## NOTICES.

---

THE prices in this Catalogue have been greatly reduced and in consequence no discounts can be allowed.

The first column gives the intrinsic value of the stamp; the column headed "New" gives the prices of unused stamps, and that headed "Used" of cancelled specimens.

Owing to the growing scarcity of many stamps, it is not possible to have in stock, at one time, all those mentioned in this Catalogue, and it will be well for correspondents when ordering to give an additional list to select from in case of any of those preferred may not be on hand.

Our stock is very large, and collectors can depend upon having their orders by mail filled promptly and as satisfactorily as if they called in person.

It is needless to add that collectors will get from us only genuine stamps in good condition. The reputation we have acquired in the past fourteen years is an assurance of that, but if more is needed a written guarantee upon any particular stamp sold will be given whenever desired.
