Special Notice.

D. W. Fagger's Correspondents are respectfully requested to include in their remittances THE FULL COST OF RETURN POSTAGE, and to be careful that their letters are sufficiently prepaid.

Small amounts of money can be sent by Registered letter, but large amounts should be sent by Post Office Money Order. D. W. F., cannot hold himself responsible for money sent otherwise. Valuable packages of Stamps should always be Registered.

Lock Box 40.

Office of
DAVID W. JAGGER,
Foreign Stamp Importer,
166 LANDER STREET.
Newburgh, N. Y.

D. W. J., would respectfully submit this pamphlet to his patrons, with the hope that they will consult its pages, and if, at any future time, they should wish to make purchases or seek information concerning Philatelic subjects, he will merit as goodly a portion of their patronage as he has in the past.

NOTA BENE.

U. S. EXPRESS STAMPS.

We have six varieties of these Stamps, which we will sell at 15 cents per set.

TELEGRAPH STAMPS.

Assortments of these Stamps (of the different countries using them) sent on approval on the usual conditions.

U. S. LOCALS.

We have on hand a good assortment of these Stamps, which we will send on approval to responsible parties. Every specimen warranted genuine.

U. S. REVENUES.

We give in this pamphlet a revised price list of the first issue of U. S. Revenues, and also a list of the second and third issues, for which we have had innumerable applications.

PACKETS.

We would call the attention of stamp purchasers to the revised lists of Benj. Franklin and Collector's Cheap Packets. They embrace Packets from 10 cents to \$10.00, and we claim the superiority of them over the generality of packets.

Over 3000 of the Collector's Cheap Packets were sold last year.

U. S. PROPRIETARY STAMPS.

(PRIVATE REVENUES.)

We have in stock a good supply of Match, Medicine, and Playing Card stamps at low prices. Customers can send list of their wants in this line, which we will price and return, together with a list of those we have in stock.

UNITED STATES OFFICIALS.

We have now a very large stock of these Stamps, including all the obtainable varieties, which we will sell at very low rates.

Sheets of these Stamps sent on approval if desired. A complete and priced list will be found in the body of this pamphlet.

FOREIGN REVENUES.

Of this class of Stamps we have not sufficient stock to warrant giving lists (with the exception of Canadian Bill Stamps), but we would be pleased at any time to receive orders, which we will fill as far as possible, and at a low price. We can furnish written lists of the Revenues of any country.

POST CARDS.

We give a list of *all* the countries issuing Postal Cards. We had intended to give a complete list of all the Cards issued, but find it far too large a list to include in this pamphlet. Any information concerning them, however, will be given, and as far as we are able we will supply the Cards at the lowest possible rates.

ALBUMS.

We embody in this pamphlet a list of prices for three series of Albums, viz:

COMMON SENSE.

IMPERIAL.

IMPROVED.

These lists we think will give purchasers as good a selection as could be wished for.

We also give a description of an Album which will be welcomed by the Philatelic world, viz: An Album for the Revenue Stamps of all countries.

Stamps on Approval.

For those of our customers who would prefer to see their Stamps before purchasing, we have prepared "Approval Sheets," containing forty-eight different Stamps, both used and unused, at the following prices: 1, 2, 3, 4, 5, 6, 8, and 10 cent sheets; also, sheets at assorted prices ranging from ten cents to one dollar upon each sheet.

We can also make up sheets of U. S. Revenue Stamps, Canadian and Foreign Revenues, U. S. Locals, &c., &c.

In ordering, state what Stamps are preferred, in something like the following style, altered to suit the wants of the collector:

| | |
|--|--------|
| Send me 2 sheets of Stamps, at 1 cent each,..... | \$ 96 |
| 1 " " " 3 " " | 1 44 |
| 1 " " " 5 " " | 2 40 |
| 1 " U. S. Revenues, worth about | 1 00 |
| | \$5 80 |

We do not issue these sheets for the use of those wishing to buy but fifteen or twenty cents worth, nor do we allow changing of the Stamps on the sheets for those of an inferior quality or a less price. As a general rule it does not pay us for the trouble of sending Stamps on approval where less than half are taken.

We send with each order a bill showing the amount sent, which should be returned with the Stamps not wanted and the money for those retained.

THE

Imperial Postage Stamp Album,

BY E. S. GIBBONS.

ILLUSTRATED WITH NEARLY EIGHT HUNDRED ENGRAVINGS.

INCLUDING AN ENTIRELY NEW SERIES OF

The Arms of the Chief Countries of the Universe.

SPECIALLY PREPARED, AT GREAT COST, FOR THIS WORK.

The Album also includes a Descriptive Catalogue of every Stamp issued to the present date, together with a COMPLETE MONEY TABLE, giving the values of the currency denoted on all the newest, as well as the old, emissions.

THE IMPERIAL STAMP ALBUM

will be found to be the most elaborate work of the kind ever published. The superiority of its arrangement must at once be apparent; the countries are arranged alphabetically, in separate continents, the spaces for the stamps being tastefully grouped, and entirely detached from each other, thus allowing a good margin around each stamp.

All the spaces are numbered to correspond with the Catalogue, so that mistakes in arranging the collection are impossible.

The most recent issues are provided for, such as the whole of the New Official United States, Montenegro, Curacoa, Surinam, New Bolivar, and Argentine. Over thirty pages are left for future emissions.

There are also designed compartments for nearly fifty Post Cards, together with ample room for new. Local Stamps have no spaces prepared for them, but blank leaves are left, so that the collection of them is optional. Revenue or Bill Stamps are not included.

The pages are 360 in number, and are adorned with a very handsome series of Arms of Countries, expressly prepared for this Album, and over 700 illustrations of rare Stamps.

The Album is printed in black on a white paper, of extra quality, specially manufactured for it, and is elegantly bound in six different styles, the prices varying according to quality of binding and paper. The cover is from a new design, and the size of the work is 10 in. by 8 $\frac{1}{4}$ in.

PRICES OF THE IMPERIAL ALBUMS.

- No. 5.—Crown 4to, on extra stout paper, strongly bound in embossed cloth, with gilt lettering, sprinkled edges, \$3 00—postage extra.

Common Sense Postage Stamp Album.

It has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the Stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having Spaces provided for the Stamps of the Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Island, United States Official, &c., &c.

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."

The Revenue Stamp Album.

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain, in a convenient and elegant form, these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

Extract from Preface.

In the present state of knowledge concerning revenue stamps, it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would in that case, make it impossible to fill the Album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it, nearly every amateur having specimens in his album which are totally unknown to his brother collectors; and there being no definite value or degree of value yet established; but, of course this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless rarities among their revenue stamps which, perhaps, have only cost them the two or three cents.

Taking these facts into consideration, spaces have only been prepared for well known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for all fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide space for every stamp that has ever been issued by our own country, with the exception of beer, spirit, and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers do collect them, sufficient blank pages have been left for their accommodation, and taking into consideration their large size, they can be arranged with equal facility without the aid of lines.
