# APPROVAL SHEET DEPARTMENT.

---

I would call the especial attention of collectors to my APPROVAL SHEETS, which on account of my enormous stock, are unequalled in variety and price by any other dealer.

This is one of the best methods to buy stamps, as collectors can inspect the stamps before buying. My sheets comprise over 8,000 varieties, and, although I price my stamps very low, in some instances below catalogue prices, and allow from

## 25 TO 50 PER CENT. COMMISSION,

besides I give a valuable Premium stamp FREE with each remittance of \$2.00 or over at one time, usually consisting of one or more stamps, worth about twenty per cent. of amount remitted. I have over 5,000 names of persons who have received my sheets and have opened accounts with 1,000 to 3,000 agents almost all of the year round; during the busy months the number sometimes reaches 4,000 to 5,000.

Rare Stamps, valued at from \$5.00 each and upward, will be sent to advanced collectors upon receipt of good reference.

I do not allow 50 per cent. discount on such rare stamps, but still allow enough to make prices very reasonable.

## CHEAP STAMPS FOR BEGINNERS A SPECIALTY.

I have every facility to supply the wants of the beginner, and my stock of cheap sheets is simply enormous.

My prices compare favorably with those of other dealers, being in many cases lower, although my discounts are as large.

Orders for packets, sets, albums etc., should not be written upon the blank formulas sent out with each lot of sheets, but must be written plainly on a separate piece of paper, with full name and address of sender. It is only by strict adherence to this rule that orders can be filled without delay.

Returns for Sheets must be made within ten days after receipt. Collectors or agents who desire to retain them longer should inform me by postal card, explaining the delay.

Remittances should be made in unused U. S. Stamps of 1 or 2c (latter preferred) denominations for amounts under fifty cents, while larger amounts should be sent by Post Office Money Order, Express Money Order or Draft. Personal checks for small amounts are subject to 15c each for collection. Bank notes may be sent safely by registered mail; but by all means do not send Silver.

All valuable letters are sent by registered mail, and I request my agents to return them in the same way, otherwise I will not be responsible if lost.

If my patrons will observe the above rules, they will never find reason for complaint, as I give prompt and careful attention to every one, whether his returns are large or small.
