SPECIAL NOTICE!

Our Revenue Price List is the most complete of its kind ever issued by any dealer. Our prominence in this line of business makes us especially familiar with these beautiful specimens of the printer's art, and the accompanying list contains many varieties, shades, and difference in paper, etc., unlisted in the standard catalogues. The new varieties of imperforated Revenues that we now list were in every instance seen by us, either in pairs or with such ample margins (in single copies) that no doubt whatever could be entertained by the most captious critic as to their genuineness. The prices given are net, and are for fair average copies. Extra fine stamps bring a higher price, whilst we frequently have copies that we can sell at a considerable reduction from our list.
