**EIGHTH EDITION.**

1881.

PHILADELPHIA:

HORACE BINDER, STEAM-POWER PRINTER, 607 CHESTNUT STREET,

1881.

ILLUSTRATED  
DESCRIPTIVE CATALOGUE  
OF THE  
POSTAGE STAMPS

NOTICES.

The first column gives the intrinsic value of the stamp, and the figures which follow refer to the type; which may be found amongst the illustrations. The column headed "New" gives the prices of unused stamps, and that headed "Used" of cancelled specimens.

Owing to the growing scarcity of many stamps it is not possible to have in stock, at one time, all those mentioned in this catalogue, and it will be well for correspondents when ordering to give an additional list to select from in case any of those preferred may not be on hand.

Our stock is very large, and collectors can depend upon having their orders by mail filled promptly and as satisfactorily as if they called in person.

Those who want but one variety of the same stamp can, by aid of the illustrations, select the cheaper one and order accordingly.

It is needless to add that collectors will get from us only genuine stamps, in good condition. The reputation we have acquired in the past eleven years is an assurance of that, but if more is needed a written guarantee upon any particular stamp sold will be given whenever desired.

### Values upon the Cabul Stamps.

The values will be found engraved upon the stamps within the small circle enclosing the tiger's head on the issues of 1871-72-73-75, and in the other series below the head and outside the small circle. They are as follows:

Shahie, equal to about 1 anna,  
 Sunar, " " 2 annas,  
 Abasic, " " 4 "  
 Hart Shahie, equal to about 8 annas,  
 Rupya, " " 16 " or 1 rupee.

The native characters, are as below:

  
 1 an.    2 an.    4 an.    8 an.    16 an.

### Values upon the Cashmere Stamps.

The circular stamps have the value within the lotus leaf, and are as here shown:

  
 $\frac{1}{2}$  an.    1 an.     $\frac{1}{2}$  an.

The centre pieces of the stamps of the rectangular series contain the values and are reproduced here as a guide to the collector.

  
 3 pies.    6 pies.    1 an.    2 an.    4 an.    8 an.

### The Turkish Numerals.

Below will be found such of the Turkish numerals as appear upon the stamps of the Ottoman empire. In the 1865 issue the numerals are at the bottom; in the stamps of 1865, 1868, and the first series of 1876, they are in each corner; upon the second 1876 issue, at each side below the crescent; and upon the envelopes above the crescent.

  
 1    1½    2    3    3½    5    10    20    25    40    50
