# APPROVAL TRADE.

---

The system of sending to collectors upon approval stamps mounted upon sheets and in books has been very much abused by both dealers and collectors. We wish to state our rules and regulations in regard to this department of our business very plainly:

**ACCOUNTS OPENED BY MINORS MUST BE APPROVED AND GUARANTEED BY PARENTS OR GUARDIAN.**

All stamps that we forward by registered mail must be returned to us **REGISTERED**.

Correspondents are expected to pay return postage, registration and cost of draft or money order.

Coins must not be sent by mail, on account of the danger of loss through breaking the envelope, or theft.

Canada silver will not be accepted. Canada currency is 2 per cent. discount, and unused Canadian stamps 5 per cent. discount.

The most desirable form of remittance is express or post-office money order.

Unless you have an open account or are known to us, good business or bank references are required.

---

## Our Approval Stock.

---

We have classified books of stamps from almost every country in the world. Our specialty is the stamps of the American Continent, and therefore the books of these stamps are naturally more complete. Customers are requested to give us some idea of what they want, specifying what country or countries are wanted, whether they prefer used or unused, and about how high-priced stamps they buy. These particulars will assist us in suiting them.

**DISCOUNTS ON ABOVE CLASSIFIED BOOKS** are made in accordance with the country and class of stamps. Most of these classified books are priced at prevailing catalogue prices, from which 25 to 50 per cent. is allowed.

**SHEETS FOR AGENTS.**—We have a large and varied stock of Miscellaneous Approval Sheets for Agents and Collectors who are not very far advanced.

**50 Per Cent. Discount.**—Our 50 per cent. discount sheets contain a wide range of stamps, from 1c. to \$5.00 each, from every part of the world, and are highly recommended.

**25 Per Cent. Discount.**—The stamps on the 25 per cent. discount sheets are of a much better class, including some really scarce stamps—British Colonials, Provisionals and New Issues.
