Soeben erschienen. — Die dritte Auflage (1891) des

„Philatelic Album“

(Philatelistischen Albums)

eines neuen Albums für vorgeschrittene Sammler.

Diese neue Auflage enthält mehrere wichtige Verbesserungen, die infolge vergrößerter Erfahrung für nützlich gehalten wurden, und die auch wirklich den Wert dieses Werkes zum Gebrauch noch bedeutend vergrössern; dasselbe besteht aus unbedruckten Blättern.

Es eignet sich ebenso für Postkarten, Fiscal-Marken oder Ganzsachen.

Es kommt häufig vor, dass Sammler diese Klasse Bücher benützen, welche nicht speziell zu diesem Zwecke hergestellt und daher unpassend sind oder viel teurer. Alles, was Erfahrung für wünschenswert halten liess, wurde berücksichtigt, um es zum Gebrauch selbst für die vorgeschrittensten Sammler brauchbar zu machen. Besonders eignet es sich auch für Sammler, die ihre Marken etc. nach »Evans's Handbook« (Evans Handbuch) oder »Lockyer's Colonial Stamps« (Lockyer's Colonial-Marken) oder einem sonstigen guten Muster-Werk (einschliesslich unseres eigenen Katalogs) anordnen wollen. Jedes Blatt ist nach einem neuen System mit doppelter Leinwand im Buche befestigt, und um die symmetrische Anordnung der Marken zu erleichtern, sind sie mit einem nur halbsichtbaren, leichtpunktirten Netzwerk versehen. Die Zahl der Blätter beträgt 100, welche nur auf Einer Seite bedruckt sind. Die Blätter können aus dem Album entfernt werden, so dass es leicht ist, neue Anordnung oder Uebertragung in zwei oder mehrere Alben auszuführen.

Soeben erschienen. — Die dritte Auflage (1891) des

„Philatelic Album“

(Philatelistischen Albums)

eines neuen Albums für vorgeschrittene Sammler.

Diese neue Auflage enthält mehrere wichtige Verbesserungen, die infolge vergrößerter Erfahrung für nützlich gehalten wurden, und die auch wirklich den Wert dieses Werkes zum Gebrauch noch bedeutend vergrössern; dasselbe besteht aus unbedruckten Blättern.

Es eignet sich ebenso für Postkarton, Fiscal-Marken oder Ganzsachen.

Es kommt häufig vor, dass Sammler diese Klasse Bücher benützen, welche nicht speziell zu diesem Zwecke hergestellt und daher unpassend sind oder viel teurer. Alles, was Erfahrung für wünschenswert halten liess, wurde berücksichtigt, um es zum Gebrauch selbst für die vorgeschrittensten Sammler brauchbar zu machen. Besonders eignet es sich auch für Sammler, die ihre Marken etc. nach »Evans's Handbook« (Evans Handbuch) oder »Lockyer's Colonial Stamps« (Lockyer's Colonial-Marken) oder einem sonstigen guten Muster-Werk (einschliesslich unseres eigenen Katalogs) anordnen wollen. Jedes Blatt ist nach einem neuen System mit doppelter Leinwand im Buche befestigt, und um die symmetrische Anordnung der Marken zu erleichtern, sind sie mit einem nur halbsichtbaren, leichtpunktieren Netzwerk versehen. Die Zahl der Blätter beträgt 100, welche nur auf Einer Seite bedruckt sind. Die Blätter können aus dem Album entfernt werden, so dass es leicht ist, neue Anordnung oder Uebertragung in zwei oder mehrere Alben auszuführen.

Duplicate Postage Stamp Album

Diese verbesserte Auflage ist derart eingerichtet, dass sie sowohl für den allgemeinen, als den Spezial-Sammler passend ist.
