2.

Prices on all unused stamps, after and including the issue of 1864-71, are for those with original gum, unless otherwise noted, and in general for first quality stamps, but any not entirely satisfactory can be returned within 10 days and money will be cheerfully refunded.

All stamps guaranteed genuine.

Special note will be made of stamps not in stock, which will be procured as promptly as possible.

I shall be pleased to quote prices on sheets, blocks, pairs, varieties, errors, etc., if in stock.

For the guidance of collectors an endeavor has been made to price everything, whether in stock or not, but in many cases it has been impossible to obtain any information on which to base a quotation.

Letters of enquiry and orders under fifty cents must contain stamp for return postage.

All prices are net, subject to change without notice, and previous quotations are hereby cancelled.

Cash must accompany all orders.

Sums under one dollar may be remitted in unused two cent postage stamps, and sums over that amount by postal or express order, or bank draft, but personal checks on out of town banks cannot be accepted, unless exchange be added.
