Important Notice.

All advanced albums, such as the "Imperial," etc., contain spaces for the following varieties, and this list is arranged in what is considered the simplest form for easy reference. Stanley Gibbens' 1903 catalogue number is placed against each stamp, and it will at once be seen what a vast difference in price exists in nearly every case. All are fine picked copies and postmarked unless described otherwise. Terms are nett cash with order, unless customers are already known to me. 5%, 10% and 15% discount off orders amounting to £2, £5 and £10 respectively. All orders are executed same day as received.
