Although we have advertised this packet for a number of years and have sold over 300 of them, we are now giving better value in it than ever before, as may be seen by the following list, including many varieties and stamps not usually found in such packets: Argentine, high value: Bolivar, 1877; British Guiana provisionals, Confederate, 1861; Costa Rica officials; Ecuador revenues used postally; Mexico, over fifty varieties, including some rare; Nicaragua general issue and officials, 1890, 1c. to 10 pesos complete; Samoa; Travancore; Tolima, 25c. 1886; India provisional; Salvador, 1890, 1c. to 1 peso, complete; Hayti, provisional and new issue; U. S. 1851, 1861, 1869, 1870, 1872, 1888, including some 30c. and some 90c. values, and Agriculture, Navy, Justice, Treasury, Interior, War, Dues, etc. In addition to all this we give with each packet an album worth \$1.50, and every fifth purchaser is presented with a New York 5c. 1845, *free*, or some other stamp or stamps of equal catalogue value (i.e., \$4.50). A complete list of the purchasers of this packet has been published in the *Philatelic Journal of America*, and *Mekeel's Weekly Stamp News*, showing that from two to five packets have been sold to the same party. We might add scores of testimonials in regard to the satisfaction given by this packet. The following is a sample of them:

"The packet contained 1010 stamps listed at \$47.57. To my collection of 1,300 varieties I added 524 varieties which are listed at \$34.86, leaving

"me 476 duplicates listed at \$12.71. I am perfectly satisfied.

**ONE OF THE BEST PACKETS EVER OFFERED COLLECTORS.**

**PACKET No. 15. Price, \$10.16.** Contains **1,000** different Postage Stamps and is unquestionably the best packet of the kind ever offered. Although we have advertised this packet for a number of years and have sold over 300 of them, we are now giving better value in it than ever before, as may be seen by the following list, including many varieties and stamps not usually found in such packets: Argentine, high value: Bolivar, 1877; British Guiana provisionals, Confederate, 1861; Costa Rica officials; Ecuador revenues used postally; Mexico, over fifty varieties, including some rare; Nicaragua general issue and officials, 1890, 1c. to 10 pesos complete; Samoa; Travancore; Tolima, 25c. 1886; India provisional; Salvador, 1890, 1c. to 1 peso, complete; Hayti, provisional and new issue; U. S. 1851, 1861, 1869, 1870, 1872, 1888, including some 30c. and some 90c. values, and Agriculture, Navy, Justice, Treasury, Interior, War, Dues, etc. In addition to all this we give with each packet an album worth \$1.50, and every fifth purchaser is presented with a New York 5c. 1845, free, or some other stamp or stamps of equal catalogue value (i.e., \$4.50). A complete list of the purchasers of this packet has been published in the *Philatelic Journal of America*, and *Mekeel's Weekly Stamp News*, showing that from two to five packets have been sold to the same party. We might add scores of testimonials in regard to the satisfaction given by this packet. The following is a sample of them:

"The packet contained 1010 stamps listed at \$47.57. To my collection of 1,300 varieties I added 524 varieties which are listed at \$34.86, leaving me 476 duplicates listed at \$12.71. I am perfectly satisfied.

for a Sample Copy of the "PHILATELIC JOURNAL OF AMERICA." It is one of the oldest and best. If you are not already a Subscriber, also send for a copy of the **ONLY WEEKLY STAMP PAPER** published—the "MEKEEL'S WEEKLY STAMP NEWS."

**ONE OF THE BEST PACKETS EVER OFFERED COLLECTORS.**

**PACKET No. 15. Price, \$10.16.** Contains **1,000** different Postage stamps and is unquestionably the best packet of the kind ever offered. Although we have advertised this packet for a number of years and have sold over 300 of them, we are now giving better value in it than ever before, as may be seen by the following list, including many varieties and stamps not usually found in such packets: Argentine, high value: Bolivar, 1877; British Guiana provisionals, Confederate, 1861; Costa Rica officials; Ecuador revenues used postally; Mexico, over fifty varieties, including some rare; Nicaragua general issue and officials, 1890, 1c. to 10 pesos complete; Samoa; Travancore; Tolima, 25c. 1886; India provisional; Salvador, 1890, 1c. to 1 peso, complete; Hayti, provisional and new issue: U. S. 1851, 1861, 1869, 1870, 1872, 1888, including some 30c. and some 90c. values, and Agriculture, Navy, Justice, Treasury, Interior, War, Dues, etc. In addition to all this we give with each packet an album worth \$1.50, and every fifth purchaser is presented with a New York 5c. 1845, *free*, or some other stamp or stamps of equal catalogue value (i.e., \$4.50). A complete list of the purchasers of this packet has been published in the *Philatelic Journal of America*, and *Mekeel's Weekly Stamp News*, showing that from two to five packets have been sold to the same party. We might add scores of testimonials in regard to the satisfaction given by this packet. The following is a sample of them:

"The packet contained 1010 stamps listed at \$47.57. To my collection of 1,300 varieties I added 524 varieties which are listed at \$31.86, leaving me 476 duplicates listed at \$12.71. I am perfectly satisfied.

"CART. M. W. WOOD, Fort Preble, Portland, Maine."
