PREFACE.

IN presenting this Catalogue, I feel justified in saying that it is the most complete and best Descriptive Catalogue or List ever given to the Stamp-collecting public. It has been carefully compared with the Stamps in the largest collections of U. S. Revenues possessed in this country, and it is the work of several years active study by the Compiler. The Stamps here presented are known to *actually exist*, and *no* stamp that I have not seen, or reported to me on the best authority, are listed. A few omissions may be found, and if so, I would be glad to have the Stamps sent me for examination, guaranteeing their safe return. The listing of Revenue Stamps on the different papers was first presented to collectors' notice by my lists published in the Philatelic papers and journals, many of which have long since been out of existence, so that a new list, complete in every detail, is greatly in demand. No Revenue Collector would think of forming a collection without consulting these details, for the *rarity* of the Stamp depends upon the variety or kind of paper upon which it is printed.

In compiling my lists I have had the pleasure of the personal examination of such *rarities*, (that I do not possess), and the valuable assistance given me at all times by the most expert collector, Mr. W. C. VanDerlip, whose princely collection is the finest and most complete in U. S. Stamps of all kinds, to be found in the world. This gentleman has ever been ready and willing to assist me in my work, and I take this liberty of expressing my gratitude.

Very respectfully,

E. B. STERLING.

TRENTON, N. J., U. S. A., August 1st, 1882.

SPECIAL NOTICES.

TWENTY-FIVE per cent. discount on all cash orders of one dollar and upwards. Special discount on large purchases.

Letters of inquiry and small orders must contain a stamp for return postage.

Sheets of Document Stamps consisting of unperforate, part perforate and perforate Stamps; also, Match, Medicine and Playing Card Stamps on old, silk, pink and watermark paper, and California State Tax, Bill of Lading, Exchange and Insurance, all kinds of Shoe and Collar License, and other Revenues of all classes, will be sent on approval to responsible parties furnishing satisfactory references, at twenty-five per cent. discount from Catalogue prices.

Also, will send U. S. Postage adhesives and envelopes on approval, at twenty-five per cent. discount from prices given in our Illustrated Postage Stamp Catalogue.

I have made the study of U. S. Revenues my specialty for the past eight years, and have on hand the finest stock ever offered for sale at prices that cannot be undersold, and I invite the attention of Revenue Collectors to give me a chance to supply their wants, and be convinced in what I say.

The size of every Stamp listed in this Catalogue is given in *millimetres*, and collectors will find this of great service in ruling spaces in their Albums. This has been no easy task, measuring over 1400 Stamps, but I believe in a good description of what is here presented, and that I will be fully repaid for this extra labor by the thanks of those for whose benefit this is intended.

I desire in good order, Tin Foil and Paper Tobacco Wrappers entire only, and for these I will pay a good cash price.

The price given under the headed columns signifies that the Stamp actually exists, and where not priced the issue is unknown.
