Specimen page of Common Sense Album reduced to one-quarter original size.

THE COMMON SENSE POSTAGE STAMP ALBUM.

It has received the highest prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the stamps of the Deccan, Fiji Islands, Japan, &c., &c.; also for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward's Island, United States Officials, &c., &c.

It is bound in the strongest manner, by the most skilful workmen, with the best materials. The following styles and prices now ready. Postage 20 cents extra:

HALF CLOTH, beautifully illuminated in black and gold.	\$2 00
CLOTH, gilt lettering back and sides,	2 50
CLOTH, guards, clasps, &c.,	3 50
CLOTH, extra thick paper, gilt clasp, printed on one side of the paper only.	5 00
HALF MOROCCO, extra fine, heavy paper, gilt clasp,	6 00
FRENCH MOROCCO, fine heavy paper, gilt edges, two gilt clasps.	8 00

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."

Specimen page of Revenue Stamp Album reduced to one-quarter original size.

THE REVENUE STAMP ALBUM.

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain in a convenient and elegant form these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work. Postage 20 cents extra.

CLOTH, gilt lettering, &c., - - - - - \$3 00
 CLOTH, EXTRA, heavy paper, large number of additional leaves, clasps, &c., - - - - - 5 00

EXTRACT FROM PREFACE.

In the present state of knowledge concerning Revenue Stamps, it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would in that case, make it impossible to fill the Album. Perhaps the greatest charm in collecting Revenue Stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to his brother collectors, and there being no definite value, or degrees of value, yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless rarities among their Revenue Stamps, which, perhaps, have only cost them two or three cents.

Taking these facts into consideration, spaces have only been prepared for well-known and obtainable series of Foreign Revenue Stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for all fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide spaces for every stamp that has ever been issued by our own country, with the exception of beer, spirit and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers do collect them, sufficient blank pages have been left for their accommodation, and taking into consideration their large size, they can be arranged with equal facility without the aid of lines.

THE MERCHANT FLAGS OF THE WORLD.

These brilliant coloured Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all.

This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country.

These sheets possess three great advantages (to the Collector) over any others we are acquainted with, which consists in the facts that there is only one Flag to each country; more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put up in albums, as they can use them all instead of having to throw away half the purchase. The colours are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness.

Beautifully and correctly printed in FIVE colours on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.  *In ordering please state which paper is required.*

MISCELLANEOUS.

Well-assorted Used Continental and Colonial Stamps, including European, Canadian, New South Wales, Italian, Cape Good Hope, Queensland and Victorian, 100 for 40 cents, 500 for \$1.75, 1,000 for \$3.00. *Postage is extra.*
