BLANK ALBUMS.

NO Album has yet been published that meets every requirement of advanced Collectors who make a specialty of watermarks, perforations, etc. The majority of them are too costly for the average Collector, while others are too cheap looking. We have had made for our own use in our office, strong, substantial blank books, containing about 200 pages, either of fine manila or heavy white paper, size of page 10 × 12 inches. These books are very substantial, being covered with gray cloth, and are provided with guards so to allow them to be filled without bulging, and make a very neat and attractive book for a specialist.

Price, Manila Paper Pages, - - - \$3.50.

CASH WITH ORDER. EXPRESS EXTRA.

NEW YORK.

SPECIAL NOTICES.

PRICES are strictly net, and are quotations for *average* specimens. For Stamps in extra fine condition, such as evenly centered, lightly cancelled, original gum, etc., from 10 to 25 per cent. additional should be added, according to condition.

The numbers in the first column will serve to facilitate ordering from the Catalogue. Thus, if you wish to order a United States 1856 5c. brown, used, your order may read as follows :

“United States, 36, \$2.25,”

thereby doing away with the necessity for long descriptions.

As it is impossible to keep a full line of all Stamps constantly on hand, I would advise my customers always to send a supplementary order. Thus, if you remit \$1.00, make out an order for \$2.00 worth of Stamps, as I never substitute Stamps not ordered for others which I may not have in stock.

As I cannot hold myself responsible for **letters lost in transit**, I would advise Collectors to **register** all valuable letters. Postage is extra on all orders under \$1. Registration is extra on all orders.

GUARANTEE.—Every Stamp sold by me is guaranteed genuine, and when required a written guarantee will be given.

Remittances.—Please make all remittances by Check, Money Order, Postal Note, or Express Order, to the order

of **Henry Gremmel**, or in unused United States Stamps. Unused Stamps of any country taken in payment at the money valuation, except those countries which issue new Stamps almost every year and sell the remainder under the face value.

TERMS.—Net cash in advance. All orders will be filled on the day of receipt.

Sheets of rare Stamps and novelties will be sent on approval, to parties furnishing satisfactory references.

Exchange.—I am always willing to exchange Stamps from this list against other American Stamps, and can pay the very highest prices for rarities. The purchase of entire collections is made a specialty.

Auction Sales.—I am prepared to dispose of large collections of any country, at auction, and guarantee good results.

Commission.—Collections and Rare Stamps sold on commission, at a very low percentage.

New and Provisional Issues.—My correspondents are requested to send me Stamps to the value of \$5 to \$10, of any new or provisional issues which may appear in their country, and I shall remit the amount by return mail, allowing 30 per cent. commission, to be taken in Stamps, etc., selected from my lists, in case the Stamps are sent to me within 15 days of their issue.

PREFACE.

BY placing this small book in the hands of Collectors, the publisher believes that it will fill a long felt vacancy, as there is no Catalogue in existence which is as complete as this one ; and as the time has come when it is impossible for any one to accumulate a complete general collection, and as the majority of Stamp Collectors are bound to become specialists and collect only a few countries, for this reason I have published this Catalogue, as I believe that every American Stamp Collector should make a specialty of American Stamps.

It is useless for me to say anything about the book, as I have tried my very best to make it complete ; but should any errors be discovered, I would be thankful if my attention would be called to them, so that when the next edition will appear, it will be without errors and superior to this one.

The prices in the book are the real market values, on the day of going to press, of the Stamps. Those priced over \$10 are usually the nearest figures at which the Stamps sold at recent Auction Sales, and a correct guide.

As I make a specialty in dealing in American Stamps, etc., my stock is therefore one of the best ; and mostly all Stamps can be supplied excepting the great rarities ; but parties wishing any of those should place their orders in my hands, and I will procure them at the very lowest prices.

Yours in Philately,

HENRY GREMMEL.

The Post Office,

AN ILLUSTRATED PHILATELIC MONTHLY.

IT is safe to say that no paper which has been published in the past few years has so quickly sprung into public favor. Scarcely a few years old, it has a guaranteed circulation of over 3,500 copies per month, which can be verified at any time. No boasting figures have ever been used in regard to circulation. We have at various times circulated 10,000 or more of one issue, but we never claim that much circulation, as some rivals do. The literary portion of the paper has always been in competent hands, and while we have not bored the collector with long scientific articles, reading matter for advanced philatelists has been published and will be continued. As an advertising medium it is unexcelled, and many testimonials have been received from advertisers. The subscription price is low; the advertising rates are also within the reach of every dealer.

SUBSCRIPTION RATES.
