STANLEY GIBBONS
125th ANNIVERSARY EXHIBITIONS
IN
SOUTH AFRICA

Stanley Gibbons is holding an International Exhibition of stamps and postal history in Johannesburg and Cape Town in September as part of their 125th Anniversary celebrations.

(Applicable to all items offered in this auction)

Clause 1

- (a) Each lot is put up subject to any reserve price imposed by the Vendor.
- (b) Subject to the several sub-clauses of this clause, and clause 2(a) of these Conditions, the highest bidder for each lot shall be the purchaser thereof.
- (c) If any dispute arises as to the highest bidder, SG Auctions shall have absolute discretion to determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.
- (d) SG Auctions has full discretion to refuse any bidding, to divide any lot, to combine and offer lots as one lot and to withdraw any lot or lots from the sale without in any case giving any reason. SG Auctions reserves the right to bid on behalf of clients, but shall not be liable for errors or omissions in executing instructions to bid.
- (e) SG Auctions acts as agent only save in respect of collection of the buyer's premium referred to in clause 2(c) of these Conditions and where it is stated to act as principal in any individual sale.

Clause 2

- (a) The bidding and advances shall be regulated by and at the absolute discretion of SG Auctions. SG Auctions shall have the right to refuse any bid or bids should it so decide.
- (b) Each lot shall remain the property of the Vendor until paid for in full, but shall be at the Purchaser's risk from the fall of the hammer. Each lot shall be paid for in full before delivery and taken away at his expense by a purchaser in the United Kingdom within 7 days from the date of sale and by a purchaser overseas within 14 days of the date of sale, or such longer time as shall be agreed in writing between SG Auctions and the Purchaser (the onus for such prior arrangements lies with the prospective purchaser).
- (c) The Purchaser shall pay a premium of 10% of the total amount realised on each lot to SG Auctions for its retention which premium is in addition to any commission payable by the Vendor.
- (d) If any purchaser fails to pay in full (including the buyer's premium referred to in sub-clause (c) of this clause) within the time stated in sub-clause (b) of this clause, such lot may at any time thereafter at SG Auctions' discretion be put up for sale by auction again or sold privately; the Purchaser shall make good any difference in price, reduction in premium and costs of re-sale which shall become a debt due from him to the extent that any increased price on re-sale does not fully cover the amount of such debt.
- (e) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase money to SG Auctions and for safe delivery of the lot to the said client.
- (f) Interest at the rate of 3% per annum over Lloyds Bank Limited base rate for the time being shall be payable by the Purchaser on any overdue account, but SG Auctions shall have discretion to waive payment of such interest.

Clause 3

SG Auctions exercises all reasonable care in the description of lots and statements as to the genuineness of lots, but, subject to the provisions of these Terms, Conditions and Notices, such descriptions and statements are not intended, nor are they to be taken, as statements or representations of fact, but merely statements of the opinion of SG Auctions given in good faith PROVIDED however that SG Auctions will warrant the description and genuineness of all lots comprising three or less items on the undermentioned terms and conditions:

- (a) Unless comprising four or more items (in which case no such warranty is given) and subject to clause 3(b) of these Conditions, each lot is sold as (i) genuine unless otherwise described in the sale catalogue or by SG Auctions and (ii) correctly described. The date of any Certificate forming part of the description of the lot will be included in the description.
- (b) A purchaser shall be at liberty to reject any lot comprising three or less items only if he has made payment thereof in accordance with the provisions of clause 2 above and if he (i) gives SG Auctions written notice of intention to question the genuineness or, as the case may be, the accuracy of description of the lot within 21 days (or, in the case of an overseas purchaser, a reasonable time) from the date of sale; AND (ii) proves that the lot is not genuine or was incorrectly described; AND (iii) returns to SG Auctions within 30 days from the date of sale the lot in the same condition as it was at the time of sale; provided that SG Auctions may, at its discretion on receiving a request in writing from the Purchaser, extend for a reasonable period the time for return of the lot to enable it to be submitted to expertisation. Where a lot has been so submitted, all costs of such expertisation shall be paid by the person (which term shall include any company) who returns the certificate and item(s) to which such certificate relates. The onus and cost of proving a lot to be not genuine or incorrectly described is on the Purchaser. The inability of any recognised expert or expert committee to express a definite opinion shall serve to discharge the onus on the Purchaser and shall be a ground for rejection of the lot concerned.
- (c) Where the Purchaser of a lot discharges such onus of proof and acts in accordance with sub-clause (b) of this clause, SG Auctions shall set aside the sale and repay to the Purchaser the purchase money (including the buyer's premium referred to in clause 2(c) above) paid by him in respect of the lot.
- (d) No lot shall be rejected if, subsequent to the sale, it has been marked or treated by any process whatsoever unless SG Auctions' permission to subject the lot to such marking or treatment has first been obtained in writing.
- (e) Any lots comprising four or more items, or miscellaneous lots containing items which are undescribed, shall be put up for sale not subject to rejection and shall be taken by the Purchaser with all (if any) faults, lack of genuineness and errors of description and numbers of items in the lot and the Purchaser shall have no right to reject any such lot; save that, notwithstanding the foregoing provisions of this sub-clause, where before a sale a person intending to bid at the sale, gives notice in writing to and satisfies SG Auctions that any such lot contains any item or items undescribed in the sale catalogue and that person specifically describes that item or those items in that notice, then that item or where before a sale a person intending to bid at the sale, gives notice in writing to and satisfies SG Auctions that any such lot contains any item or items undescribed in the sale catalogue and that person specifically describes that item or those items in that notice, then that item or those items shall, as between SG Auctions and that person, be taken to form part of the description of the lot for the purposes of sub-clauses (a), (b) and (c) of this clause.
- (f) No lot illustrated in the catalogue shall be rejected on the ground of characteristics clearly apparent from the illustration.

Clause 4

Books, atlases, maps, prints and like material may not be returned nor will their sale be set aside on account of damage to binding, stains, foxing, marginal wormholes, lack of blank leaves or other conditions not affecting the completeness of the text or illustrations, NOR on account of lack of list of plates, inserted advertisements, cancels or any subsequently published volume, supplement, appendix or plates, NOR (provided the book or atlas, etc. be otherwise in generally acceptable condition) on account of any error in the enumeration or sequence of the pages or plates; NOR for possible misattribution of authorship where the authorities are in disagreement. Books, etc., unnamed in lots may not be returned for any reason.

Clause 5

SG Auctions operates a V.A.T. inclusive system and registered dealers may apply for details of those lots which carry a V.A.T. element upon registering with SG Auctions.

Clause 6

By making a bid the Purchaser acknowledges and accepts these Terms, Conditions and Notices and any special terms stated by SG Auctions to apply to any lot.

Clause 7

These Terms, Conditions and Notices and any sale organised by SG Auctions shall be governed by English law and any actual or prospective Purchaser hereby submits to the jurisdiction of the English courts in connection therewith.

SPECIAL NOTICES

1. Each lot is received in SG Auctions' offices for sale subject to SG Auctions' Standard Terms and Conditions of Sale and, unless the contrary is expressed in writing by an intending Vendor, each lot is accepted by SG Auctions for unreserved sale and will be sold without reserve. Written instructions as to reserves (if any) must reach SG Auctions' offices at the latest on the day before the date of the sale and must be confirmed after receipt of advice note.
2. Correspondence from abroad relating to reserves must be in English with prices stated in British currency.
3. SG Auctions will not be responsible for the loss of items received inadequately packed, mounted or arranged.
4. Unsold lots which have not been cleared will, after the expiration of six months from the date of the sale, be sold to defray expenses.
5. Lots bid on and bought in by the Vendor will be regarded as sold and liable for full commission (including the buyer's premium referred to herein).
6. Settlement is made one month after sale, except where SG Auctions has received notice of intention to question the genuineness or accuracy of description of a lot under clause 3(b) above or where the Purchaser resides abroad, when settlement may be slightly delayed. For earlier notification a prepaid and addressed envelope or postcard should be sent.
7. "Buy" bids without upper limit can only be accepted on the condition that SG Auctions' discretion is absolute.
