Cassa in Voraus mit allen Ordnern.

Porto extra bei Bestellungen unter M5.

Auftraege ueber M20.—versenden wir franco eingeschrieben in seltenen officiellen Couverten.

Wir haben nur solche Sachen offerirt von denen wir bei Ausgabe dieser Liste reichliches Lager haben. Sollten dennoch einzelne Stuecke vergriffen sein, so returniren wir stets den dafuer gesandten Betrag in baar, wenn nicht etwa ein Reserveauftrag beigefuegt ist, was natuerlich sehr wuenschenwerth ist.

Zahlungen werden am besten in deutschen Cassenscheinen oder ungebrauchten Marken (fuer kleinere Betraege) geleistet und rechnen wir DIE MARK ZU 24 CTS.

Ein Vergleich wird zeigen, dass unsere Preise mit den billigsten concurriren und besonders in unsern Specialitaeten, den Pacific Laendern von keiner andern Firma auch nur annaeherd erreicht werden.

ALLE PREISE SIND REIN NETTO.

Falls eine Referenz fuer unsere Reellitaet noethig erscheinen sollte so bemerken wir, dass wir Mitglieder des Internationalen Postmarken Haendler Vereins in Berlin sind; Unser Herr W. S. ist ausserdem elfjaehriges Mitglied des Dresdener Vereines und war waehrend drei Jahre der erste Obmand des so grossartig aufgewachsenen Dublettenaustausches genannten Vereines.

Entendemos el IDIOMA ESPAÑOL bastante bien y tendremos mucho gusto en recibir comunicaciones y pedidos de colectores en países en que se usa el español, pero preferimos escribir nuestras cartas en inglés o alemán.

Nous comprenons assez bien LE FRANÇAIS, et nous serions toujours très contents de recevoir des communications dans cette langue. Mais nous préferons à écrire nos lettres en anglais ou en allemand.

Approval ∴ Sheet

DEPARTMENT

Tens of thousands of clean and well arranged Approval Sheets containing stamps from all parts of the world, in over 8000 varieties, are continually kept ready to be sent out to any responsible party. The discount allowed on these sheets is as follows:

50

PER
CENT

ON SHEETS containing only clean specimens of stamps from all countries, arranged by prices from 1c to 4c, each inclusive.

Many dealers give this large discount, but generally on stamps only that are by mistake catalogued far above their value, or on stamps marked considerably higher than catalogue prices.

Since we have now once offered this rate, we challenge any dealer in this or other countries to show as good a value as ours for the same price.

40

PER
CENT

ON the same class of sheets from 5c to 20c. Both of these classes contain many real bargains, and no stamps are marked above Scott's 55th Catalogue.

33¹/₃

PER
CENT

ON SHEETS ARRANGED BY COUNTRIES. These sheets, owing to the great assortment of all kinds of stamps on them, are best adapted to fill vacant spaces. An especially fine assortment of South American, old European, British Colonies, Hawaiian and other desirable stamps are to be found on these sheets.

20 PER
CENT

ON UNITED STATES STAMPS. In these sheets the demand is always much larger than the supply, and therefore we can only send them out to regular and good buyers from our other lines of sheets. For other and new customers we will fill want lists with the understanding, always, that anything not satisfactory can be returned within one week after receipt.

Deposit or good references must accompany all orders from parties not known to us. Postal cards will not be considered. Parties who want to see Approval sheets only from curiosity, or who intend to buy if they find \$1 stamps for 10 cents, or whose available funds are less than 25 cents, are respectfully requested not to prey on our time, but leave this department alone.

An Vereine, Vereinssectionen und Zweigvereine sowie an private Sammler mit wirklich guten Referenzen machen wir gerne huebste auf Bogen oder in Heften arrangirte.

AUSWAHLSENDUNGEN

In unsern Specialitaeten zu netto Preisen oder zu 25 per cent Rabatt.

Preise sind in Mark und Pf. angesetzt. Da Hin—und Ruecksendung lange Zeit in Anspruch nimmt, bitten wir nur solche Reflectanten sich an uns zu wenden, die bei wirklich billigen Preisen auch gut zu entnehmen gedenken.

Leicht beschaedigte Europa—Raritaeten sind oft aeusserst billig am Lager.

PACKAGES

It is about 18 months since we introduced our package

“EL PACIFICO”

During that time we have sold considerable over 1,000 of this single package in its different subdivisions, and at present two out of every five European letters bring orders for this, our leader. Its phenomenal success has encouraged us to devote a great portion of our rapidly increasing stock to the arrangement of a large series of similar packages, a short description of which we give below.

Most of the packages are subdivided so as to be adapted to the size of any pocket book. The majority of the specimens represented in the lower grade package, will also be found in the higher grades of the same kind.

We have given specific names to these packages, and shall endeavor to make them, in the variety and condition of the stamps, more than the equal of similar packages offered by other dealers. Our ambition is to make

SELLSCHOPP'S PACKAGES

favorably known the world over.

“ STAMP HOSPITAL ”

In every large stamp business there accumulates from the purchase of collections and lots of loose stamps a quantity of stamps that are slightly damaged—too much to be sold for good specimens and too little to be thrown away. Many of them with a little skill and trouble can be mended so as to hardly show any defect. Stamp dealers are busy people and have no time to devote to mending. This is the reason we offer this class of goods at less than one-tenth of the catalogue price.

- II** 100 different stamps damaged in various ways. **\$1.00**

BLANK ALBUMS

For advanced collectors and specialists, we have prepared a handsome Album containing 100 leaves of highly finished pure white Bristol board with a tasteful border. Each leaf has a linen hinge on an entirely new plan, allowing the leaves to set properly when the book is opened. Each hinge is punched three times (instead of twice as in other productions.) This arrangement does away with the unsightly screws on the outside of cover, as in these books a strong silk string fastened inside the cover is the only thing necessary to make a finely bound volume out of the loose leaves.

Price of cover (cloth bound with morocco back and edges) and 100 leaves, \$6.50, expressage extra. Sample leaf, post free, 7 cents.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored reduced fac-similes showing style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the nation instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages, (to the Collector) over any other we are acquainted with, which consists in the facts that there is only one Flag to each country, more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in Albums, as they can use them instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in six colors on very thin paper for Albums.

PRICE ONLY 25 CENTS.

THE COATS OF ARMS OF THE WORLD.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library study.

As a guide to determine the nationality of foreign coins or postage stamps (most of which bear the insignia of countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

The cut herewith shows a reduced uncolored fac-simile of the Coat of Arms of Russia.

Printed on fine thin paper for Albums.

Price 50 Cents.

The above three Sets for \$1.00.
