NOTICE TO ALL STAMP DEALERS!

We shall hold regular Auction Sales each month hereafter. Every dealer occasionally has more stamps of one kind than he cares for, and wishes to dispose of them at wholesale. We have a complete list of all the dealers in the world, and our facilities for distributing our Auction Catalogues are such that we can get **better** prices than the average dealer could obtain for his stamps.

Dealers who have any stamps for sale, either common or good varieties, should give us a chance to dispose of them. Our terms are only 10 per cent commission. Every lot that is sent in for auction must be marked with reserve price, and in no case will we sell them at less than that figure. **Lots of less than \$2.00 in value respectfully declined.** We are sure that you will find this a profitable way to dispose of surplus stock. Always address

Please let us hear from you.

BECOME A DEALER IN STAMPS AND MAKE MONEY!

All wholesale lists quote such high prices that it does not leave you any margin buying stamps that way, and, unless you invest quite a large sum of money, you do not even receive much of a variety. It is therefore best to buy a complete

STOCK OF STAMPS

which comprises all the stamps and varieties a dealer requires, and that at a much less cost, almost one half, than what you would have to pay otherwise.

Our unequalled facilities to obtain foreign stamps, our long experience as dealers and thorough knowledge of the stamp business, enable us to furnish you with a BETTER selection at LOWER prices than any other house in the world.

Of these stocks we put up three different kinds: No. 1 for \$5.00, No. 2 for \$10.00 and No. 3 for \$25.00.

Our terms for these: Strictly net cash with order. As our profits on these lots are figured very closely we can allow no time on same. We guarantee satisfaction in every instance, and therefore do not send these on approval.

1,000 U. S.

\$1.50

WE have a fine lot of U. S. Stamps for sale now at the rate of \$1.50 per 1,000. This assortment includes stamps from 1851, 1857, 1861, 1868, 1869, 1872, 1875, 1882, 1887, 1888 and 1889, *all obsolete*, adhesives and envelopes ; also *Department*, Revenues, Match and Medicine Stamps, Unpaid, Special Delivery, etc.

EVERY PACKET contains also a 90c Stamp of 1872 issue, a 90c Treasury Department and a rare 30c brown of 1888 issue. We had a fair stock of Revenues, Match and Medicine Stamps, and, wishing to close them out, we have put all these stamps in the mixture, regardless of catalogue value. Every one of these packets contains some very good stamps. Last spring we had a large quantity of U. S. Stamps, the quality, however, not being nearly as good as this time, and we sold them out within two or three weeks ; even had to refuse some forty or more orders. Now they are of better quality than ever before.

Price of above, post free, only \$1.50.

NOTE.—We will add to the above, as long as they may last, to every packet sold, one RARE 90c PURPLE U. S. Stamp of 1888 issue, which are now very scarce and desirable.

Address at once, before they are all gone,
