# NUNN'S DIRECTORY.

21st Edition.

## PREFACE.

THREE different styles of type are employed for printing the names in the List of Dealers in this Directory. The names in SMALL CAPITALS are those of firms who have returned our Enquiry Form, and they, with the Advertisers, may perhaps be taken as representing the really "active" section of the stamp dealing community in the United Kingdom. The names in the black "De Vinne" type are those of advertisers whose announcements appear in this edition. It will be found that they include many of the best known and most reliable firms of the day, and we would respectfully bespeak for them our readers' careful perusal and a liberal share of their patronage.

The names in ordinary Roman type are those of Dealers who have failed to return our Forms. We have to assume that when the Forms addressed to them are not returned by the Post Office, the dealers are still in business. Some of the Forms reached us without any name or address or other indication of the senders; and such were, of course, useless.

Of the names contained in the last Edition, nearly forty have been removed as "Gone Away," etc., and a large number of alterations have been made in addresses. In addition, about fifty new names now appear for the first time.

We tender our cordial thanks to all who have helped in any way in the production of the work, and are always grateful for any advice or suggestions calculated to improve the DIRECTORY.

## STAMP COLLECTING AS AN INVESTMENT.

**I**F your collection is to be an investment for the future you must purchase in the right market. To purchase stamps offered at a fraction of catalogue value is almost invariably to lose. In most cases these are only offered low as the market is flooded and prices soon drop. It is only necessary to compare most of the special offers and so-called bargains of the past season, and the present prices at which they can be purchased, to see the folly of throwing away money in this manner—many stamps catalogued as high as £1 each being given away by small dealers as a means to tempt collectors to get their approval sheets.

**ON THE OTHER HAND.** to get stock books of countries and compare prices enables collectors to form a much better idea of value. Our stock books are by now too well-known to require much description and we are anxious for comparisons. We sell thousands of pounds annually from these books to dealers, and if they can afford to pay our prices and make a profit, collectors cannot do better than send for the stock book of their favourite country and see for themselves.

Our stock books are oftener re-made than those of any large dealer, and

**We hold one of the Finest Stocks in England,**  
and are always purchasing and adding to this.

### “ B & K ITEMS.”

This is published at intervals during the season and gives account of recent purchases, special offers, clearance lots, etc., etc., and is invaluable to serious collectors

We will place your name on our free mailing list on receipt of a card.

## OUR 1909-10 COLONIAL CATALOGUE

will soon be ready. All collectors should have a copy. Free on application.

(Close to the Temple Station on the District Railway).

**T**HESSE Sales are attended by all the principal known Collectors and Dealers, and afford the best means of disposing of collections and rarities, the prices obtained being most satisfactory to owners. It is advisable that owners desirous of obtaining special days of sale should communicate as early as possible, as the dates are being rapidly filled up.

Owing to the large number of applications that the Auctioneers receive from America and the Continent for their Catalogues, they are issued, when practicable, one month before the date of Sale. In order to facilitate this arrangement, owners intending to include Stamps should forward them at the earliest possible moment. The greatest care is requisite in the preparation of these Catalogues, so that a correct and comprehensive description of the Stamps may be given.

Messrs. VENTOM, BULL & COOPER beg to announce that their dates for the ensuing Season are as follows:—

## The Stamp Buyer's Guide.

UNDER this heading we give, for the guidance of our readers, brief notices of the principal specialities offered by some of the Advertisers in the present Edition of the DIRECTORY. We regret that, owing to the pressure on our space, it is not always possible to notice all the Advertisers, but every effort is made to include as many of them as possible. There is an increase in the number of Advertisers who have availed themselves of the DIRECTORY as a medium for their announcements this year; and apart from that fact our advertisement pages will, we think, be found especially interesting.

**Messrs. HENRY ABEL & Co.**, of Whitstable, are a well-known firm, and the portrait sketch of Mr. E. Abel-Aston, the principal, which appeared in *Endle's Philatelic Circular* of January last, aroused widespread interest.

**Messrs. ABELOOS & Co.** have opened business at 44, Great Queen Street, Kingsway, London, W.C.

**Mr. T. C. APPLETON**, Ben Rhydding, the publisher of *Appleton's Weekly*, is open to purchase good stamps for cash.

Some interesting offers of rare stamps are made by **F. W. BRANDON & Co.**, of York, in their striking full-page advertisement, to which we would invite special attention.

**Mr. W. BERRY**, of Parson's Green, is making an unusually tempting offer of a cheap packet. He issues a monthly bargain circular for dealers.

**Messrs. BRIDGER & KAY**, one of the most progressive firms in London, are celebrated for the high quality and low prices of their stamps. Their Colonial Catalogue is in preparation, and is forwarded free.

**Mr. LEONARD BRAND** is a buyer of wholesale lots and single rarities, for which he offers prompt cash.

Our old friend, **Mr. S. F. BICKERS**, of Cork, is specialising in Philatelic Literature.

**Messrs. CAMPBELL & Co.**, of Glasgow, have incorporated the well-known business of Miss C. B. T. Campbell, late of Chorley, Lancs.

**The CARTER PUBLISHING Co.**, Formby, Liverpool, have a characteristic worded announcement of *Carter's Monthly Record*, which should be in the hands of all collectors who would be considered up-to-date.

**The CHAMPION STAMP Co.**, have a large Agency connection, and shopkeepers and others would do well to obtain their terms and quotations.

To **EWEN'S COLONIAL STAMP MARKET** belongs the distinction of putting forth this year the most enterprising advertisement scheme ever known in **NUNN'S DIRECTORY**. Their "reiterated" announcement speaks for itself, and we doubt not that our readers will show their due appreciation of it in a substantial manner.

**ERRINGTON & MARTIN**—names "familiar to our ears as household words"—never need introduction to a philatelic audience. They always "keep" their customers—that is to say, if the customers are of the sort worth keeping!

**The FEDERAL STAMP Co.** now have an office at 161, Fleet Street, where they are making a strong bid for support. They supply publications, mounts, and all collectors' accessories.

**Mr. FREDERICK GUTHRIE** has opened a stamp dealing and auctioneering business in Glasgow, at 19, Waterloo Street. He has already favoured us with some of his Sale Catalogues which contain many tempting lots. He has a wide philatelic experience, and an extensive stock of all the best stamps.

**Mr. T. H. HINTON'S** popular book, "*Hints on Stamp Collecting*," is still "going strong," and has proved its value to many a young collector—and not a few older ones as well.

**The HONOR OAK PARK STAMP Co.** owes allegiance to **MR. DOUGLAS MCINTYRE**, whose portrait appeared in *Endle's Philatelic Circular* last April. **MR. MCINTYRE** also trades under his own name and is the proprietor of the **RISCA STAMP AND PHILATELIC PUBLISHING COMPANY**. He is one of the most enterprising and tireless of workers, in fact, quite a philatelic genius, as his several announcements in this *Directory* show.

**Mr. J. W. JONES**, of London, occupies a "commanding position" on our front cover page. He is one of the leading dealers in the kingdom, and both buyers and sellers approach him with confidence and the assurance of satisfaction.

**The KENT STAMP HINGE Co.** are wholesale makers of mounts and all philatelic accessories.

**Mr. H. W. LAWRENCE** is offering a very fine line of Approval Selections.

**The LONDON PHILATELIC Co.**, of Hemel Hempstead, are large buyers of stamps of all countries.

**Mr. VICTOR MARSH**, the leading "literaturist," has a comprehensive stock of philatelic literature, valued at £1,000.

A portrait sketch of **MR. LEWIS MAY**, of the firm of **L. MAY & Co.**, appeared in the July issue of *Endle's Philatelic Circular*, and the picture of the firm's premises at King William Street, Charing Cross, is very familiar to all readers of the *Directory*.

We are proud to have our kinsmen of the great Australian Commonwealth represented this year by the announcement of **Mr. T. H. NICOLLE**, of Sydney, who is one of the leading dealers in the world. He has "extraordinary bargains" in Australian stamps, and British dealers will do well to secure copies of his Special Price Lists.

**Messrs. R. NIXON & Co.**, of Shrewsbury, sell a number of cheap packets, and **CHARLES NISSEN & Co.**, of London, publish the *Stamp Collectors' Annual*.

**Mr. W. H. REGAN** has removed his business from 51, Queen's Road, Bayswater, to No. 124, in the same thoroughfare. He is well-known as a dealer in coins as well as stamps.

Another removal is that of **Messrs. H. ROSS-SHIELLS & Co.**, from Surbiton, to 4, Eldon Street, London, E.C. They have cheap Wholesale lines for dealers.

**The AUCTIONEERS** utilising our advertising space this year include **Messrs. HARMER, ROOKE & Co.**, who appear on two separate pages. Our *Philatelic Circular* of October last contained a portrait sketch of **MR. ERNEST HARMER**, whose progress as an auctioneer has been well maintained during the past year. His firm needs no recommendation to customers who have already dealt with them, but we may mention that although their Sales in 1906 totalled 16,398 lots, the largest number recorded, yet since then they have steadily increased up to 20,276 lots for last season. Many large collections have been put on the market by this firm, and dealers' stocks running over £1,000 have been disposed of.

**Messrs. VENTOM, BULL & COOPER** were the originators of Stamp Auction Sales in the United Kingdom. Their record is one of which any firm may well be proud, and the same may be said of **Messrs. PUTTICK & SIMPSON**, who have again arranged a comprehensive programme of Sales for the forthcoming season.
