SPECIAL NOTICES.

TERMS: Net cash in advance. We cannot hold ourselves responsible for letters lost in transit.

All orders will be filled, as far as possible, on the day of receipt.

We are prepared to send selections of postal cards and letter cards on approval to parties in the United States furnishing satisfactory references.

Purchasers are particularly requested to give full name and address with every order.

Orders for less than twenty-five cents are respectfully declined and orders for less than \$1.00 must contain return postage.

REMITTANCES. Please make all remittances by check, money order, postal note or express order to the order of the **Scott Stamp & Coin Co., Ltd.**, or else in unused two cent stamps in strips of ten or more. With the exception of those countries whose currency is worth less than 100 cents U. S. currency to the dollar, unused stamps up the value of \$1.00 will be taken at face value in payment for orders from this catalogue.

Although our stock is larger than that of any other dealer in the world, it is still impossible to keep on hand at all times a full supply of even the medium priced cards. Therefore, in making remittances, orders should be sent to us for at least twice the amount remitted, so that the customer may be reasonably sure of receiving goods to the full value of the remittance made. We never substitute cards not ordered for others which may not be in stock.

CORRESPONDENCE. In English, French, German and Spanish.

ABBREVIATIONS. A.—Asia; AF.—Africa; C.A.—Central America; E.—Europe; N.A.—North America; O.—Oceania; S.A.—South America; W.I.—West Indian Islands.

Where no special color is given, it is understood that the card is buff. Where the color of a surcharge is omitted, it is understood to be black.

THEIR DATE OF ISSUE, COLOR AND VALUE.

Illustrated with Types of Cards.

AND GIVING THE PRICES, USED AND UNUSED, AT WHICH THEY CAN BE OBTAINED OF THE PUBLISHERS.

THOROUGHLY REVISED AND CORRECTED.

The numbers in the first column will serve to facilitate ordering from the Catalogue; thus, if you wish to order a United States Card, 1873 issue, 2c blue, your order may read as follows:

thereby doing away with the necessity of long descriptions. The second column indicates the number of the illustration in the Catalogue; the third the nominal or face value, and the fourth the color of the stamp on the card, the fifth, our price for an uncanceled specimen, and the sixth, our price for a cancelled or used one.

When the color of a card is expressed in italics it indicates the color of the card, other than buff.

The folding of double or reply cards is indicated as follows:

181 Approval Sheet Department.

This Department is now under the special management of the well known philatelist, Mr. John N. Luff. Since he has taken hold of this portion of our business, it has increased enormously. We now have books and sheets adapted to the wants of all classes of collectors, containing stamps from one cent to several hundred dollars each. They are divided as follows: 50 per cent. discount, 25 per cent. discount, 10 per cent. discount and net. The net selections consist entirely of the rarer classes of stamps. By means of books of special countries and divisions of the globe, we are enabled to send to collectors selections of anything they may specially require.

The books are arranged according to varieties of paper, shade, perforation, etc., and our enormous stock enables us to offer a better selection in this way than any other house in the business.

We are also prepared to send to advanced collectors Albums and collections of stamps on approval. This affords an excellent opportunity to select and place stamps without the trouble of studying them and their location in the album, and will be found of great assistance to those collectors who have not a large amount of time to devote to the pursuit.

Our approval sheets will be sent to all responsible parties who are known to us or who may send satisfactory business reference or a deposit. All minors, or persons under age, must furnish a guarantee from their parents or guardians.

The discounts quoted herein do not apply to orders from our catalogue.

A CATALOGUE FOR ADVANCED COLLECTORS,

—OF—

Postage Stamps, Stamped Envelopes and Wrappers.

COMPILED FROM THE MOST RECENT AUTHORITIES AND INDIVIDUAL RESEARCH.

BY

HENRY COLLIN AND HENRY L. CALMAN.

THIS WORK, which we are publishing in monthly instalments in the AMERICAN JOURNAL OF PHILATELY, is already acknowledged by all European and American authorities to be the BEST THAT HAS EVER BEEN ATTEMPTED.

As published in the JOURNAL it is the most complete work of its kind that has ever been published, but after the Journal has appeared, each month, we are enabled, through the kindness of collectors, to make many corrections and additions to which our attention is called.

By these means it has been possible to make the Catalogue almost perfect, and realizing, also, that it will be a great inconvenience for collectors to be forced to have four or five volumes of the Journal constantly at hand, in order to use the

Catalogue for Advanced Collectors,

we began some time ago to print the revised and corrected matter in book form. We are prepared to receive subscriptions for the entire work, to be delivered in parts for

\$15.00 payable in advance.

It is printed in quarto form with large margins for additions and annotations and will be delivered in parts of from 70 to 80 pages.

We are making a special feature of the engravings of plates of stamps containing varieties and our productions in this direction are unequalled.

Eleven installments, from Afghanistan to South Bulgaria, and covering over 900 pages, are ready for delivery.

 Sample pages may be had on application.

Tongs for Handling Stamps.

These are invaluable to collectors for handling rare stamps; the old practice of picking up stamps with the fingers is very apt to soil or tear them, and has resulted in the loss of many a fine specimen. As they are made of the best nickel plated steel, they can be put into water without rusting and can thus be used when soaking stamps.
