DEALERS !

Your attention is respectfully called to the latest useful Novelty in the Philatelic trade, known as

Wood's Sale Statements.

These Statements are designed to aid the dealer who circulates Approval Sheets by saving time and trouble.

The following explains its use:

EXPLANATION.

In sending out an assortment, the dealer enters the numbers and values of the sheets in columns provided for that purpose, and the consignee or agent in making his report enters the amount taken from and returned with each sheet together with the amount remitted and his commission and discount.

The Sale Statement is a neat and handy agent's report, and should be used by every Approval Sheet Dealer.

Samples and prices furnished on application.
