PREFACE.

 AT last after a great deal of trouble, and a good many trials and difficulties we have succeeded in bringing out what may well be termed an IMPERIAL STAMP DIRECTORY. It will be found to contain the addresses of over two hundred stamp dealers and collectors, besides a list of stamp publications and other information very valuable to all who are in any way connected with stamp collecting. Patronize our advertisers they are all reliable business men. All the names are perfectly genuine, and those in *ITALICS* we especially recommend. Hoping it may serve the purpose for which it was intended, we take great pleasure in signing ourselves as the

Public's most obedient servants,

THE PUBLISHERS.

CANADA AND UNITED STATES DEALERS.

The names in *Italic* are those we can specially refer you to as being Prompt Honest. and Reliable -Ed.
