SEPTEMBER 12, 1990

HARMERS *of* NEW YORK INC.

International Philatelic Auctioneers

CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Harmers of New York Inc. (hereinafter "Harmers"), License #s 672829, 780870, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Harmers reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith.
2. The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who is the successful bidder and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. **On all lots sold, a commission of 10% on the hammer price is payable by the buyer.**
3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.
(b) All lots are offered subject to a reserve price. The auctioneer may implement such reserve price by bidding on behalf of the consignor or vendor.
(c) It may also be assumed that all consignors have been advanced monies against the sale of their stamps and Harmers therefore has a security interest over and above the normal auction commission.
(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.
(e) Agents are responsible for all purchases made on behalf of their clients, unless other arrangements have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired (Condition of Sale 8), shall be as follows:
 - (a) **Floor Bidders.** Payment of the purchase price, or such part thereof as Harmers shall require, shall be made by the purchaser in such manner as Harmers may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.
 - (b) **Mail Bidders.** A successful mail bidder will be notified of lots purchased. Before Harmers will send such lots, payment in full must be received by Harmers within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Harmers, or who furnishes satisfactory references, may, at Harmers option, have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Harmers of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance (obtained by Harmers on behalf of the purchaser) shall be added to the purchase price; a minimum charge of \$1.00 will be made. Risk of loss in transit shall be on the purchaser.
 - (c) Where an opinion of a generally recognized authority* is desired, the time for payment may be extended in accord with and subject to Condition of Sale 8.
5. Title shall not pass to the purchaser until full payment has been received by Harmers as agents for the consignor or vendor.
6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% for the first month and 2½% for each succeeding month shall be added if payment is not made in accordance with the aforesaid conditions.
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Harmers may, at its option, re-offer such lot immediately or at auction at a later time and shall hold the Non-Complying Bidder liable for the deficiency, if any, between the hammer price and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, and all incidental damages. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.
(c) A defaulting purchaser shall be deemed to have granted Harmers a security interest in any property in Harmers possession owned by such purchaser. Harmers shall have all of the rights afforded a secured party under the New York Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Harmers to such purchaser.
(d) If Harmers takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Harmers to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Harmers with its attorneys with respect to all matters arising out of a delinquent account.

*For United States stamps, the generally recognized authority, unless otherwise agreed, shall be the Philatelic Foundation of New York.

MAJOR ABBREVIATIONS

SE = Straight Edge; s.l. = Straight-line; c.d.s. = Circular date stamp.

CONDITION

The various gradings of stamps are, in order:

superb; extremely fine; very fine; fine

In the case of sets, large blocks, sheets, etc., the condition quoted represents the average and quality above and below this standard can be expected.

Mixed condition: In large lots, the condition is generally expected to range from fair to at best fine. Serious defects can be expected.

Handstamp on reverse: Denotes either a dealer, collector or indecipherable expertiser's mark.

Signed by: Denotes either the actual signature or mark of the expertiser. The absence of mentioning a signature does not reflect on the ability or knowledge of the party involved.

Shaded portion can represent an actual hinge or the area disturbed by a hinge.

n.h.	=	Never hinged — unused with original gum in Post Office state and unmounted.
l.h.	=	Lightly hinged — unused with full original gum showing some evidence of a previous hinge which may be present in part or entirely removed.
o.g.	=	Original gum — unused with original gum somewhat disturbed by previous hinging which may still be present.
o.g.(h.r.)	=	Original gum with hinge remnant.
part o.g.	=	Part original gum — unused with original gum, large hinge remnants may or may not be present.
disturbed o.g.	=	Disturbed original gum — unused with original gum, affected by sweating, glazing or mount disturbance; may not resemble the original gum.
unused	=	Unused without gum (unless gum is mentioned)
ungummed	=	Unused without gum, as issued.

PAIRS

All pairs are horizontal, unless otherwise mentioned.

CATALOGUE NUMBERS

The Scott catalogue numbers of the contents of the lots are given in parentheses immediately following the descriptions.

CATALOGUE VALUES

The final column shows the Scott catalogue value of the lot. This is shown in parentheses where, in the opinion of the auctioneers, the market value exceeds this figure.

ESTIMATED VALUES

If an estimated cash value is given, it is shown in the description and always indicated by the abbreviations "Est. Cash Val." It is used where the lot is large or where the actual value has little relation to the catalogue price. It represents the auctioneer's appraisal of the true MARKET value of a lot and the figure is invariably close to the actual realization. It is useless for mail bidders to list any bids that are only a low proportion of such estimates.

CONDITIONS OF SALE (continued)

EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) **On Premises Inspection and Postal Viewing.** Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Harmers discretion, for inspection by postal viewing (all as detailed elsewhere in this Catalogue).
- (b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue, including but not restricted to the section entitled "Key to Cataloguing".
- (c) **Quality.** Any lot which a purchaser considers to be incorrectly described may be returned to Harmers within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Harmers within four weeks of the date of the auction; however, Harmers may, in its discretion, refuse acceptance of such returned lot. If an opinion of a generally recognized authority is desired, the period of time within which a lot must be received by Harmers will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a generally recognized authority, and Harmers thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact in the condition received by the purchaser. The following lots are not returnable except at the discretion of Harmers: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue; (iv) lots described as having repairs, defects or faults—for any reason; (v) U.S. stamps (through 1918) for reasons of paper inclusions.
- (d) **Authenticity.** Any lot which is declared otherwise than genuine by a generally recognized authority is returnable, provided such lot is received by Harmers within four weeks of the date of the auction. Proof that a generally recognized authority declines to express an opinion is normal grounds for the return of a lot.
- (e) Expenses incurred in the submission and the return of a lot under Conditions of Sale 7-9 are not refunded.

EXTENSION OF TIME

8. (a) When an opinion from a generally recognized authority is not expected or available within four weeks from the date of the auction, the purchaser shall:
- (i) within seven days of receipt thereof submit the lot to one of the generally recognized authorities.
 - (ii) notify Harmers, in writing (and preferably on the form supplied), of such submission no later than four weeks from the date of the auction. Such notification shall be deemed given when received by Harmers and shall include the name and address of the authority to whom the lot has been submitted.
- (b) A prospective purchaser wishing to submit a lot to an authority not accepted by Harmers shall, prior to the date of the auction, request in writing permission for such submission and obtain confirmation of such request from Harmers. The auctioneer reserves the right to refuse a bid where the authority requested is not acceptable on any grounds, which grounds need not be disclosed by Harmers.
- (c) Payment for lots upon which an extension of time is obtained pursuant to this Condition of Sale 8 may be made in accord with Condition of Sale 4, subject to the following (paragraph d) and herein.
- (d) If a lot is certified by a generally recognized authority to be other than as described:
- (i) the sale (and the invoice with respect thereto, if outstanding) will be cancelled; and,
 - (ii) to the extent set forth in Condition of Sale 9, payment of the expense of certification will be made to the purchaser.

EXPENSES OF CERTIFICATION

9. Expenses of certification shall be borne by the purchaser except where a lot is certified other than as described and is returned to Harmers in accordance with Condition of Sale 8.

SALES TAX

10. Unless exempted by law, a purchaser shall pay New York State and local sales taxes, or any compensating use taxes of any other State.

APPLICABLE LAW, JURISDICTION, ETC.

11. All matters arising out of this auction shall be governed by the laws of the State of New York without giving effect to the choice of law principles thereof.
12. Any controversy or claim arising out of or relating to this auction shall be settled by arbitration in The City of New York, State of New York in accordance with the Rules of the American Arbitration Association and judgment upon the award rendered by the Arbitrator or Arbitrators may be entered in any Court having jurisdiction.
13. The purchaser at this auction (a) consents and submits to the jurisdiction of the Courts of the State of New York and of the Courts of the United States for a judicial district within the territorial limits of the State of New York for all matters arising out of this auction sale, including, without limitation, any action or proceeding instituted for the enforcement of any right, remedy, obligation and liability arising under or by reason thereof; and (b) consents and submits to the venue of such action or proceeding in the City and County of New York (or such judicial district of a Court of the United States as shall include the same).
