FOR SALE BY

DAVID W. JAGGER,

*Newburgh, N. Y.*

SECOND EDITION.

PRICE FIFTEEN CENTS.

## P R E F A C E.

*All stamps sold from this list are warranted genuine.*

In ordering stamps, give the full address of the sender, with the date, color, and value of each stamp wanted, with the unused stamps in a separate column.

On account of the insecurity of the mails, all sums of two dollars and upwards should be sent by Post-Office Order or registered letter.

The prices in the first column give the value of unused, the second of used stamps. Those stamps priced in Roman figures only we can supply; therefore no money should be sent for those priced in Italics until enquiry is made whether we have them on hand.

We are desirous of purchasing any good stamps, and are willing to take them in exchange. Those we specially want are marked with an asterisk (\*); for these we will allow three-fifths our list prices for good specimens.

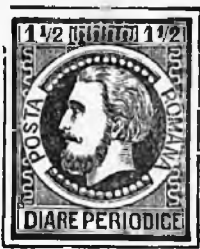

We have attempted to make this Catalogue as complete as possible; the different nationalities will be found alphabetically arranged; the water marks are given with the abbreviation (wmk). The figures at the commencement of the dotted line give the number of marked differences of shade, and those stamps which come both perforated and unperforated have a colon (:) at the end of the dotted line.

Our paper, *THE COLLECTOR*, published monthly, at fifteen cents for six months, will contain descriptions of all newly issued stamps, with our prices for those we obtain; also a list of fifteen cent packets and other cheap stamps.
