THE CALIFORNIA... PHILATELIC.....
☆☆☆ADDRESS...BOOK.

1896.

PREFACE.

WE TAKE pleasure in presenting to the Philatelic Public, believing that it is the only work of this kind that has ever appeared from this state; our directory. The ads contained herein are all reliable, as are the collectors named, as far as we have been able to learn. The book is sold as cheap as possible, inasmuch as they have cost us, on an average, 10 cents, our only profit coming from the ads. The book is in no way complete; there are many collections, (and good ones, too,) the existence of which is known only to their owners.

We are indebted to several persons for names we could not easily have secured otherwise, and wish to thank them for their assistance. — The Publishers.
