# CONDITIONS OF SALE OF HARMERS OF LONDON STAMP AUCTIONEERS LTD.

## SUBJECT TO WHICH ALL LOTS ARE OFFERED AT THIS AUCTION

**Notice.** Harmers of London Stamp Auctioneers Ltd., the auctioneers, exercise all reasonable care to ensure that all statements as to cancellation, centring, colour, condition, date of issue or of postal marking, gum, margins, paper, perforation, printing, provenance, quality, sheet position, status, usage, watermark, etc., in lot descriptions are reliable and accurate, and that each item is genuine unless contrary is indicated. However, the statements are not intended to be, are not and are not to be taken to be, statements of fact or representations of fact in relation to the lot. They are statements of the opinion of the auctioneers, and attention is particularly drawn to clause 5 below. Comments and opinions, concerning the characteristics mentioned above, which may be found in or on lots as notes, catalogue prices, writing-up or any other means of expression, do not constitute part of lot descriptions and are not to be taken as such unless they are made or specifically verified by the auctioneers.

1. (a) Each lot is put up subject to any reserve price imposed by the vendor. (b) Subject to sub-clause (a) of this clause the highest bidder for each lot shall be the purchaser thereof. (c) If any dispute arises as to the highest bidder the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.

2. (a) The bidding and advances shall be regulated by and at the absolute discretion of the auctioneer, and he shall have the right to refuse any bid or bids. **NOTE:** Where an agent bids, even on behalf of a disclosed client, the auctioneer nevertheless has the right at his discretion to refuse any such bid. (b) The purchaser of each lot shall immediately on its sale if required by the auctioneer give to him the name and address of the purchaser and pay to the auctioneer at his discretion the whole or part of the purchase money. If the purchaser of any lots fails to comply with any such requirement the auctioneer may put up again and re-sell the lot; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and expenses of re-sale which shall become a debt due from him. (c) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase money to the auctioneer and for safe delivery of the lot to the said client.

3. (a) The auctioneer reserves the right to bid on behalf of clients and vendors, but shall not be liable for errors or omissions in executing instructions to bid. (b) The auctioneer reserves the right before or during a sale to group together lots belonging to the same vendor, to split up and to withdraw any lot or lots at the auctioneer's absolute discretion and without giving any reason in any case. (c) The auctioneer acts as agent only, and therefore shall not be liable for any default of the purchaser or vendor.

4. (a) Each lot shall be at the purchaser's risk from the fall of the hammer and shall be paid for in full before delivery and taken away at his expense by a purchaser in the United Kingdom within seven days from the date of sale, and by a purchaser overseas within fourteen days from the date of sale, or such longer time as shall be agreed in writing between the auctioneer and the purchaser. (b) If any purchaser fails to pay in full for any lot within the time stated in sub-clause (a) of this clause such lot may at any time thereafter at the auctioneer's discretion be put up for sale by auction again or sold privately; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and the expenses of re-sale which shall become a debt due from him. (c) Interest at 2% per month shall be payable by the purchaser on any overdue account, but the auctioneer shall have a discretion to waive payment of the interest.

5. (a) Each lot is sold as (i) genuine unless otherwise described in the sale catalogue or by the auctioneer; and (ii) correctly described. The date of any certificate forming part of the description of any lot will be included in the description. (b) A purchaser shall be at liberty to reject any lot if he (i) gives the auctioneer written notice of intention to question the genuineness or, as the case may be, the accuracy of description of the lot within seven days (or, in the case of an overseas purchaser, a reasonable time) from the date of sale; AND (ii) proves that the lot is not genuine or was incorrectly described; AND (iii) returns to the auctioneer within 30 days from the date of sale the lot in the same condition as it was at the time of sale; provided that the auctioneer may, at his absolute discretion, on receiving a request in writing from the purchaser, extend for a reasonable period the time for return of the lot to enable it to be submitted to expertisation. **NOTE:** The onus of proving a lot to be not genuine or incorrectly described is on the purchaser. The inability of a recognised expert or an expert committee to express a definite opinion shall serve to discharge the onus on the purchaser and shall be a ground for rejecting the lot concerned. (c) Where a lot has been submitted to expertisation all costs of such expertisation shall be paid by the person who retains the certificate and item or items to which the certificate relates. (d) Where the purchaser of a lot discharges the onus and acts in accordance with sub-clause (b) of this clause, the auctioneer shall rescind the sale and repay to the purchaser the purchase money paid by him in respect of the lot. (e) No lot shall be rejected if, subsequent to the sale, it has been immersed in water, marked by an expert or expert committee or treated by any other process unless the auctioneer's permission to subject the lot to such immersion, marking or treatment has first been obtained in writing. (f) Any lot listed under "collections and various" or stated to comprise or contain a collection, issues or stamps which are undescribed shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) faults, lack of genuineness and errors of description and numbers of stamps in the lot; and the purchaser shall have no right to reject the lot except that, notwithstanding the foregoing provisions of this sub-clause, where before a sale a person intending to bid at the sale gives notice in writing to, and satisfies, the auctioneer that any such lot contains any item or items undescribed in the sale catalogue and that person specifically describes that item or those items in that notice, then that item or items shall, as between the auctioneer and that person, be taken to form part of the description of the lot. (g) No lot illustrated in the catalogue shall be rejected on the ground of cancellation, centring, margins, perforation or other characteristics clearly apparent from the illustration.

## VIEWING BY POST

Lots of convenient size can be sent for postal viewing to clients out of the London area on payment of postage, insurance\*, etc., plus a small handling charge. (References are requested from Collectors unknown to us.)

As the demand will be heavy and time is very limited, prompt application is essential—early requests naturally receive precedence.

*\*Lots sent for postal viewing are insured against all Civil Risks whilst in transit to and from the viewing client, but are the client's responsibility whilst in his possession.*

THE POSTMASTERS' STAMPS

1848 to 1863

From 1818, Postmasters were permitted to retain any Postage Paid at their respective Offices on inland mail. In 1842 the rate was reduced to 1d. per ounce for letters, to be prepaid. A slot was provided for mail to be posted with the necessary sum for postage, should it be required to post any mail when the Post Office was shut. Unfortunately for the Postmaster the money and the number of letters did not always tally, and being required to forward all the mail, and rather than penalize those who had been honest, some mail would be sent post free. This also of course resulted in the Postmaster being cheated of part of his income.

It was to counter this fraud that in 1848 Mr. William Bennet Perot, Postmaster at Hamilton (1821 to 1862, at first unofficially) introduced his stamps, possibly influenced by the United States Postmasters' Provisionals. He produced them by utilising his datestamp (PM4) with day and month slugs removed and endorsing them with "One Penny" and his signature. He impressed them on sheets of paper which were later cut up as required, probably after being sold to those who wished to use them. These would be accepted at Hamilton as prepayment when affixed to local mail. A total of all the examples, of all dates of this first Perot issue only comes to eleven, five being in black and six in red.

In later years Mr. Perot used his Crowned Circle General Post stamp (P2), similarly struck on paper and separated. This is known on overseas mail.

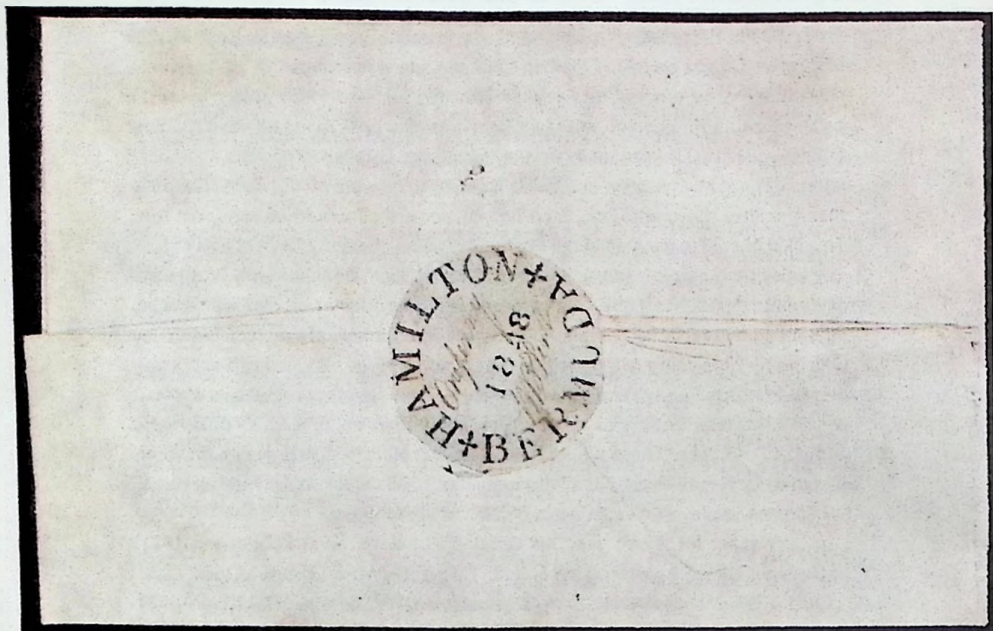

Circa 1860 Mr. James H. Thies, Postmaster at St. Georges (1860 to 1879) introduced a similar stamp, also produced by using his Crowned Circle General Post stamp (P2).

57      1838, ORIGINAL FOOLSCAP WARRANT OF THE APPOINTMENT OF  
WILLIAM BENNET PEROT AS POSTMASTER AT HAMILTON by the  
Governor and Commander in Chief Major General Sir Stephen Chap-  
man, dated "this sixth day of September 1838 and in the second year of  
Her Majesty's Reign", attested by Robert Kennedy, Secretary, slightly  
tropicalised, etc. but a document of great importance and historical  
interest . . . . .

THE POSTMASTERS' STAMPS (continued)

THE FIRST PEROT ISSUE

- 58 1848 1d. BLACK ON BLUISH GREY, WITH MARGINS CLEAR OF LETTERS ALL ROUND, USED ON REVERSE OF LETTER TO HENRY E. HIGGS AT ST. GEORGES, FROM N. J. BUTTERFIELD (ONCE MAYOR OF HAMILTON) AT HAMILTON DATED MARCH 28 1848 WHICH CONTAINS INTERESTING COMMENTS ABOUT A LEAKING SHIP AND THE CREW'S UNWILLINGNESS TO SAIL IN HER. THE STAMP WITH A FEW FAINT AGE STAINS WAS ADDITIONALLY USED AS A SEAL AND WAS DAMAGED WHEN THE LETTER WAS OPENED. THE STAMP HAS SUBSEQUENTLY BEEN SKILFULLY RESTORED AND IS OF FINE APPEARANCE (see colour-photo) . . . . . (01) E £12,500 to £15,000

*One of the three known examples dated 1848, one of the other two being in the Collection of Her Majesty Queen Elizabeth II, and one of the only two known first Perot types on entire. This letter was owned by a Bermudan gentleman for thirty-five years and was originally found within the Higgs family papers. It was acquired by the present owner in 1961.*

THE FIRST PEROT ISSUE (continued)

- 59 ○ 1853 1d. RED ON THICK WHITE, WITH MARGINS CLEAR OF LETTERS ALL ROUND, SOME PAPER ADHERING TO REVERSE AND TRACE OF PROBABLE THINNING OUTSIDE THE DESIGN AT LEFT. A SUPERB AND MOST ATTRACTIVE EXAMPLE (see colour-photo) . E £30,000 (03) to £32,000

*This is one of three known and is the right-hand example of a pair discovered in 1934 among the papers of John Harvey Darrell, Chief Justice of Bermuda. The pair was separated in 1934 and both copies were sold at auction by H. R. Harmer in that year. This example was later acquired by Major T. Charlton Henry before passing to the present owner. The left-hand copy of the pair was acquired by His Majesty King George V and remains in the Collection of Her Majesty Queen Elizabeth II.*

## THE SECOND PEROT ISSUE

- 60 ② 1861 1d. RED ON BLUISH PAPER, NEATLY PEN CANCELLED ON AN ENVELOPE ADDRESSED TO MISS HURST, CARE OF W. EVANS, ESQ., OF SOMERSET, SHOWING RED HAMILTON (TYPE PM4) DATESTAMP OF MARCH 9 1861. THE STAMP CUT SQUARE WITH LARGE MARGINS AND SHOWING SPOT OF RED AT BOTTOM WHICH COULD POSSIBLY BE THE TOP OF THE CROWN OF THE STAMP BELOW. THE COVER WITH NEGLIGIBLE AGE STAINS (see colour-photo) . . . . . (06) E £30,000 to £35,000

*Extremely Rare, being one of three known copies, two of which are on cover to the same addressee. This example was discovered in 1945.*

- 61 ○ A good strike of the red Crown circle "PAID/AT/HAMILTON BERMUDA" on cream vertically laid paper, cut octagonally and cancelled with blue crayon cross. Slightly thinned, a little soiled and small surface abrasion. A small piece of blue paper (from an entire?) on reverse (see photo on page 23) . . . . . E £250 to £300

*There are two copies known on cream laid paper, each cancelled by a cross in blue pencil and discovered circa 1951.*

*Post Office requisition October 1862 called for "3 doz. Crayons red and blue for taxing letters" and an appended note said "Crayons for taxing letters are found to be better for that purpose than ink and not more expensive".*

*It may be perhaps assumed therefore that Postmasters' stamps were so cancelled after this date. These stamps would be therefore "R. Ward" Postmasters' stamps as he succeeded Perot in June 1862.*

*As the status of these two known copies is still unresolved, this example is necessarily sold "as is".*

## THE J. H. THIES ISSUE

- 62 1d. CARMINE-RED ON WHITE PAPER, CUT SQUARE (ROUGHLY AT TWO SIDES), PARTS OF ADJOINING STAMPS APPEAR TO THE LEFT AND RIGHT, DIAGONAL PEN CANCELLATION AND USED ON WRAPPER TO JAS. TATUM ESQ., HAMILTON, SHOWING RED ST. GEORGES (P31) DATESTAMP OF JULY 4 1861. THE WRAPPER AFFECTED BY SLIGHT DAMP STAINS AT PLACES BUT OF GOOD APPEARANCE E £25,000  
(see colour-photo) . . . . . (07) to £30,000

*Extremely Rare, only four or five examples known. This copy was discovered in 1929 by a relative of Jas. Tatum among some old documents and was later acquired by Major T. Charlton Henry before passing to the present owner.*
