The fourth volume of this indispensable publication to collectors will commence in January, 1877. All new issues, forgeries and varieties are noted therein; notes of special interest to collectors and dealers and many advertisements which will well repay any one to peruse. Subscribers to the fourth volume are entitled to receive, *free of cost*, either a copy of the eleventh edition of the *Postage Stamp Catalogue* and supplement of over 500 illustrations, or, on payment of 25 cents extra for postage, a complete file (3 numbers), of the *American Stamp Mercury*. Annual subscription, within the United States and Canada, 50 cents. All other countries, 3 shillings sterling.

THE FIRST THREE VOLUMES

Of "THE MONTHLY STAMP CIRCULAR," will be sent to any address within the United States or Canadas, post free, on receipt of \$1.80, or abroad on receipt of 10 shillings. Purchasers of them will receive, *free of cost*, one dollar's worth of stamps selected from a list to be sent by purchaser.

POSTAGE AND REVENUE STAMP ALBUMS.

A full descriptive list of these will be sent to any address, on application enclosing 3 cent stamp.

REFERENCES.

As many collectors have been victimized by unscrupulous scoundrels calling themselves stamp dealers, who usually trade under fictitious names, or with long-sounding titles taken in imitation of incorporated companies, and have thus become weary of purchasing by mail, I beg leave to state that I can, if necessary, refer to collectors in nearly any city, town or village in the United States, or any of the principal cities in the world.
