PHILADELPHIA:

BAVIS & PENNYPACKER, STEAM POWER PRINTERS, 23 SOUTH TENTH ST.

P R E F A C E .

We take this occasion to thank all with whom we have had business relations for the liberal patronage bestowed upon us during the past five years. From a very small beginning, our business has grown to such proportions that the modest little Monthly Circular no longer meets the wants of our large and constantly increasing number of customers, and a complete Descriptive Price Catalogue has now become a necessity. New recruits are being daily added to the ranks of Philatelists. Ladies and gentlemen of mature years take pleasure in their albums, and very many boys and girls have collections that are a source of enjoyment and pride now and will be highly prized in the years to come. As an entertaining and instructive pursuit, for both old and young, stamp collecting yields the palm to none other; Entertaining, because the beautiful array of colors, quaint, curious designs, and fine portraits, make up a combination that cannot fail to be pleasing to the eye and help to pass away many a leisure hour, especially during the long winter evenings: instructive, because, in many cases, the arms of nations, their emblems and their rulers are depicted on their stamps. Changes in the forms or heads of governments are noted in the several issues of a country; the collector becomes acquainted with the various styles and modes of engraving; the currency of different countries; the relative advancement of nations in the arts and sciences as applied to designing, engraving and printing, and the gumming, perforating, etc. of postage stamps. To one who is engaged in the study of modern history or geography, a collection of stamps is the best of all teachers. It will be our aim to assist our patrons, in every way possible, in the formation and arrangements of their collections. Promptness has always been our motto, and will continue to be in the future. We insure punctuality, courtesy and satisfaction to all who favor us with their orders.

PHILADELPHIA, December, 1874.

NOTICES.

Every stamp sold is warranted genuine, and a written guarantee to that effect will be given whenever desired.

All letters of inquiry and orders under twenty-five cents must contain a stamp for return postage. In sending money through the mails, have it in as few pieces as possible, and instead of coins for odd cents, send unused postage stamps of low value.

We are not responsible for money sent, unless it be by post office money order, registered letter or bank draft on Philadelphia or New York. Amounts of one dollar and over should be sent in one of these ways. All post masters are required to register letters upon payment of a fee of eight cents in addition to the postage. Money orders can be obtained at many offices at the rate of five cents for each ten dollars or fraction thereof.

We have a large stock of stamps, both used and unused, and are constantly receiving others; but it is impossible, at all times, to keep every one mentioned in this catalogue, and correspondents, when ordering, are requested to send a list of double the number or value of stamps wanted. For instance, if it is desired to purchase to the value of one dollar, make a list of stamps that will amount to two dollars, and we will send from it, in the order in which they are named, to the value of one dollar. Money sent for stamps not in stock will be returned, unless otherwise ordered.

To avoid mistakes, all orders should be plainly written out, with the date of issue, value, color and price of each stamp, and the sender's name and address given in full in every case.

In addition to the stamps named in this catalogue, we have a large assortment of United States, Confederate, Russian and other Locals; United States and Foreign Revenues; Postage and Revenue Stamp Albums; Arms, Crests and Monograms; prices and descriptions of which we shall be pleased to furnish on application.
