# STANDARD TERMS & CONDITIONS OF SALE OF LONDON STAMP EXCHANGE LIMITED

## **CONDITIONS OF BUSINESS**

These Conditions of Business represent the terms upon which, London Stamp Exchange Limited ("London Stamp"), contracts with Sellers ("Sellers"); and acting in its capacity as agent on behalf of Sellers, contracts with Buyers ("Buyers").

The items in this sale are offered under the British Philatelic Auctioneers standard terms and conditions of sale (1985 Revisions). Where there is any conflict between London Stamp standard Terms and conditions of sale, London Stamp shall prevail.

The definition of words and phrases with special meanings appear in Condition.

## **CONDITIONS PRIMARILY CONCERNING BUYERS (TO BE READ BY SELLERS ALSO)**

### **1. The Buyer**

The highest bidder shall be the buyer at the "hammer price" and any dispute shall be settled at the auctioneer's absolute discretion. Any bidder acting for any person who is not bidding shall be jointly and severally liable with that person for satisfaction of all obligations and liabilities hereunder.

### **2. Catalogue Descriptions**

2.1. Any statement or representation made by London Stamp whether in the catalogue, at rostrum or otherwise as to the authorship, origin, date, age, size, medium, attribution, genuineness, provenance, condition, nature, reference to particular defects, damage, repair, restoration or estimated selling price of any lot is a statement of opinion only and should not be relied upon. No warranty or undertaking is made as to the accuracy of any such opinion.

2.2. Buyers must satisfy themselves as to all matters referred to in Condition 2.1 above by inspection or otherwise before bidding and eventual purchase.

### **3. The Buyer's Premium**

The Buyer shall pay to London Stamp a premium at the rate of 17.63% (equal to 15% premium plus 17.5% VAT thereon) on the "hammer price", which will be final price. The buyer also agrees that London Stamp, when acting as an agent for the Seller, may also receive commission from the Seller according to Condition 9.

### **4. Value Added Tax**

#### **4.1. Under Auctioneers' Margin Scheme or Global Accounting Margin Scheme**

Where the Seller is either a private individual or registered under the margin scheme either in the UK or in any other EC Member state, no VAT is payable by the buyer on the hammer price. The VAT (17.5% on 10% premium) payable on the Buyer's premium under Condition 3 above is considered "notional VAT" under these two schemes and is not recoverable by the Buyer.

#### **4.2. Outside the Auctioneer's Margin Scheme or Global Accounting Margin Scheme**

Where the seller is registered for VAT, either in the UK or in any other EC Member State and he does not operate either of these two schemes, VAT at 17.5% is payable on the hammer price by the buyer. These lots are marked by the dagger symbol (†) in the catalogue.

### **4.3. Imported Lots**

Imports from non-EU countries such as Japan, USA and other countries are subject to 2.5% VAT on importation. This VAT of 2.5% on the total purchase price (hammer price plus Buyer's premium) is payable by the Buyer under London Stamp's Temporary Importation Scheme. These lots are marked by the star symbol (\*) in the catalogue. This VAT of 2.5% is collected by London Stamp and paid to HM Customs on behalf of the buyer.

### **4.4. VAT Refunds (Exports)**

Where the buyer exports the goods and provides evidence of export or where London Stamp exports goods on behalf of the buyer, VAT refund may be due as follows:

**4.4.1. Buyer from within the EU:** where 17.5% VAT on the hammer price was charged, this may be refunded. Where 2.5% VAT was charged on the hammer price and Buyer's premium on import, this may not be refunded. Where 17.5% VAT has been paid on the Buyer's premiums, it may be refunded only if the Seller is not operating one of the two margin schemes.
