The Boston Stamp Book,

contains features which appeal to every one who is interested in stamps. Some of these are:

Notes on Minor Varieties. The best notes of the kind to be found anywhere.

Notes on New Issues, brightly written and really interesting reading, altogether apart from the interest one feels in the stamps mentioned.

Notes on the Market, telling what stamps are selling for at auction and otherwise.

Original Articles on various philatelic subjects, almost all about stamps and not merely about stamp collecting.

The BOSTON STAMP BOOK is now running more paid advertising than any other philatelic journal in America. Have you tried it? Eight dollars a page.

The BOSTON STAMP BOOK never clips articles from other philatelic papers. Everything in it is fresh and new.

My stock of these stamps is large. U. S. revenues were not in demand three years ago, in fact few would look at them. Now they are the "fashion." History repeats itself, and this applies to stamps. My list gives you prices, and they sell.
