PHILADELPHIA:
BAVIS & PENNYPACKER, STEAM POWER PRINTERS, 23 SOUTH TENTH ST.

P R E F A C E .

We present this Fourth Edition of our Descriptive Price Catalogue to the subscribers of *The Philatelic Monthly*, with the compliments of the publisher. It is complete, comprehensive, and cheap in its prices. A careful perusal of it will show that the prices have been, in many cases, greatly reduced. Some have been increased, but this is unavoidable, owing to the growing scarcity of many of the obsolete kinds and to the increased demand for them. Take it as a whole, the prices will be found lower than those of any other Catalogue and as low as it is possible to sell genuine specimens. The premium on gold has diminished; the number of our customers has greatly increased; our foreign connections have been vastly improved, and we are, therefore, enabled to sell stamps cheaper than ever before.

It is a source of much pleasure to us to be in frequent receipt of complimentary letters from our customers upon the prompt and satisfactory manner in which their orders have been attended to. As in the past, so in the future we shall study to please, and endeavor to merit a continuance of the patronage so liberally bestowed upon us. With a larger stock of stamps than ever before, we are prepared to fill all orders with promptness.

NOTICES.

Letters of inquiry and orders under twenty-five cents must contain a stamp for return postage. Unused United States or Canada postage stamps will be accepted for small amounts when scrip cannot be obtained.

We are not responsible for money sent, unless it be by post office money order, registered letter or bank draft on Philadelphia or New York. Amounts of one dollar and over should be sent in one of these ways. All post-masters are required to register letters upon payment of a fee of ten cents in addition to the postage. Money orders can be obtained at many offices at the rate of ten cents for each ten dollars or fraction thereof.

We have a large stock of stamps, both used and unused, and are constantly receiving others; but it is impossible, at all times, to keep every one mentioned in this Catalogue, and correspondents, when ordering, are requested to send a list of double the number or value of stamps wanted. For instance, if it is desired to purchase to the value of one dollar, make a list of stamps that will amount to two dollars, and we will send from it, in the order in which they are named, to the value of one dollar. Money sent for stamps not in stock will be returned unless otherwise ordered.

To avoid mistakes, all orders should be plainly written out, with the date of issue, value, color and price of each stamp, and the sender's name and address given in full in every case.

We are, at all times, ready to purchase scarce and rare stamps. In offering any such to us for sale give the number and condition of each kind, state the amount wanted for them, and enclose stamp for answer.

Every stamp sold is warranted genuine, and a written guarantee to that effect will be given whenever desired.
