I N presenting this directory of Nebraska Stamp Collectors to the public, I do so hoping it will benefit not only the collectors whose names appear herein, but Philatelists generally. The second edition contains 1,100 names, twice as many as the first, and is thoroughly revised and corrected to Dec. 1, 1898. Of course some errors will creep into such a book as this, but I have striven to make it the best ever issued, and do not think many will be found. Frauds have been eliminated wherever known, yet I cannot say that none are listed.

I wish to thank the collectors and dealers who have done much to help me, and hope the public will consider this book kindly.

A Hens Nest

Is most interesting when full of eggs. Just so with a collection of stamps, the nearer complete you have a country the more interesting it becomes. If you have blank spaces in your album—which every collector has—you should try to fill them up as fast as possible by sending us your "want list" and allowing us to quote you some remarkably low prices on what you need. We are continually receiving lots and collections to dispose of, and may have just the stamps you have been looking for in vain for a long time. We are making a specialty of Omaha stamps and can supply your wants at lowest prices. We also buy collections and lots of stamps and pay best cash prices. If you are thinking of selling, you should not fail to write to us first.

Learn to Stuff Birds

Learn Taxidermy

Learn To-Day!

BECAUSE SUCCESS IS GUARANTEED FROM THE START! Because the work is pleasant as well as profitable. A Collection of Birds is both Beautiful and Valuable. Birds, Animals, Fish, Reptiles, etc. may be preserved, with little trouble, as records of the day's chase.

Boys, Girls, Men and Women can do nice work from the start and can become **Expert** in one week. Mounted birds find a ready sale, besides you can make money teaching your friends. Every school should have a collection of native birds and animals.

TAXIDER is a compound of wonderful embalming power. It is not necessary to skin birds or animals when using **Taxider**. Birds when mounted with **Taxider** become as hard as stone, and will last a thousand years undisturbed by moth or time. No tools required excepting those that everyone has.

One Box Taxider is enough to mount 30 birds the size of a quail, with full instructions for mounting everything. Also instructions for tanning skins for rugs, etc. Price \$1.00. Liberal discount on large orders.

—SEE WHAT ONE MAN SAYS—

TACOMA, Wash., Aug. 9, 1898—Mr. F. L. Ackley. I received the box of **Taxider** some time ago, it works fine. I have just finished mounting a beautiful swan. I have already a nice collection of birds, and a class of seven boys. It is really wonderful how it works. The very first bird I mounted was a success. Please find enclosed money order for one dozen boxes. Please rush as I am in quite a hurry. Thanking you for past favors, I remain truly yours, J. H. Flanders.

I have letters like this from hundreds of people and all are having success. Send for a box to-day. You can learn in one hour. Remember success is guaranteed from the start. Liberal discount to agents. **Taxider** is manufactured by:

NEBRASKA YOUNG PEOPLE.

We wish to call your attention to the merits of the Nebraska Philatelic Society. This is the only important stamp society in the West and is worthy of the support of all Nebraska stamp collectors. It is one of the few live philatelic societies now in existence and is the largest state society extant. Members are accepted from any part of the state. Members receive monthly the "Philatelic West," which is the official organ of the Society. This paper is everywhere conceded to be America's representative stamp paper. This alone is worth the yearly dues. Then we have a good Exchange Department under the able management of Rollie Neumann of Wymore, and a splendid Library. The Auction Department affords an excellent means of disposing of your duplicates. There are also other useful departments. You get all this for 25c a year and 10c initiation fee. LAUGH

and the world laughs with you. My foreign friends who send me from 50 to 500 well mixed stamps from their country will laugh when they receive such good value in return. I answer all letters and always give as good or better value than received. I supply foreign dealers with Omaha's at lowest wholesale prices. Send list of wants and get my price. Correspondence in English only.
