## GREETING.

In presenting this, the Directory of Kentucky Philatelists, I do so feeling that it will meet with the approval of the philatelic press and public. While Kentucky is not blessed with as many collectors as some of her sister States, still she is proud of what she has. I do not put this little book before the public saying that it contains the names of *all* the collectors in this State, for, I dare say there are a few I did not get.

Thanking the gentlemen who have aided me in the preparation of this book and hoping that in the years to come our cause may continue to thrive, I remain

Faithfully,

HOWARD BURBA.

## **Louisville Philatelic Society.**

The Louisville Philatelic Society was organized by H. C. Fromman, now an honorary member residing in Cincinnati. Mr. Nicholas Adler is at present the President, Mr. C. Underwood Secretary and Mr. F. W. Hahn Chairman Standing Committee. All are business men and excellent gentlemen in every respect. Through the efforts of the Secretary the Society is in possession of a goodly number of photographs of rarities. This society is a branch of the S. of P. and a branch she may well feel proud of as the Society numbers among its members some of the most prominent citizens of Louisville

The Society admits members from out in the State and we feel safe in saying that it would be to the interest of every collector in the State to unite himself with this Society.
