We recommend the Stamps in the following List to advanced Dealers and those wishing to invest.

 The Stamps offered in the following List have taken four years to collect, and cost us nearly £4,000. Having got together a very fine stock we have decided to offer the whole lot at a very small profit. They are all splendid specimens, most of the New South Wales, Victoria, and Tasmania being on pieces of the original letters, and containing exceedingly fine shades.

Dealers requiring strips, pairs, &c., are requested to write, as we can supply them in most cases.

 All the stamps are guaranteed genuine in every respect. All Orders must be accompanied with the Cash, whether from customers or persons unknown to us. The profits being small we are unable to give any credit whatever.
