#### **4.2. Outside the Auctioneer's Margin Scheme or Global Accounting Margin Scheme**

Where 2.5% VAT was charged on the hammer price and Buyer's premium on import, this may not be refunded. Where 17.5% VAT has been paid on the Buyer's premium, it may be refunded only if the Seller is not operating one of the two margin schemes.

4.4.2. **Buyer from outside the EU:** where 17.5% VAT on the hammer price was charged, this may be refunded. Where 2.5% VAT on the hammer price and buyer's premium was charged, this may be refunded. Where 17.5% VAT was charged on buyer's premium, this may not be refunded.
