P R E F A C E .

In presenting the following List to collectors of Postal Cards and others who have not yet taken up this interesting branch of Philately, I will say, that it is not a complete Catalogue but a Price List of such cards only as I have in stock at the time of issue, December, 1890; hence I have abstained, in order to economize space, from minute descriptions of varieties, and have given instead, in addition to my order numbers, in first column, the corresponding catalogue numbers of Bogert and Watson, in second and third columns.

These Catalogues should be in the hands of every Collector and may be obtained from me at the publishers' prices. (See foot of Price List.)

The Cards of Austria, 1890, Eagle type with greek border, which I have admitted in my list with " ? " have not been issued, and it is not likely that they will be, having been superseded by the new design, September, 1890.

In noting the Form of Reply paid Cards I have followed the method adopted by Mr. George H Watson, in his excellent descriptive Catalogue of Post Cards, thus :

T 3,	Folded at top,	face of reply card	on Third page,
T 4,	" "	" "	Fourth "
L 3,	" left,	" "	Third "
L 4,	" "	" "	Fourth "
R 3,	" right,	" "	Third "
R 4,	" "	" "	Fourth "
B 3,	" botton,	" "	Third "
B 4,	" "	" "	Fourth "

In regard to the Postage on Packages of Postal Cards I beg to call the attention of Collectors to the following ruling of the P. O. Department which applies to the United States, Canada and Mexico :

WASHINGTON, D. C., September 3, 1890,

MR. A. LOHMEYER,
Baltimore, Md.

SIR :—Your letter of yesterday received. The ruling of the Postoffice (at Baltimore) as to the rate of postage on old Stamped Envelopes and Postal Cards bearing written addresses is correct. All such matter is subject to the *letter rate of postage*, whether it be sealed or unsealed, and whether the writing be in the nature of personal correspondence or not.

The Envelopes and Cards submitted with your letter are herewith returned.

Yours very respectfully,

A. D. HAZEN,
Third Assistant Postmaster General

CATALOGUES.

A Complete Descriptive and Price Catalogue of Post Cards, first edition, March, 1889, published by R. R. Bogert & Co..... Price 25 cents.

Catalogue of Post Cards, Letter Cards, etc., of Europe to October, 1889, minutely describing every known variety, compiled and published by George H. Watson..... Price \$1.00

HOW TO MOUNT POSTAL CARDS.

Having been frequently asked by collectors as to the best and cheapest mode of mounting Cards, I take pleasure in giving herewith the method which I have adopted for my own

collection. As cards are issued in a variety of shades, from a pure white through all the different tints of buff, rose, blue, green, purple to a dark slate or gray, I have chosen as a receptacle for them a black Bristol Board (not a glazed card board) 9x13 inches which cuts 5 to a sheet without waste. For a border I have ruled a double line with white ink, and for a heading another single line, about an inch from the top, i. e., the narrow 9 inch side. The name of the country is written in this space, also with white ink, and should be done in plain script, as neatly as the collector's pen will permit.

The Sheet is now ready to receive the Cards which must, of course, be arranged in the order of their issue, and mounted in the following manner :

Take a No. 2 heavy, white, high cut pay envelope, seal the flap and cut off the four corners as large as the size will permit, leaving only a diamond in the centre as waste. You now have four pockets. Take two of them and slip them over the two lower corners of the card to be mounted, and paste the pockets, (not the card itself) on the Sheet, leaving about an inch of space between the top of the Card and the white line. The second card is treated in the same manner and should be placed high enough to cover the pockets containing the first card. A sheet of the size named will hold 5 or 6 cards. To the left of the cards the years of issue may be written in white ink.

A collection, mounted in this manner, if done neatly, presents a very attractive appearance and the outlay is very small, as the Bristol Board, which cost from 10 to 12 cents per sheet, can be bought as required.

The advantage of these loose, unbound sheets over an Album or Scrap Book can be readily seen, as new sheets can be added whenever necessary and placed in regular order for any future issues.

A. LOHMEYER.

P. S.—If you are not a subscriber to "The Post Card," a leaflet devoted exclusively to Postal Card collecting, do not delay sending in your subscription. The price is nominal, only 15 cents per year. Address "The Post Card" P. O. Box 85, Roselle, Union Co., N. J.

This ruling does not affect the mailing of unused cards at printed matter rates.

Notwithstanding the increased cost of mailing, I will forward all orders, amounting to \$2.00 and over, free of Expense to the purchaser: under that amount Collectors will please add postage at the rate of 2 c. for 8 cards, if used.

In sending orders from this list, it is only necessary to give name of Country, order number and price, thus, for Austria 1876, 2 kr., brown, unused: Austria 9. 4 c. All orders must be accompanied by remittance and will be filled by return mail.

Cards not satisfactory can be exchanged, if returned within one week.

Collectors in Foreign Countries will please provide for Letter rate of Postage (Registration, if desired 10 cents) otherwise Cards will be sent in unsealed Packages.

Foreign Bank notes received at current market rates. Correspondence in *English, German, and French.*
