Special Notices to Correspondents.

- 1.—Correspondents are particularly requested to notice the following Rules; by so doing, they will prevent a great deal of disappointment in the execution of their Orders. On all orders for single stamps from this list exceeding £1, I will give a discount of 5%. On orders exceeding £5, 10%. This concession applies only to single stamps, the prices per 10 being strictly net.
- 2.—REMITTANCES.—Remittances must in all cases accompany Order, which may be made as follows: Post Office or Postal Orders, Banker's Draft or Bank Note at the current rate of Exchange. Small amounts may be made up of unused stamps of LOWEST current value, except St mps of Canada and Continental Countries, which will in no case be accepted. Twopence extra for registration should be enclosed, if required, as I do not, under any circumstances whatever, hold myself responsible for letters, parcels, &c., lost in transit either from me or to me.
- 3.—Correspondence in English and French only.
- 4.—Special Notice to Correspondents Abroad.—It being prohibited by the postal authorities to send stamps by Book Post to Countries in the Postal Union, a sufficient amount must therefore be sent in all cases to cover the cost of letter-rate to those countries (excepting always those places where a Parcel Post has been established, and when the parcel exceeds 1lb. in weight it would be advisable to send the stamps by that medium), as the Post Office absolutely refuses to take stamps sent by Book Post to Countries in the Postal Union, and they are returned to sender if found in the mails. If sufficient postage by letter or parcel rate is not enclosed the stamps will be sent by letter rate, UNPAID. The attention of Correspondents is therefore particularly directed to the above notice.
- 5.—Wholesale Parcels or Sheets of Rare Stamps sent on approval against deposit or satisfactory English References.
- 6.—The price of this Catalogue is Ninepence, post free. Those Correspondents therefore who desire it, should enclose the necessary amount in unused stamps of the lowest value, or 10 notice whatever will be taken of their application.
- 7.—I shall always be glad to receive some stamps of each of any new issue unused when any should appear, and a quantity of Provisionals or surcharged stamps especially desired, on which a commission of 25% at least will be given, and for all rarities a premium will be given. Correspondents abroad are specially desired to send some of each of any new issue when they appear. Surcharged and Provisional Issues especially desired in quantities not over £2. Good prices given for all rarities. Large Lots of old issues and Government remainders also purchased for Cash. Exchange List, giving the prices at which I exchange stamps, will be sent as soon as ready on receipt of 3d. in stamps. It is now in preparation, and will be duly announced when ready in the *Philatelic Journal of Great Britain*. It is particularly requested that Correspondents will be good enough to send me an assortment of every new issue directly they appear. I give a liberal Commission above face value on all issues, and in the case of Provisionals, a special Premium will be paid according to the rarity of the issue.
- 8.—Letters must in all cases be prepaid, or they will be invariably refused. Business conducted by post only. Letters requiring a reply must contain sufficient postage for return, or they will not be attended to, and those containing coin must be registered. Orders above 20s. are sent in registered envelopes, all others not registered unless 2d. for that purpose is sent. Agents wanted in Schools, Colleges, &c., and abroad. Good Commission. **ORDERS AMOUNTING TO LESS THAN TWO SHILLINGS RESPECTFULLY DECLINED.**
- 9.—Although my stock is very large, it may happen that some goods may be sold out at the time of ordering; it is therefore advisable to send a supplementary list to avoid disappointment, otherwise cash will be returned, if desired. Some of the stamps mentioned in this List have been advised, but have not yet come to hand. Correspondents when ordering are kindly requested to note this. All stamps in this List are, however, easily procurable, and orders for the same will be booked, and the stamps sent immediately they arrive. This also applies to stamps that may for the time being be out of stock.
- 10.—Good Collections of 1000 varieties and upwards purchased for cash, providing they are sent on approval with lowest cash price, and sufficient postage for return if not approved of.
- 11.—Customers having rare duplicates should send them on approval. Best cash prices will be given, or they may be exchanged against stamps from my sheets, or from this List. N.B.—No common stamps need be sent.
- 12.—As I have always in stock a number of the Rarest Stamps, advanced Collectors are respectfully solicited to send a list of their wants for quotations, which shall receive the best attention. Plate-marks, water-marks, and minor varieties also kept in stock. Commissions taken for the London Periodical Stamp Auction Sales. Terms Moderate. Catalogues sent on application. Collectors wishing to secure Rarities for their collections as they may be offered for sale are invited to send a list of their wants and prices they are willing to pay. Stamps of the rarest kind being continually sold by auction. Collectors wishing to purchase collections complete are invited to make application for same.

The attention of Correspondents is *particularly* directed to paragraph 9.
The prices quoted are for *Cash in Advance only*.

Opinions of the Press.

MR. BROWN'S ETCHINGS.—Mr. William Brown, of Salisbury, has sent us a set of examples of his Etchings, a series of which he is publishing in illustration of his own beautiful Cathedral City, Canterbury, Edinburgh, and other picturesque scenes. The precincts of Sarum supply excellent subjects for the Etcher's needle, notably the two gates (Exeter Street and High Street), which Mr. Brown has reproduced with much artistic feeling. Then there is a delicious "bit" in the picture of the old sculptured and many niched Christchurch Gateway at Canterbury, with its time-worn, crumbling aspect, very felicitously rendered in the engraving before us. A good contrast, on the other hand, is afforded in the stern drawing of the Canongate, Edinburgh, and the lonely grandeur of his Stonehenge.—*The Bookseller*.

SOME NEW ETCHINGS OF SALISBURY.—Mr. William Brown, of Salisbury, to whose Etchings of local objects of interest we have frequently referred to in terms of praise, has issued several additional prints, which will be found very pretty and seasonable presents for those wishing to give their friends some memento of the ancient and picturesque city of Salisbury. These new Etchings include admirable views of the Old George Inn, the Joiners' Hall, and the Old House in Minster Street, now occupied by Mr. Carter. The plates are carefully and artistically executed, and excellently printed on India paper. Another etching gives in an effectively arranged group, six views of the Cathedral, the Canonry, the Training College, Mrs. Hussey's House, and Old Gate Place, in Castle Street. The Etchings, which are as cheap as they are pretty, are published locally by Messrs. Brown and Co., The Canal, Salisbury. They are issued separately, or in case with four other earlier Etchings of the series.—*Salisbury and Winchester Journal*.

NEW PRINTS.—Mr. Brown's "Eight Etchings of Salisbury" (Salisbury: Brown) is published at six shillings, and contains some clever and taking work; "The Joiners' House," "The George Inn," and

"The Old House in Minster Street," are perhaps the best of the set, but "The High Street Gate," and "St. Thomas' Church" will have plenty of admirers, and a good deal might be said for Mr. Brown's view of "The Cathedral."—*Art Journal*.

We have received from Mr. William Brown, of Castle Street, Salisbury, a series of really charming Etchings, delineating the ancient City and Cathedral of Salisbury. There are also to be obtained, from the same publisher, four views of the older parts of Edinburgh, and an excellent Etching of Christchurch Gateway, Canterbury.—*The Artist*.

Mr. Brown, a local artist, has selected for illustration some of the most notable relics of antiquity in the old Cathedral town, and although his etchings vary in excellence, they all display power and force of expression, while some are very delicately finished.—*Pall Mall Gazette*.

"A Series of Etchings of Salisbury," by Mr. W. Brown, Salisbury, comprise several meritorious views of old houses and churches in that city, but they are somewhat heavily etched and printed. Apart from these defects, which are not considerable, the prints are well worth having. We prefer the "Six Views of Old Houses and the Cathedral," as comprising some capital etchings of desirable subjects. "Joiners' Hall" deserves much praise; it is full of colour, and shows a crisp and firm touch, and the taste and tact we miss in Mr. Bird's etchings of Glasgow. Perhaps the best etching is that of "St. Thomas' Church," most excellent, but a little heavy.—*Athenaeum*.

Mr. Brown, of Salisbury, has published "Eight Etchings of Salisbury," which contain some clever and taking work. They include "The Joiners' House," "The George Inn," "High Street Gate," "St. Thomas' Church," "Old House in Minster Street," and a Plate called "Salisbury," made up of vignettes. They are all beautifully executed.—*Llangollen Advertiser*.

THE 10 PACKETS FOR 31/6.

XI.—THE "IDEAL" PACKET.

This Packet, containing 1000 varieties, is the finest Packet we have ever placed before our friends and customers. In character it is similar to our old No. 60 Packet, which was so great a favourite, and the success that Packet met with has encouraged us to still further improve it and add to its many advantages. It now contains stamps never before placed in this Packet, many very fine and obsolete varieties. To give a complete list of its contents, or even a large portion, would be impossible, for the best stamps will be continually changed; but to let our customers have some idea of the stamps that will *always* be found in it, we append a list. Many others of a similar nature will also be found, and often much rarer varieties. It is very different from No. 58, which is our ordinary 1000 variety Packet, as it contains a great many scarce varieties that are never found in this Packet. Besides which, we give away to *every* purchaser of this Packet, a *magnificent* postage stamp album, bound strongly in cloth, containing over 700 pages, with about 2,500 engravings of stamps and 100 coats of arms, and also giving geographical, statistical and historical notes upon every country. The size of this album is 12 inches by 9 inches, and nearly 2 inches thick. To every fifth purchaser we will present a stamp, catalogued at not less than 10/-. Purchasers not wishing to have the album with the Packet can select 6/- worth of stamps from our list. This is, without doubt, the finest offer ever made, and we feel confident that it will give universal satisfaction.

The following is a list of some of the more prominent varieties in this Packet:—Bamra, Bolivar, Bolivia, British Guiana (surcharged), Bulgaria (rare provisional), Cape of Good Hope (surcharged 2½d.), Ceylon (pence issue), Cochin China, Corea, Cuba (1 peseta), Falkland Islands, Tangier Fez,

Honduras (complete set of 1878), Italy (complete set of Segnatasse, 1c. to 10 lire), Liberia (Official), Madagascar, Martinique (set of 6), Mauritius (surcharged), Nicaragua (set of 1891, Official), Paraguay (Official), Panama, Porto Rico (set of Baby King), Rajppeepla, Salvador (set of 1890), Seychelles, Siam (rare surcharges), Sarawak (surcharged), Straits Settlements (rare provisional), New South Wales (laureated head), Ponte Delgada, Ecuador (surcharged Official), Negri Sembilan, Pahang (tiger) Johore (head of Sultan), Obock (surcharged), Uruguay (provisional).

The Price of this Packet, with Album, is Two Guineas.

THE SECOND EDITION OF

THE PHILATELIC ALBUM: A New Album for Advanced Collectors.—Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made. It is to meet this want that this

Album is published, and all that experience can suggest has been carried out to make it worthy the use of even the most advanced Collectors, and adaptable to any arrangement that may be desirable. Each leaf is linen-jointed, giving strength to the page and allowing the leaves to set properly when the book is opened. A narrow marginal border embellishes each page. With this exception the leaves (150 in number) are perfectly plain, and printed on one side only, on a very fine quality white hard paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. **AN INSPECTION IS DESIRED.**

Prices.—A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 30/-, carriage extra. Under 11lbs. can be sent by parcel post. B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action lock and key clasp; packed in a box, 50/-, carriage extra.

Spare blank linen-jointed leaves can be had, 1/9 per doz., or 2/3 per doz. if with gilt edges, post-free, abroad extra. A sample leaf sent for 24d., post-free.

Offices:—36, HIGH HOLBORN, W.C.

NOW READY.

THE "IDEAL" PERFORATION GAUGE,

THE BEST, MOST RELIABLE, and in every way the most convenient perforation
gauge ever invented.

The Publisher claims for this Gauge many advantages which the present
Gauges do not possess.

It is portable, being of a convenient size to be carried in the breast pocket.

It is accurate, every gauge having been carefully measured, and the gauge itself is printed from an
engraved copper-plate.

It has two sets of gauges, vertical and horizontal, on the same card, by which plan the perforations of
stamps arranged in Albums on the hinge system can be measured without taking them from the book. This
is an advantage that can be claimed by few, and being printed on stout cardboard will not easily crack. In
this respect, it is superior to those printed on thin paper or any transparent substance. It will not cockle,
and damp has but little effect on it.

It has twenty different gauges, from 7 to 16½, and includes 7½, 8 and 8½, not often found in gauges now
before the Philatelic public, but which are required more especially for some of the Japanese and Turkish
stamps.

Each dot is bisected by a small vertical line thus: ●● By this arrangement, accurate measurement is
guaranteed.

In conclusion, I venture to assert that it is the best Perforation Gauge ever placed before the Philatelic
public, and is in every respect as its name implies—

The Philatelic Microscope

THIS instrument, specially constructed and beautifully finished by the most skilful workmen, to meet the needs of Philatelists, has charmed all who have seen it. The stamp under inspection is held flat between two glasses, so that it may be leisurely and closely examined by means of the high power magnifying lens, which is readily but firmly adjusted to the needful focus. Now that stamp forging has become a fine art, such an instrument is a *sine qua non* to every collector. By its means the minutest difference in engraving, design and texture of paper may be detected, the relative positions of surcharge and postmark, over the other, are at once decided, and as a forgery detective it will save its cost a hundredfold in a few weeks. It has been supplied to and received the approval of Messrs. Whitfield King & Co., Mr. William Brown, the Scott Stamp Company, and other leading firms and collectors.

SPECIAL NOTICES.

THE date of issue of the *Philatelic Journal of Great Britain* is now the 10th of the month, and advertisements, to ensure insertion, should be in the hands of the Publisher and Business Manager, Mr. William Brown, of 139, Castle Street, Salisbury, by the last day of the month. Advertisement rates are given elsewhere. Subscribers in any part of the world receive the Journal post free for 3s. 6d. per annum. In all cases the subscriptions commence with the first number of the current volume. Both

SUBSCRIPTIONS AND ADVERTISEMENTS

should be sent to the Publisher, who, it must be clearly understood, reserves to himself the right to refuse any advertisement tendered, and without furnishing any reason for such refusal. London Advertisers, who may find it to their convenience to do so, may leave their orders and instructions, and intending Subscribers similarly circumstanced, may deposit their subscriptions, with Mr. Percy C. Bishop at our New London office, No. 171, Queen Victoria Street, London, E.C., where any information, concerning either the *Philatelic Journal of Great Britain* or its monthly supplement, the *Philatelic Review of Reviews*, will be cordially furnished. All

EDITORIAL COMMUNICATIONS,

letters, or literary contributions, books or catalogues for review, and, in short, everything bearing upon the literary department of the paper, should also be sent to Mr. Bishop, at the address given above. Letters for insertion under the heading of "Correspondence" are cordially invited. Literary contributions of exceptional philatelic value will, in all cases, receive careful editorial consideration. But the return of rejected contributions cannot be guaranteed, unless the manuscript be accompanied by a fully addressed, stamped envelope.

TO OUR CONTEMPORARIES,

who desire to be criticised and quoted in the *Philatelic Review of Reviews*, we would repeat our request that they send three copies every month, receiving in exchange three copies of the Journal and Supplement. Two copies of every magazine should be sent to the Publisher at Salisbury, and one copy to the Editor at the London office.

What our Contemporaries think of "THE PHILATELIC JOURNAL OF GREAT BRITAIN" and "THE PHILATELIC REVIEW OF REVIEWS."

"When such a magazine as THE PHILATELIC JOURNAL OF GREAT BRITAIN continues to maintain its high standard of excellence, it is difficult to find words month after month with which to do it justice. We can truthfully say that the collector who does not read it regularly misses the best thing of the month in that line. . . . THE PHILATELIC REVIEW OF REVIEWS is a department that is peculiar to this journal alone, and is the greatest bit that has been made by any philatelic publication of late years. We have not the space to review

this magazine in the way that its excellence deserves. It is beyond doubt THE stamp paper of the day."—*Philatelic Era*, May, 1892.

"THE REVIEW OF REVIEWS gets more valuable every month, and is probably the most useful production of any stamp paper extant."—*Philatelic Chronicle*, September, 1892.

"THE REVIEW OF REVIEWS needs no review. It has come to stay."—*American Philatelist*, June, 1892.

"We have no intention of attempting so complicated a proceeding as a review of THE REVIEW OF REVIEWS, but will only remark that it seems to fulfil satisfactorily the task assigned to it, giving very fair comments on the principal Philatelic journals, both English and foreign."—*Monthly Journal*, February, 1892.

"THE PHILATELIC JOURNAL OF GREAT BRITAIN ranks as the best of our foreign contemporaries, and is well worthy of patronage. Its unexcelled REVIEW OF REVIEWS is worth the subscription price alone."—*Detroit Philatelist*, September, 1892.

"Our contemporary has been steadily improving each month in its review; the critiques are smartly written, the articles well selected, and (*crede experto*) now furnish an agreeable hour's reading every month."—*London Philatelist*, July, 1892.

"THE REVIEW OF REVIEWS this month is as large as an average philatelic paper usually is, 16 pages, and the contents of all leading stamp papers are impartially reviewed and commented on in a highly creditable manner."—*The Stamp*, September, 1892.

"THE PHILATELIC JOURNAL OF GREAT BRITAIN is the prince of European journals, and is invaluable to a stamp collector."—*The Southern Philatelist*, September, 1892.

"THE PHILATELIC JOURNAL OF GREAT BRITAIN is as good as ever."—*Canadian Philatelist*, June, 1892.

"THE PHILATELIC JOURNAL OF GREAT BRITAIN is a fine paper, and every American collector should be a subscriber to it."—*Eagle Philatelist*, January, 1892.

"THE PHILATELIC JOURNAL OF GREAT BRITAIN is without doubt the most progressive and enterprising journal published on the other side."—*Philatelic Journal of America*, August, 1892.

"By far the best Philatelic magazine we ever see is THE PHILATELIC JOURNAL OF GREAT BRITAIN, in connection with which is published the PHILATELIC REVIEW OF REVIEWS."—*Philatelic Era*, March, 1892.

"The May number of THE PHILATELIC JOURNAL OF GREAT BRITAIN is well in front of every other stamp paper as far as useful information goes. . . . It is quite unnecessary to say a word in praise of the PHILATELIC REVIEWS OF REVIEWS; it speaks for itself, and is evidently conducted by a man who knows his work."—*Philatelic Chronicle*, June, 1892.

"Brown's PHILATELIC JOURNAL OF GREAT BRITAIN (with the attached REVIEW OF REVIEWS), is to hand, and we must confess that it is in every respect a great success."—*Washington Philatelist*, No. 3.

"The matter in Brown's PHILATELIC JOURNAL OF GREAT BRITAIN is of the same high grade as usual. . . . We are proud of this journal."—*Washington Philatelist*, No. 5.
