THE EIGHTH EDITION OF THE BOOK

RARE COINS OF AMERICA

AND

FOREIGN COUNTRIES.

ILLUSTRATED.

Contains a complete list of, and prices paid for, rare American, Gold, Silver, Nickel, Brass, Tin and Copper Coins, also a list of Fractional Currency, Colonial, Continental and Confederate paper money, a list of Counterfeit, U. S. Treasury and National Bank Notes, Canadian Bank Notes and how to detect them. The market value of Foreign Coins and Bank Notes, also the Mint reports for 1793 to 1882.

Rare Canadian Coins and Tokens

Minutely Illustrated and Priced.

Important Change in List of Foreign Coins.

The entire List of Foreign Coins (except the Canadians), which appeared in the previous editions, has been thrown out and in its place I have inserted 30 beautiful half tone plates made from the original coins, giving a comprehensive illustration of foreign coins from 700 Before Christ to modern times. By each illustration will be found the price, marked in plain figures, at which it sold at public auctions.

The book has about 220 pages and some 800 illustrations, and is sold:

In Paper Cover at \$1.00

Bound in Full Cloth, Gilt Edges, \$1.50.

A FEW WORDS WITH COIN
 COLLECTORS.

It has been a conceded fact that there is just as much pleasure in fishing without a bite, as trying to collect coins without **THE NUMISMATIST**. We have published thirteen consecutive volumes of what all admit to be the best illustrated coin magazine on the face of the earth, and the only one on this, the best half of it.

Dr. Disbrow, of Newark, N. J., says that he has spent many a dollar foolishly, "but the one he annually sends for **THE NUMISMATIST**, returns with a harvest of reward."

J. B. Holmes, of Bloomington, Ill., writes on Nov. 16, 1900, that "your illustrated article on Queen Anne's farthings, in current issue, is well worth a year's subscription." We have hundreds of such, but the proof of the pudding is the partaking thereof.

Enclose 10 cents for sample copies, or one dollar for an annual subscription, and have your happiness insured a whole year. Volume XIV begins with 1901.
