JUST PUBLISHED.  
**THE GLOBE STAMP ALBUM.**

Edwards, Peeke & Co. take pleasure in offering this work to collectors. It is of the favorite, oblong shape, size,  $8\frac{1}{2} \times 5\frac{1}{2}$  inches, handsomely bound in cloth, lettered on side, sprinkled edges, etc. The interior arrangements have been carefully prepared by an amateur of many years experience, who has introduced several desirable features hitherto only to be found in the more costly albums. It contains illustrations of rare stamps, guards between leaves, a Handsome Frontispiece, and spaces designed for the reception of nearly 4,000 stamps, including those issued to the most recent date, with ample room left for future emissions. These latter facts are worthy of particular attention, as many Albums that are being largely retailed at double the price, do not provide for one quarter of the stamps at present in existence.

**PRICE, POST FREE, \$1.00.**

**THE CROWN POSTAGE STAMP ALBUM.**

Strongly bound in cloth, spaces for over 2,400 stamps, spaces for new issues, such as Eastern Roumelia, Bosnia, Tobago, Labuan, Christiansund, etc. On every page are illustrations of rare stamps, also a great deal of useful information on the geography of every stamp issuing country, population, reigning sovereigns, standard coinage, etc. No Album containing all these advantages has ever been produced at such a price.

**POST FREE, 90 CENTS.**
