NOTICE.

I shall therefore fill no orders for any United States Stamps unless accompanied by orders for at least twice the amount of Foreign Stamps.

All dates used in this list are in accordance with Scott Stamp and Coin Company's 53d Edition Catalogue.

THE CELEBRATED

Dealers' Stock and Collectors' Duplicating Album,

MANUFACTURED AND COPYRIGHTED IN 1893 BY

N. DIESCHBOURG.

The best, neatest, and most convenient method for dealers to keep their stock and collectors to arrange their duplicates. Strongly bound with handsome leather.

Every Stamp seen at a Glance. Used by Principal Dealers the World Over.

The Album is made of stiff manilla cardboard, with strips glued across, forming pockets in which the stamps are placed, and holding from 5,000 to 60,000 stamps, according to size of Album, thus keeping an entire stock in a very small space—going away with the antiquated envelopes. All the New York dealers are using ten or more.

THE CELEBRATED Dealers' * Stock * and * Collectors' * Duplicating * Album.

Manufactured and Copyrighted in 1893 by N. Dieschbourg.

The best, neatest and most convenient method for dealers to keep their stock, and collectors to arrange their duplicates. Strongly bound in handsome leather.

Every Stamp Seen at a Glance. Used by Principal Dealers the World over

The Album is made of stiff manila card-board, with strips glued across forming pockets in which the stamps are placed, and holding from 5,000 to 60,000 stamps according to size of album, thus keeping an entire stock in a very small space—doing away with the antiquated envelopes.
