## OUR CATALOGUE.

---

In presenting this, the first edition of our Catalogue, we beg that you will pass lightly over the errors and imperfections that may be found herein and treat this our first attempt at compiling, with forbearance and charity. We have aimed at a complete list of the Revenue Stamps of the United States, barring beer, cigar, liquor, snuff and tobacco stamps; how far we have fallen short we leave for you to determine. Our effort is certainly the best we could put forth with the facilities at hand. This catalogue is designed mainly for the "common run" of collectors and omits the w'm'k, old paper, rouletted, etc., etc., varieties, as these are only collected by the comparative few while we aim at benefitting the many.

Trusting you will receive this little work in the same spirit as it is given, we remain,

Fraternally Yours,

F. J. STANTON.
