THE REVENUE STAMP ALBUM.

—:O:—

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain in a convenient and elegant form these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

EXTRACT FROM PREFACE.

In the present state of knowledge concerning revenue stamps it is simply impossible to make the book perfect, it would be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would, in that case, make it impossible to fill the Album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to him by their collectors, and there being no definite value or degree of value yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will arrive to the knowledge that they have some priceless rarities among their revenue stamps which, perhaps, have only cost them two or three cents.

Taking these facts into consideration, spaces have only been prepared for well known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide space for every stamp that has ever been issued by our own country, with the exception of beer, spirit, and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers collect them, sufficient blank pages have been left for their accommodation, and taking into consideration their large size they can be arranged with equal facility without the aid of lines.

—:O:—

THE AUTOGRAPH ALBUM.

Much has been said and written concerning the collection of autographs; many learned men maintaining that the hand writing is a sure guide to the character of the writer; be this as it may, it is certain that from the earliest authentic records of history to the present day, there has never been lack of diligent searchers after the signatures of eminent men, and none who has studied the subject, can doubt the historic value of narratives authenticated by the signatures of well-known characters, but it is not for this class of autographs that the present volume is intended, although if desired these can be pasted with good effect on the blank pages, but rather to contain a collection of the signatures of our friends and acquaintances, and thus, perhaps, be the means of preserving the hand-writing of many loved and lost ones, or at least help to pass many a pleasant hour amongst our friends by comparing hand writing and making guesses at character.

OPINIONS OF THE PRESS.

The best Philatelic Paper — "The Industrial American."

The largest, cheapest, and best work in the United States — "Mason's Coin and Stamp Collector's Magazine."

It is a nice thing, and we hope it will succeed and continue to flourish. — "The American Stamp Mercury."

Contains a vast fund of information even for the general reader, no collector can afford to be without it. — "Times."

This journal is ably edited, and is devoted entirely to the interests of Stamp Collectors, all of whom should have a copy. — "Northampton County Journal."

It is of decidedly superior appearance. The articles are readable and the illustrations much better than those generally found in American Publications. — "The Stamp Collectors Magazine."

Devoted to notices of new issues, answers to correspondents, original articles, etc., etc., and a wrapper containing advertisements, both from local and European vendors. We cordially wish it success. — "The Philatelist."

To Our Customers.

Reader, we presume you are a stamp collector, and as a collection of stamps without any knowledge of their history or the possessors but little or only a passing interest to an intelligent mind, we need no apology in calling your attention to the following catalogue of Philatelic publications:

The first requisite for a person desirous of forming a collection of stamps (postal or fiscal), is a descriptive price list, so that they may count the cost of the undertaking, and lay their plans accordingly; the next indispensable is an album in which to arrange their treasures, and it is of the utmost importance that a suitable one be selected, for it must be borne in mind that this is to last, if not as long as you collect, at least for a number of years, and any one who has had the trouble of arranging their collection, and the expense of replacing torn specimens, will see the importance of selecting a good album.

In these pages will be found, reduced, fac similes of leaves of some of the best albums, by which the amateur will be able to form a good opinion of the various styles. There is no album printed only on one side of the paper, published at a price less than \$5, therefore we should advise all who can afford it, to endeavor to get one of these, for besides the command and beauty of having their collection in a thoroughly good book; if ever they should determine to sell, they will be able to realize twice as much for their collection than if it were in a book printed on both sides.

Assuming you have a catalogue and album, by all means subscribe to some stamp paper, and obtain intelligent information concerning your favorite pursuit, for there can be but little interest in amassing a collection of labels the history of which you are totally ignorant of, we can assure you that independent of the knowledge which you will derive, which will enable you to buy scarce stamps from your acquaintances for a mere trifle, and detect counterfeits, and so save yourself being deceived; you will find more pleasure in receiving a copy of a paper containing interesting news about your stamps every week or month for a year, as the case may be, than you would for the same dollar expended in stamps, which would add but little to the number of your collection.

Photographic portraits of the different rulers of the world, and the brilliantly colored flags of the different nations, greatly add to the beauty and interest of any album.

Trusting these few remarks may be of service to you, and that you may long continue in the ranks of the stamp collecting army.

We are, respectfully yours,

THE PUBLISHERS.

THE COMMON SENSE POSTAGE STAMP ALBUM.

—:0:—

It has received the Highest Prizes wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp. It is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Decan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Island, United States Official, &c., &c.

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published.

Subscription \$1.00 Per Year. Single Copies 5 Cents.

"The special feature of the EXCHANGE AND MARKET is its columns of advertisements from private parties, which are inserted free, except a small charge of from 6 to 15 cents for rewriting and classifying. These advertisements, now averaging some three hundred new ones per week, relate to every description of property, from a used postage stamp to a \$50,000 house, and as the articles are offered directly by the owners without the aid of any middle men or advertising expenses, can usually be purchased for about half the regular cost or more often can be exchanged for surplus or unused articles in your possession. By the aid of this truly valuable medium you can sell or exchange anything, as is fully proved by the thousands of private parties who have made satisfactory exchanges or sales through its columns."

The reading matter is strictly confined to the useful and instructive. The articles on poultry, now running through its pages, are written by the very first authority on the subject in the United States, and are simply invaluable to any one keeping or eating poultry, and so with all other articles, they are all written by the very highest talent in their several departments.

Every stamp and coin collector should subscribe to the EXCHANGE AND MARKET. By the aid of this valuable paper amateurs soon get acquainted with every collector in the country, and easily effect exchanges of duplicates through its advertising columns. It also gives interesting stamp and coin articles, and chronicles new issues.

Scott's Common Sense Postage Stamp Album

NOW READY, THE FIFTH EDITION OF THIS JUSTLY CELEBRATED POSTAGE STAMP ALBUM.

Has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Isle, Spanish West Indies, &c., &c.

It is bound in the strongest manner, by the most skilful workmen, with the best materials. The following styles and prices now ready.

Boards, beautifully illuminated in black and gold, - - -	1.50
Half cloth, " " " " - - -	2.00
Cloth, gilt lettering, back and sides, - - -	2.50
" extra, heavy guards, clasps, &c., - - -	3.50
" extra, thick paper, - - -	5.00
French Morocco, gilt edges, - - -	8.00

And for sale unbound on four qualities of paper, or bound in any style to order. Post-free on receipt of price.

Dealers will find these albums sell best of any in the market, as they are extensively advertised as "for sale everywhere." For terms, which are very liberal, apply to J. W. Scott & Co

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publisher at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."

The Philatelist Album for Beginners.

A marvel of cheapness. Names of country over each page, room for 1440 Stamps.	
Flexible covers,	25c.
With description of every stamp, boards, half cloth,	50c.
Cloth, gilt lettering,	75c.
" " " with additional spaces for Revenue Stamps.	\$1 00.
