Selections on approval, &c.

I have a large and varied stock of good British COLONIAL and FOREIGN STAMPS in books according to country.

These books have been arranged and classified, special attention being paid to all varieties of colour, watermark, perforations, plate No., etc., etc.

I shall be pleased to send books as above, or to make up selections of Rare Stamps and submit same on approval.

A good stock of Rare Stamps in fine condition always on hand, especially those of the early issues of the English Colonies, and from time to time I have for sale some of the Rarest Stamps existing.

I shall be obliged if advanced collectors and specialists would send me particulars of their requirements.

Frequently I have in stock collections containing from 2,000 to 10,000 varieties, which I shall be pleased to forward on three or four days' approval to collectors desiring same. All stamps in these collections are priced singly.

Correspondents unknown to me who desire to have books or selections of rare stamps on approval, must accompany application with references.

I do not send out common approval sheets. Books of Medium stamps are sent on receipt of references, while collectors who desire common stamps are referred to pages 15-19, where a variety of suitable packets will be found.

New Issues.

Special arrangements can be made for collectors desiring new issues which will be put aside as received, and supplied at a small fixed per centage on face value; all such stamps may be taken, or they will be supplied in certain groups and also with limits as to denomination, etc., thus making a most economical method of collecting; explanatory circular on application.

In ordering, please give the number and price of each set.

All are in good condition and genuine.

Sets marked * are unused, and those † used.

Postage 1d. extra.

ONLY A FEW SETS OUT OF MY LARGE STOCK ARE QUOTED ABOVE, as I am constantly making additions to them, not only in new issues, of which I make a speciality, but in obsolete and scarcer series, as they are from time to time acquired.

Orders are sent the same day as received.

Important.—In the case of Colonial Sets, the series quoted are for single or “multiple watermark” stamps, whichever are current at the time. A special price list, giving separate prices of unused King’s Head Colonial Stamps, with single watermark, is issued from time to time, and will be sent upon application, post free.
