Guarantees and Expert Opinions

The stamps in these sales have been guaranteed genuine and have been carefully examined by the expert staff of the Auctioneers. A request for an extension so that a second expert opinion may be sought, can only be granted when the buyer has made application *prior to the auction*, stating that an extension will be required, and *giving the reason*. In no case will an extension be given that necessitates more than two months' delay from the date of the sale and should the buyer fail to obtain an opinion by the 30th January 1963, the buyer will forfeit the right to return a lot for any reason.

The following expert opinions are the only ones recognised by the auctioneers for these particular sales:

- British Empire and Egypt* — The Expert Committee of the British Philatelic Association and the Royal Philatelic Society.
Greece — As above and Diena of Rome and the Philatelic Foundation of New York.

Any lot, description of which is incorrect, is returnable only within three days of receipt. All disputed lots must be returned intact as received.

Lots containing five or more stamps are not returnable at any time.

No lots may be returned by purchasers or their agents who have had the opportunity to examine them before the sale.

Stamps described as having defects are not returnable on account of their condition. Stamps cannot be returned on account of the centering or the amount of margin when such stamps are illustrated.

STANDARD CONDITIONS OF SALE

Every Lot in our Auctions is offered subject to the "*Philatelic Auctioneers' Standard Terms and Conditions of Sale*", a copy of which may be obtained free on request from our Offices.

A synopsis of these Conditions of Sale is printed below.

1. The purchaser to be the highest bidder. Any dispute arising will be determined by the Auctioneer who may immediately re-offer any disputed lot.
2. (a) The bidding and advances to be regulated at the Auctioneer's discretion.
(b) Buyers to give their names and addresses; also, if required, to pay down the whole or part of the purchase price before or on delivery. Failure to comply with these rules may cause any deposit to be forfeited, lots uncleared after four days may be resold by public or private sale and any deficiency shall be made good by the defaulters.
(c) Agents bidding on behalf of undisclosed clients do so on their own responsibility both for payment and safe delivery of the lots.
3. The Auctioneers reserve the right to bid on behalf of Clients and Vendors.
4. The buyer of any lot becomes responsible for it from the time it is "knocked down". Lots purchased on behalf of mail bidders will be forwarded by the most practical method, all charges incurred to be borne by the purchaser.
5. The Auctioneer shall not be liable for any omissions or errors made by clients when sending their instructions to bid.

All purchases made by residents in the Dollar Area must be paid for in Dollars at the controlled rate of exchange, or by Sterling Draft.

Valuations are prices which a collector might expect to pay in the existing state of the market. The finer points of quality are often indicated by these valuations.

PLATE J

The "Paul M. Davidson" Russia

This magnificent collection comprises the adhesive postage stamps issued by metropolitan Russia during the Imperial era.

The first section, comprising the ESSAYS and PROOFS, opens with fifty-one of the 1854-57 Mercury and Eagle types in various colours and bi-colours, some with trial cancellations. The 1857 10k. die proofs of the frame (3) and finished design (9) in various colours are believed to be unique whilst the block of six 1858 20k. is the largest known.

Three 1863 5k. City Post proofs are followed by nine of the "B K" and "P M" essays of 1864 and the subsequent emissions to 1888 are fully represented including eleven

of the proofs prepared for the 1867 Paris Exhibition. The 1889-94 issue is particularly strong with the unique artist's drawing of the 1r., other essays (62), proofs (29) and "Specimen" overprints (73).

The 1902-06, 1905 Charity, and 1909-12 types lead up to the magnificent array of Romanov essays (56) and proofs (420), many of which came from the private collection of the Tsar Nicolas. The essays and "Specimen" overprints of the 1914-15 Charities bring this portion to a close.

1866 Horizontally laid paper: Inverted background 1k. mint and used (3); 3k. with 5k. background, mint block of four; inverted centre 10k. used; imperf. used 1k. pair, 5k. (2) and 10k.

1866 Vertically laid paper: Imperf. 1k. mint and used, 5k. mint.

1875 Inverted background 2k.; 7k. wmk. hexagons; inverted centre 10k.; imperf. 7k. and 8k.; all used.

1883-88 Inverted background 1k. used pair, 5k. used, 7k. mint and used; inverted centre 14k. used; 7k. on half 14k. on cover.

1884 Vertically laid paper 3.50r. and 7r., a mint sheet of each.

1884 Horizontally laid paper 3.50r. mint.

1884-94 Background omitted 7k. used; centre omitted 14k. used; double impression 7r. used.

1902-06 7k. pane of 25, one with inverted background; centre omitted 14k. mint pair and 1r. mint; centre inverted 15k., 25k., and 3.50r., all used, and a unique block of four 7r. mint.

1909-12 7k. mint block showing types I and II *se-tenant*.

1913 Romanov. Imperf. 2r. in a sheet of fifty.

In addition to the foregoing there is a host of other printing and perforation varieties, the mint excel in shades and multiples, and the used, of which many are on cover, are almost entirely selected for their cancellations, a number being used in Poland, the Baltic States or elsewhere.

The collection is housed in forty custom-made albums and cases. It is completely written up, illustrated, ready for display and has already won many gold medals at exhibitions. The quality is exceptional.

An independent valuation listing every item has been made at \$92,956 (£33,200).

The collection is offered in two parts or as a whole:

(a) The Essays and Proofs	\$32,500 or £11,675
(b) The Issued Stamps	\$57,500 or £20,575
or (c) The entire collection	\$87,500 or £31,250

All enquiries should be addressed to

Robson Lowe Ltd., 50 Pall Mall, London, S.W.1

If unsold in 1962, this collection will be broken up and sold in two auctions to be held in May and October 1963.
