P R E F A C E .

In presenting to our friends and the Stamp collecting public in general the fifth edition of our catalogue, we take this opportunity to thank our numerous patrons for past favors, and hope that in filling orders with the same care and promptness as heretofore, we shall merit a continuance of their patronage. For this edition we have catalogued the Stamps by their respective dates of issue, thinking this method preferable to the one used in previous editions. We have also catalogued such differences in shade and perforation that are distinct varieties, leaving it to the individual taste of philatelists to collect the minor varieties. Our illustrated list of U. S. locals is the most complete that has ever appeared in a price catalogue, and we hope that it will be the means of familiarizing collectors and others with the appearance of these Stamps for which we are willing to pay nearly the full retail value, having paid last year as much as \$150 for one of them. We hope that the publication of these facts will stimulate those who have old letters stowed away to make active search for these rarities. We also call the attention of collectors to our list of Peruvian provisional and local Stamps, of which we can at present supply most of those catalogued and priced, and would strongly advise collectors, who are desirous of completing their collection of this country, to buy them now, as undoubtedly a great number of these provisionals and locals will become very rare, if not unobtainable in a short time.

In conclusion, we wish to add that notwithstanding the great pains we have taken to make this catalogue as complete as possible, there are undoubtedly some errors and omissions in a work of this magnitude. We will be very thankful to receive any information which may enable us to make the necessary corrections in our next edition. Hoping that this catalogue will meet the favor of all interested in the collecting of Postage Stamps, is the sincere wish of

THE EDITORS.

SPECIAL NOTICES.

Collectors ordering stamps from this list should be careful to attend to the following:

The first number is the number of the stamp, by which it can be ordered; then comes the date when the stamp was issued, number of cut which illustrates this stamp, original value of the stamp and color; then the price, unused and used. If you wish to order an unused Angola 5 reis stamp, price three cents, your order should read as follows:

ANGOLA, No. 1, 3 CENTS.

Nothing more nor less. A printed list of wants accompanies this catalogue; if collectors will fill it out according to directions no mistakes can possibly occur. As it is impossible to have a full line of stamps constantly on hand, a list of wants should be sent amounting to double the amount of money you may send. For instance, if you wish to order \$1 worth of stamps send a list of wants amounting to \$2. Money sent for stamps not in stock will be returned, unless otherwise ordered.

H. C. & Co. are not responsible for letters lost in transitu.

GUARANTEE.—Every stamp we sell is warranted genuine, and a written guarantee will be given whenever desired.

TERMS.—Net Cash in advance. No discount can be allowed from our prices, which will be found as low as *genuine* Stamps can be sold. Our *net* prices, taken as a whole, as herein mentioned, are lower than the prices of other dealers even when 25 or 33 $\frac{1}{3}$ per cent. are deducted from their prices. Our large foreign correspondence enables us to offer Stamps to collectors "first hand," without any intermediate profit. *Unpaid Letters* are invariably refused.

Sheets of *rare stamps* and *novelties* sent on approval to parties furnishing satisfactory references. No special sheets made up of Stamps catalogued herein. All orders attended to the same day as received, without fail. All letters of inquiry must contain stamp for reply.

All kinds of Foreign Stamps taken in exchange for Stamps offered in this list. *Rare Stamps* and collections bought for prompt cash. Persons having rare Stamps or collections they wish to dispose of should, in sending them, always state the lowest price they will accept and enclose return postage. No offer of Stamps unless accompanied by price wanted will receive consideration.

AUCTION SALES.—H. C. & Co. are at all times prepared to dispose of large collections of stamps at auction in New York City, and liberal advances made on such collections. Having the addresses of over 5,000 collectors of stamps on our books we can guarantee good results.

All orders by mail receive the same prompt and careful attention as if the Stamps were selected in person.

Full addresses should accompany each communication. Valuable letters should be registered.

Remittances should be sent per P. O. Order, Banker's Draft, Bank Notes or per Registered Letter. Small amounts, in unused current stamps, cards or envelopes. For Foreign bank notes we allow generally the rates as quoted for each country in this catalogue.

ABBREVIATIONS, &c.—After the name of each country come the following abbreviations: *A.* (Asia); *Af.* (Africa); *E.* (Europe); *N. A.* (North America); *S. A.* (South America); *O.* (Oceanica); *W. I.* (West Indies).

In some cases Stamps are printed in black on colored paper, and then the color of paper only is specified, for instance: Baden No. 1, instead of saying "1 K. black on buff paper," it reads "1 K. buff p." (buff paper).

Stamps priced in heavier type we only have occasionally in stock.

Orders for Stamps amounting to less than One Dollar must contain return postage.

Wanted, any kind of official Stamps, but especially Executive, State, Navy, Justice, Agriculture, old U. S. envelopes, U. S. and Confederate locals, private Stamps, South, Central American, West Indian, African, Asiatic and Australian.

Foreign correspondents will greatly oblige us, whenever there is a provisional issue in their respective countries, to send us from \$2.00 to \$5.00 worth of them. By return mail we will remit cash, allowing 30 per cent. commission to be taken in Stamps from list.
