## READ THIS PAGE CAREFULLY BEFORE ORDERING.

---

All Stamps are warranted genuine.

No torn or clipped Stamps bought or sold.

The best specimen in stock of the Stamp ordered is invariably sent. Any single stamps not satisfactory may be returned, if done at once.

All orders for less than fifty cents must contain a 2c stamp for reply.

Always remit by Postal Note or in U. S. or Canadian paper money, when possible. When this cannot be obtained send U. S. or Canada silver or U. S. 1 and 2c postage stamps. When sending silver always wrap it in a piece of paper before enclosing it in your envelope, and see that the postage is prepaid in full before sending it. I do not accept Revenue stamps or any Canada stamps except eight cent registration. Newfoundland customers will please remit in 1 and 2 cent stamps. Amounts of \$1.00 or over should be sent by P. O. Money Order or American Express Company's Money Order. I pay the fee for the latter or half the fee for the former. Deduct it from amount of order. I do not pay any portion of the fee when the money is sent in any other way, or when the amount is less than \$1. Agents wanted everywhere. Terms and particulars sent on receipt of 2c stamp. Not otherwise.

The color of any stamp in *italics* denotes that it is printed in black ink on colored paper.

Efforts are made to keep in stock every stamp priced, but as this is sometimes impossible, customers will serve their own interests by sending with their orders an "additional list" to select from in case any first ordered are not in stock.
