GAMBS,

Stamp Dealers Directory

CONTAINING THE ADDRESSES OF

Over 200 Reliable American

Canadian Stamp Dealers.

PRICE, 15 CENTS.

Published by E. F. GAMBS,
ST. LOUIS, MO.

SCHROBACK & CO., BOOK AND JOB PRINTERS, 118 North Third Street.

PREFACE.

We take pleasure in presenting this, our first issue of the Stamp Dealers' Directory, to the philatelic world. It is true that it is small, but it was not intended to be a large work, but to bring within the reach of every reader a work which contains the addresses of dealers in stamps, which we can recommend as prompt and honest business men (or perhaps boys would be nearer the point,) parties whom they can patronize without one thought of suspicion and who bear honest characters, our aim having been to omit the names of all irresponsible parties and dealers in counterfeits, all such being entirely excluded.

The arrangement will be found as perfect as possible. The towns and cities running alphabetically followed by the names in like order.

In conclusion, we take this opportunity of expressing our sincere thanks to those who have kindly assisted us in preparing this enterprise, and also to our advertisers for their kind and liberal patronage, which we hope will be returned them fourfold by the reader.
