3RD AUCTION SALE.

The stamps in this sale are all guaranteed to be as represented and are all genuine. They will be sold without reserve to the highest bidder.

The sale will occur at 7:30 P. M., April 20th, at Room I, Turner Building.

Bids will be executed by the parties named at the end of the catalogue, free of charge.

In reference to the method of selling at auction, we would say that each lot is sold to the highest bidder, at so much for each stamp in the lot; so, if you desire a lot of stamps which contain 10 pieces, and you wish to pay \$1.00 for it, you should bid 10 cents each. Always state your highest price, relying on the honor of those you employ to make the purchase for you at the lowest possibly figure.

Parties need not send money with bids, we will notify them of the amount of their purchases after the sale and they may then remit.

The stamps will be on exhibition on the day of sale, from 10 A. M. to 5 P. M.

Collectors are respectfully requested to forward their bids at the earliest possible day after receipt of Catalogue.
