2. Catalogue Descriptions

2.1. Any statement or representation made by London Stamp whether in the catalogue, at rostrum or otherwise as to the authorship, origin, date, age, size, medium, attribution, genuineness, provenance, condition, nature, reference to particular defects, damage, repair, restoration or estimated selling price of any lot is a statement of opinion only and should not be relied upon. No warranty or undertaking is made as to the accuracy of any such opinion.

2.2. Buyers must satisfy themselves as to all matters referred to in Condition 2.1. above by inspection or otherwise before bidding and eventual purchase.

3. The Buyer's Premium

The Buyer shall pay to London Stamp a premium at the rate of 17.63% (equal to 15% premium plus 17.5% VAT thereon) on the "hammer price", which will be final price. The buyer also agrees that London Stamp, when acting as an agent for the Seller, may also receive commission from the Seller according to Condition 9.

4. Value Added Tax

4.1. Under Auctioneer's Margin Scheme or Global Accounting Margin Scheme

Where the Seller is either a private individual or registered under the margin scheme either in the UK or in any other EC Member state, no VAT is payable by the buyer on the hammer price. The VAT (17.5% on 10% premium) payable on the Buyer's premium under Condition 3 above is considered "notional VAT" under these two schemes and is not recoverable by the Buyer.

4.2. Outside the Auctioneer's Margin Scheme or Global Accounting Margin Scheme

Where the seller is registered for VAT, either in the UK or in any other EC Member state and he does not operate either of these two schemes, VAT at 17.5% is payable on the hammer price by the buyer. These lots are marked by the dagger symbol (†) in the catalogue.

4.3. Imported Lots

Imports from non-EU countries such as Japan, USA and other countries are subject to 2.5% VAT on importation. This VAT of 2.5% on the total purchase price (hammer price plus Buyer's premium) is payable by the Buyer under London Stamp's Temporary Importation Scheme. These lots are marked by the star symbol (*) in the catalogue. This VAT of 2.5% is collected by London Stamp and paid to HM Customs on behalf of the buyer.

4.4. VAT Refunds (Exports)

Where the buyer exports the goods and provides evidence of export of where London Stamp exports goods on behalf of the buyer, VAT refund may be due as follows:

4.4.1. Buyer from within the EU: where 17.5% VAT on the hammer price was charged, this may be refunded. Where 2.5% VAT was charged on the hammer price and Buyer's premium on import, this may not be refunded. Where 17.5% VAT has been paid on the Buyer's premiums, it may be refunded only if the Seller is not operating one of two margin schemes.

4.4.2. Buyer from outside the EU: where 17.5% VAT on the hammer price was charged, this may be refunded. Where 2.5% VAT on the hammer price and buyer's premium, this may not be refunded.

4.4.3. Export Retail Scheme: Customs & Excise will refund Buyer directly under this scheme for private Buyers.

4.4.4. Export License: UK Domestic and/or EC Export License may be required for export.

4.4.5. Refund Application: Buyer must notify London Stamp if he wishes to apply for refund of VAT.

4.6. Purchase Invoice

The purchase invoice will not show VAT separately. It will show the hammer price plus Buyer's premium at 17.63% and the total. Buyer will advise London Stamp of his name, address, banker's details and VAT registration number (if applicable) for invoicing purposes.

4.7. General: This entire Condition 4 should be read in conjunction with Condition 11.

5. Payment and Title to Goods

The Buyer shall pay London Stamp the "total amount due" which will be the full purchase price (i.e. hammer price, Buyer's premium and any VAT due) plus any other agreed charges hereunder within 7 calendar days after the date of sale. The legal ownership of the lot bought shall not pass to the Buyer until he has made payment in full to London Stamp of the "total amount due".

6. Collection of Purchases

6.1. The Buyer shall at his expense remove the purchased not later than 7 calendar days after the day of the auction but not before payment of London Stamp of the "total amount due".

6.2. The Buyer may be charged additional costs such as storage, interest on late payment, consequential loss arising on re-sale of the lot, insurance, etc. if the lot is not removed within 7 calendar days.
