"PENCE"

This general collection is one of the finest in existence, including most of the great rarities and many unusual and unique pieces. On these four pages many of the rarer stamps are illustrated in colour, and the following are the most valuable items. All may be taken as mint unless otherwise described.

ANTIGUA: 1862 compound 6d., 1863 6d. yellow-green. Blocks of the 1862 6d., 1864 1d. (30), 1882 2½d., 1884 1/- and others. Also some fine covers.

BAHAMAS: 1861 6d. grey-lilac, 1862 perf. 13 4d. and 6d. An imperforate between block of the 1861 1d.

BARBADOS: In this sale we only include the De La Rue type with two copies of the 1892 provisional with double bi-coloured surcharge—one being the no hyphen variety.

BERMUDA: 1873 1/- vertical strip, imperforate horizontally.

BRITISH HONDURAS: 1888 CC 12½ 3c. on 3d. used, CA 14 2c. on 1d. double, "Two" in black and red on 50c. The blocks include 1866 1/- and the covers the rare errors S.G. 45, 46, 46a and 46b.

DOMINICA: 1877, several mint blocks including the 4d. with the malformed "PENCE". The rare provisionals include used single and pair of the inverted "½".

GRENADA: A wonderful range of provisionals with unsevered pairs and errors, the most valuable being S.G. 27a, 28a and 38b and used 16a and 28a.

JAMAICA: An exceptional lot of six \$ errors, some in mint pairs and blocks. Also many fine mint blocks including sixteen of the 3d. pink: a fine cover with CC 1d. bisect used with single 1d. and 1/-.

MONTSERRAT: The inverted "S" variety is represented by CC 14 1d. used pair, 6d. mint single and in a block; CA 14 1d., CA 12 1d. unused and used. Mint blocks include the CC 14 6d. blue-green and the CA 14 2½d. brown. The covers include a dozen bisected 1d. and two-thirds and a third of the 6d.

INDIA

The late Lt.-Col. L. T. Rose-Hutchinson was a connoisseur of quality and rarity. Unfortunately failing sight and pressure of business affairs prevented his completion of mounting and arranging the vast accumulation of material that is offered. Since his death this section of his philatelic estate has been put in order by his friend and fellow student, Col. A. E. Stewart, of Ballater, to whom we make due acknowledgment of much valuable assistance in lotting the Indian section.

This £8,000 study includes Scinde Dawk, 1851 Essays, Proofs, 1a., 1a., 2 as., 4 as., Reprints, etc. Later issues of Queen Victoria, King Edward VII, King George V, also Collections and Officials. The following groups are outstanding in quality, rarity and study: Convention States, Feudatory States: a remarkable and valuable section of India Used Abroad and relevant Literature.

The Reference Handbook Auction Catalogue is now ready, including hundreds of illustrations, many in colour. Price 1/-.
