or authorise Christie's to deduct, an administration charge of ten per cent of all costs incurred on behalf of the Seller together with any VAT thereon.

### 5. Insurance

- (a) Unless otherwise instructed by the Seller, all Lots will automatically be covered by insurance under Christie's own Fine Arts Policy for such sum as Christie's shall from time to time in its absolute discretion estimate;
- (b) the rate of insurance premium payable by the Seller is 1 per cent of the Hammer Price plus VAT and the Seller shall also pay to Christie's any applicable charge for transit insurance together with any VAT thereon. The sum for which a Lot is covered for insurance under this Condition will not constitute and shall not be

relied upon by the Seller as a representation, warranty or guarantee as to the value of the Lot or that it will, if and when sold by Christie's, be sold for such amount. Such insurance will subsist until payment is due from the Buyer or, in the case of Lots bought in or otherwise unsold, until the expiry of seven days after the receipt by the Seller of notice from Christie's requiring the Seller to collect;

- (c) if the Seller instructs Christie's not to insure a Lot, it shall at all times remain at the risk of the Seller who hereby undertakes (1) to indemnify Christie's against all claims made or proceedings brought against Christie's in respect of loss or damage to the Lot of whatever nature howsoever and wheresoever occurring and in any circumstances even where negligence is alleged or proven (2) to reimburse Christie's on demand for all payments, costs or expenses made, incurred or suffered by Christie's in consequence thereof or arising therefrom. Any payment which Christie's shall make in respect of such loss or damage or payments, costs or expenses shall be binding upon the Seller and shall be accepted by the Seller as conclusive evidence that Christie's was liable to make such payment (3) to notify any insurer of the existence of the indemnity contained in this Condition;
- (d) Christie's does not accept responsibility for Lots damaged by woodworm or by changes in atmospheric conditions and Christie's shall not be liable for such damage nor for any other damage to picture frames or to glass in picture frames;
- (e) the sum for which a Lot is insured under Christie's own Fine Arts Policy in accordance with subclause (a) above shall be the total amount due to the Seller in the event of a successful claim being made under the Fine Arts Policy.

#### 6. Rescission of the Sale

If before the Proceeds of Sale have been paid to the Seller, Christie's receives notice from the Buyer under Condition A.11(b) that, in the Buyer's view, the Lot is a Forgery, and Christie's agrees with that view, Christie's will rescind the sale and refund to the Buyer any amount paid to Christie's in respect of the Lot.

#### 7. Payment of Proceeds of Sale

- (a) Christie's shall pay the Proceeds of Sale to the Seller thirty-five days after the date of sale if Christie's has by then been paid the Purchase Price in full by the Buyer and Christie's has not received any notice from the Buyer under Condition A.11(b);
- (b) if by the due date Christie's has not received the Purchase Price in full from the Buyer, then Christie's will pay the Proceeds of Sale within seven working days after the date on which the Purchase Price in full is received from the Buyer;
- (c) if before the Purchase Price is paid in full by the Buyer, Christie's pays the Seller an amount equal to the Proceeds of Sale, property in the Lot shall pass to Christie's;
- (d) the Proceeds of Sale will be paid to the Seller in such currency available to Christie's as may be agreed provided that the Seller specifies to Christie's in writing before the date of the auction the currency required. A charge of £25 (together with VAT thereon) may be deducted from the Proceeds of Sale in the event the Seller elects for payment to be made in a currency other than sterling, such sum representing costs and expenses incurred by Christie's. The sum to be paid to the Seller shall be calculated at the one month forward rate of exchange for the Proceeds of Sale quoted to Christie's by Lloyds Bank Plc prevailing on the next working day after the date of the auction, the certificate in writing of Christie's as to such rate being conclusive. If no currency is specified and agreed, the Proceeds of Sale will be paid in sterling.

#### 8. Collection of the Purchase Price

If the Buyer fails to pay to Christie's the Purchase Price within one month after the date of sale, Christie's will endeavour to take the Seller's instructions as to the appropriate course of action to be taken and, so far as in Christie's opinion is practicable, will assist the Seller to recover the Purchase Price from the Buyer save that Christie's shall not be obliged to issue proceedings against the Buyer in its own name. Notwithstanding the foregoing, Christie's reserves the right and is hereby authorised at the Seller's expense, and in each case at Christie's absolute discretion, to agree special terms for payment of the Purchase Price, to remove, store and insure the Lot sold, to settle claims made by or against the Buyer

on such terms as Christie's shall think fit, to take such steps as are necessary to collect monies due from the Buyer to the Seller and, if appropriate, to set aside the sale and refund money to the Buyer.

#### 9. Charges for withdrawn Lots

The Seller may not withdraw the Lot prior to the auction without the consent of Christie's. In the event that such consent is given, or in the event of a withdrawal pursuant to Condition B.1 (b) (ii) or (iii), a charge of 20 per cent of the reserve together with any VAT chargeable thereon and Expenses shall become payable or, if no reserve has yet been agreed, a charge of 20 per cent of the figure at which the Lot has been valued for insurance (as determined by Christie's) together with any VAT chargeable thereon and Expenses.

#### 10. Unsold Lots

- (a) Lots bought in or otherwise unsold by auction must be collected at the Seller's expense within the period of two months after receipt by the Seller of notice from Christie's requiring him to collect. Upon the expiry of such period Christie's shall have the right to sell such Lots by public or private sale and on such terms as it thinks fit and to deduct from the Proceeds of Sale any sum owing to Christie's or to any associated company of Christie's including (without limitation) removal, storage and insurance expenses, expenses with regard to the prior auction, unsold commission at the Published Rates in respect of the prior auction, commission at the Published Rates and expenses on the sale of the Lots and all other reasonable expenses before remitting the balance to the Seller or, if he cannot be traced, placing it in a bank account in the name of Christie's for the Seller. Lots returned at the Seller's request shall be returned at his risk and expense and will not be insured in transit unless Christie's is otherwise instructed by the Seller. In this Condition the word 'Seller' includes a consignor of property and the expression 'Proceeds of Sale' shall have the same meaning in relation to a sale by private treaty as it has in relation to a sale by auction.
- (b) If any Lot is bought in or otherwise unsold by auction, Christie's is authorised as the exclusive agent for the Seller for a period of two months following the auction to sell such Lot privately for a price that will result in a payment to the Seller of not less than the net amount—i.e. after deduction of Christie's Commission and Expenses—to which the Seller would have been entitled had the Lot been sold at a price equal to the agreed reserve, or for such lesser amount as Christie's and the Seller shall agree. In such event the Seller's obligations to Christie's hereunder with respect to such a Lot are the same as if it had been sold at auction.

#### 11. Firearms

Supplement, available on request.

#### 12. Seller's VAT status

The Seller shall give to Christie's all relevant information as to his VAT status within the EC with regard to the Lot to be sold which he warrants is and will be correct and upon which Christie's shall be entitled to rely. Once a Lot has been designated in the catalogue on the basis of such information, no alteration so as to affect liability to VAT shall be made.

#### 13. Photographs and Illustrations

The Seller hereby grants to Christie's the right to illustrate and photograph any Lot given to Christie's by the Seller for sale and to use such photographs, illustrations or images therefrom, and any illustrations, photographs or images provided by the Seller to Christie's, at any time and for such purposes as it sees fit whether such purposes are related to the sale of the Lot in question or not.

#### 14. Electrical and Mechanical Goods

### Portuguese Receiving Authority Specimens

The following fifty two lots are from the small number of Specimens sent to a Portuguese Receiving Authority between 1895 and 1942. The majority have been handstamped by the Authority in addition to the normal "Specimen" overprint. The types of handstamp found are as follows:

### A Fine Postal Archive

The following 13 lots are from an original Postal archive assembled between 1928 and 1951. All have been affixed onto file sheets with stamp hinges, though some require a degree of care when lifting or removing from the sheet. Over the years a varying amount of tropicalisation has taken place which seems to have affected the gum slightly more than the facial appearance, which on the whole is very good.

To fully appreciate the depth and condition of the archive, viewing is essential. No lot may be returned on grounds of condition.

*Note: The contents give a graphic account of a voyage in a ropery ship called "The Carr". They were to have gone to ? via Madeira, but they lost the convoy in the Bay of Biscay and made straight for Barbados, where they arrived after seven weeks of rough passage, fortunately dodging the privateers. Then the Captain became completely lost off the north coast of the Spanish Main, and were lucky to fall in with an English Sloop of War which took the writer and his wife to Aruba. Curacao is described as an island belonging to England but mostly inhabited by Indians and some Dutch.*

# Important information for buyers and sellers

## I. Buying and selling charges

### Buyers

Christie's charges a premium calculated at the Rates of Premium set out below on the price at which a Lot is knocked down to the Buyer—the 'Hammer Price'—plus VAT

### The Rates of Premium are:

15 per cent of the first £30,000 of the Hammer Price of each Lot and 10 per cent of the excess of the Hammer Price above £30,000 except for coins, medals and wine where the Premium is 10 per cent of the Hammer Price of each Lot  
VAT at the standard rate is payable on all Premiums  
(See Conditions of Business—A.4 and C.8)

### Sellers

Christie's charges commission to the Seller at the following rates:

Lots sold for £2,501 or more: 10% of the Hammer Price, plus VAT

Lots sold for £2,500 or less: 15% of the Hammer Price, plus VAT (except for Wine, Coins & Medals and Stamps)

### Wine

Each consignment of Lots of £1,001 and above: 10% of the Hammer Price, plus VAT

Each consignment of Lots of less than £1,000: 15% of the Hammer Price, plus VAT

### Stamps, Coins and Medals

Lots sold for £1,001 and above: 10% of the Hammer Price, plus VAT

Lots sold for £1,001 or less: 15% of the Hammer Price, plus VAT

### Minimum Commission

There is a minimum commission of £50 for all Lots except for:

Wine—minimum commission is £30

Coins and Medals—minimum commission is £15

Stamps—minimum commission is £1

### Bought in Lots

A charge of 5% may be made on the final bid for all Lots failing to reach their reserve.

### Other Charges

Where applicable, there will be charges for insurance, illustration, freight and transit insurance.

### Storage Charges

For a short period after the auction, uncollected purchases and unsold lots are held at the salerooms. Thereafter they will be removed for storage and charges will be incurred.  
(See Conditions of Business—A.8, 9 and 10.)

## II. Value added tax (VAT)

### The Buyer

VAT is payable in all cases on the Buyer's Premium and is non-refundable.

Lots daggered (†) in the catalogue are in addition subject to VAT on the Hammer Price. If such Lots are subsequently exported, to a destination outside the European Community (EC), the VAT on the Hammer Price is refundable by Christie's on production of a proof of export in the correct form. (See Conditions of Business—A.5). If the Buyer is registered for VAT (or its national equivalent) in the EC and has supplied Christie's bids office with details of its VAT registration prior to the auction, VAT on the Hammer Price is refundable by Christie's on production of proof in the correct form of removal of the Lot from the United Kingdom.

For further information please contact Andrew Hare in Christie's Accounts Department on (071) 389 2931.

### The Seller

VAT at the standard rate is charged on the Seller's commission to all UK residents, and to other EC residents who are not registered for VAT within the EC. Sellers resident outside the EC are not liable for payment of such VAT.

EC resident sellers who are registered for VAT in a country other than the United Kingdom will also be exempt from payment of such VAT provided that notification of their VAT registration is included on the Christie's receipt form prior to the auction.

Other service charges made to sellers, such as catalogue illustration costs and insurance charges, will be subject to VAT and treated on the same basis for VAT purposes.

Note: There are no auction taxes in the United Kingdom.

## III. Guidance to purchasers regarding payment and shipment overseas

(a) **Payment for purchases** should be made promptly by cash or sterling banker's draft payable to 'Christie, Manson and Woods Limited', together with relevant sales numbers, dates and lot numbers, to either our cashiers office or direct to our bank: Lloyds Bank plc, City Office, PO Box 217, 72 Lombard Street, London EC3P 3BT. Account no. 00935862.

(b) **Despatch of purchases** will follow receipt of your despatch instructions, full payment and receipt of any Export Licence that may be required. (See V. below).

(c) **Shipping** can be arranged by Christie's contracted shippers, Vulcan International Services, to your instructions. It is also possible to instruct the shipper of your choice.

### Methods of despatch:

A number of methods of despatch are used which vary in cost and speed. Our shippers operate special international delivery and collection services by road throughout Europe. Alternatively, or in addition, air freight may be advised for the transportation of pictures and works of art, seafreight for items of greater size and weight or parcel post for smaller items of moderate value.

Estimates for shipping and advice as to the most economic means of despatch can be obtained at any time from our contracted shippers, telephone (071) 389 2552/3.

(d) **Transit Insurance** can be arranged by the nominated shipper to cover your property from collection at our premises to arrival, if requested. Please indicate if you require this service or will be effecting transit insurance yourself. Please also note that Christie's own insurance cover on all purchased Lots ceases at the time of collection from our premises or seven days after the sale, whichever is the earlier. (See Conditions of Business A.8 & 9.)

(e) **Works of art being handcarried outside the EC** must be correctly declared to Customs at the port/airport of departure from the EC. If evidence of removal from the United Kingdom is required for refund of VAT the carrier should approach HM Customs and Excise prior to departure. The Shipping Department can give advice and assistance in arranging for the correct paperwork to be completed on your behalf.

## IV. Sellers overseas

- (a) **Importing works of art for sale.** It is essential that all items imported for sale must be declared as such to Customs at the point of entry into the EC, and appropriate documents be obtained for presentation to Christie's. Particular attention should be paid to items containing ivory or other material from endangered species.
- (b) **Paintings, drawings, prints, sculpture** disposed of by the creator or as part of his or her estate before 1 April 1973, collections and collectors' pieces and antiques more than 100 years old, all at present enter the United Kingdom free of duty and without payment of VAT (explanatory leaflet available on request).

## V. Export licensing regulations for works of art, antiques and firearms

Christie's can advise buyers on the detailed provisions of the export licensing regulations and will submit the relevant export licence applications on request, provided that the items concerned are then exported by Christie's via their nominated shipper. If hand carried by the Buyer, the Buyer will be required to produce a valid export licence to Christie's or sign a waiver document stating that a licence will be applied for.

Buyers should always check whether an export licence is required before exporting. Export licences are usually obtained within two or four weeks but delays can occur which are outside Christie's control. For further information, please contact the Shipping Department on (071) 389 2886.

### I. General

In general, under both UK and EC regulations, an export licence is required for the export of any item manufactured or produced more than 50 years before the date of exportation that falls into certain categories.

If the item falls in one of these categories and is to be exported outside the EC, the export is controlled by EC Regulation (EEC No. 3911/92), an EC licence will be necessary. A UK licence will be required if the item is valued at or above the UK limit but below the EC limit.

If the item is to be exported to another EC member state and falls in one of the categories, it will require a UK licence.

**The following is a SELECTION of some of the categories of items more than 50 years old and their respective value limits:**

Paintings in oil or tempera	£119,000
Drawings and Prints	£11,900
Watercolours	£39,600
British Historical Portraits	£6,000
Photographs	£6,000
Arms and Armour	£20,000
Textiles	£6,000
Books	£39,600
Archaeological Material	licence always required
Manuscripts	licence always required
Any other item more than 50 years old	£39,600

**This information is included for guidance only and no representation is made by Christie's as to its accuracy. Full details of the value limits at or above which either a UK or an EC licence is required are available upon request.**

### II. Firearms

Firearms of between 50 and 100 years of age, and firearms of over 100 years with a value of £39,600 or more, require a licence. In addition, all firearms of 100 years of age or less require a DTI strategic licence in order to leave the UK.

### III. Ivory and Endangered species

An export licence issued by the Department of the Environment will be required for the export of any item made of, or incorporating (irrespective of percentage) animal material such as ivory, whalebone, tortoiseshell, rhinoceros horn, etc. This may take up to eight weeks to obtain. Clients are advised to check with the regulating body in the country of importation regarding any possible restrictions on the importation of items within this category — some countries have an absolute ban on the importation of certain materials.

*The above is subject to the Conditions of Business printed at the back of this catalogue*

## U.N. Embargo on Trade with the Federal Republic of Yugoslavia (Serbia and Montenegro)

A recently imposed United Nations trade embargo prohibits us from accepting bids from any person in Serbia and/or Montenegro (including any body controlled by Serbian or Montenegrin residents or companies, wherever carrying on business), or from any other person where we have reasonable cause to believe (i) that the Lot(s) will be supplied or delivered to or to the order of a person in either Serbia or Montenegro or (ii) that the Lot(s) will be used for the purposes carried on in, or operated from, Serbia or Montenegro.

Acceptance of any bid by the auctioneer is conditional upon the above not being applicable.

For assistance and further details, please contact a member of either the Expert or Legal Department PRIOR to bidding.

**Please note that the UN Embargo on Trade with Iraq still applies.**
