ANNUAL SALE OVER 30,000 PACKETS.

NOW READY, THE FOLLOWING POPULAR SERIES OF

PACKETS OF FOREIGN POSTAGE STAMPS,

Greatly augmented and improved, confidently recommended as the most varied, and undoubtedly the cheapest, as the numerous press notices received certify. The large sale they have already had is the best proof of their success. The continually increasing Foreign and Colonial correspondence of S. G., Limited, gives them unusual facilities for collecting Stamps of all kinds for their Packets. All are warranted genuine.

In Ordering from the annexed List of Packets, STANLEY GIBBONS, Limited, would feel obliged for the Number, as printed at the commencement of each, to prevent the possibility of any mistake.

These Packets cannot be sent by book post to Postal Union Countries. The cost by letter rate is, if in Class A, 2½d. for every 100 Stamps; Class B, 4d. for every 100 Stamps. The amount required for postage can therefore be reckoned, and should be added when remitting.

All the Stamps contained in the following Packets are warranted genuine, and Collectors may depend on receiving no others. They are also in good condition, and perfect. We cannot undertake to make up Packets to order, or exchange parts of them or sets.

N.B.—We beg to state it is impossible to reply to queries and offers unless postage is sent. It is necessary that Orders, to be executed on the same day as received, should reach us before **10** *a.m.*

GENERAL NOTICES

TO BOTH BRITISH AND FOREIGN CORRESPONDENTS.

TERMS: NETT CASH IN ADVANCE.

ALL the prices in this List have been carefully revised, and being the very lowest, there is no deviation under any circumstances from them. Our *Nett* prices, taken as a whole, will be found lower than those of other dealers, even when discount is deducted from their quotations. All the prices quoted by us are subject to fluctuation; every possible endeavour is, however, made to adhere to them. Should no price be given, the stamp most probably is out of stock; but an enquiry, accompanied by postage, will be promptly replied to. In no case do we deviate from our fixed prices, nor can we give special quotations for Stamps already quoted in our various lists. All previous quotations are cancelled. Sets, unless priced separately, are only together. Parts cannot be exchanged. The trade are respectfully referred to our Wholesale List, the largest and most complete published, post-free, 1d.

All Cheques, Drafts, Postal, or Post Office Orders should be made payable to STANLEY GIBBONS, LIMITED, and may be crossed "Lloyd's Bank, Limited." Coin should not be sent in Letters unless registered. All Letters which contain Coin, even though they are posted without registering, are treated as registered, and charged on delivery with a Registration Fee of **8d.** in addition to the ordinary postage. Unpaid or insufficiently prepaid Letters are invariably refused. Not answerable for Letters or Books lost in transit.

All Orders are sent, and Letters replied to, per return of post certain; and all communications (orders included) should contain sufficient stamps for reply, and 2d. extra for registration if desired. Books once sent are not returnable. Full address will greatly oblige with every communication, and facilitate the prompt despatch of all orders.

ALL ORDERS FOR STAMPS FROM THIS CATALOGUE

Should be written on paper, with prices enumerated, separate to the letter that accompanies it; the original order will then be returned with the Stamps. Convenient order forms, to facilitate their correct execution, and arranged specially with this object, can be supplied, 25 post-free, 4d.; Addressed Envelopes, 3d. per 100. We regret it is quite impossible to affix prices to lists of wants; nor can we examine same prior to their being looked out; in case of "out of" a credit note will be sent, or the money at once returned. The virtual impossibility of avoiding being occasionally out of certain stamps must be apparent even to the most inexperienced; it would therefore be well to order in excess of payment sent, and it may always be assumed that what is specially desired is (if in stock) supplied. Returns should be accompanied by the original list for identification, and must be sent within one month from date of receipt, otherwise they cannot be credited. These Orders are sent by post only; they cannot be sent on approval. Uncut Envelopes may occasionally be dearer. Used Envelopes, as a rule, cannot be supplied entire. The words "uncut" or "entire" apply only to unused. All Post Cards, used or unused, are entire. We get so many enquiries as to when a new edition of the Catalogue may be expected, that it is well here to state that the publication of such entirely depends on the exhaustion of the present; no fixed time can be given. It will be duly announced in the last Addendum. See first page of cover.

IMPORTANT NOTICE TO CORRESPONDENTS WHO ARE DESIROUS OF SECURING NEW ISSUES AS SOON AS THEY APPEAR.

For the convenience of those Philatelists who may so wish, we have fitted up a limited number of boxes, each one bearing a Correspondent's name. In every box is deposited, on arrival, any new Adhesives, Envelopes, Post Cards, etc., all unused; and these are submitted as soon as sufficient has accumulated, or as may be convenient to the Collector.

By this method repetition is avoided. Selections once sent, whether kept or returned, are not forwarded a second time, unless specially desired. Among other advantages may be named uniformity of price, and less likelihood of missing any temporary or new issue that may hereafter become scarce. This arrangement is applicable only for those *earnest* Collectors who are desirous of receiving all new issues, unused, as soon as procurable. No charge is made for the box; but a minimum annual expenditure of £10 on approval-lots sent, is required; £5 being sent to commence with, which will be duly placed to the credit of the account. There are a few boxes now available, and we shall have pleasure in appropriating them to those who may desire to have the use of such. They can be discontinued at any time, due notice of which is desired.

Philatelic collections carefully mounted in Imperial Albums and arranged by experienced *employés*. The charge is 5s. per 100 Stamps, Envelopes, and Cards, which includes prepared mounts and the removal of the Stamps from any old Albums sent for that purpose.

STANLEY GIBBONS, LIMITED, are prepared to purchase, for immediate cash, large or old Collections of Postage Stamps, also remainders of Government Stocks, any large lots of old issues, or special rarities singly. All letters and offers, with lowest price named, must be accompanied by postage for reply.

PREPARED STAMP MOUNTS,

For affixing Stamps in collections neatly and expeditiously. Far superior to the old plan of gumming the Stamps, and inserting them so that it is only with great difficulty they can be withdrawn. These mounts are made of a thin strong white paper, and are ready gummed. They are to be used on the hinge system. Three sizes are kept in stock; viz., No. 1 size, suitable for ordinary-sized adhesives; No. 2 size, for larger stamps or cut envelopes. This size may also be used for Cards by using two mounts for each Card. No. 3, a new size, 27 mm × 16 mm. ($1\frac{1}{16} \times \frac{1}{16}$ in.), for the smaller adhesives. Price: No. 1, 2, or 3 size, 4d. per 100; 2s. 3d. per 1000, post-free.

Special Notices to Correspondents in Great Britain and Ireland.

REMITTANCES should be made by Cheque, crossed "Lloyd's Bank, Limited," Post Office Order (payable at General Post Office), or Postal Order. For sums under 5s. Stamps can be taken, halfpenny and high values are preferred. £1 Scotch and Irish Notes are allowed for at the rate of 19s. 9d.

OFFICE HOURS, at Gower Street, for the sale of Albums and Packets only, 9 a.m. to 5.30 p.m.; Saturdays, 3 p.m. All communications on other subjects should be made by post, and they will be most promptly attended to. 	NOTE.—Numerous varieties of these circular stamps, and also of the early rectangular, have appeared recently. Some of them are from re-engraved dies, and we believe all are recent impressions struck for sale to collectors. In the absence of any proof that they were issued for use we do not catalogue them.

NOTE.—Nos. 3225–3240 represent various reputed postal issues. The surcharges on the Swedish, South Australian, and Costa Rican stamps are undoubtedly bogus. The remainder are either essays, or stamps that have enjoyed a temporary renown—most of which have since been found to be fabrications made for collectors.

NOW READY, A NEW HIGH-CLASS PHILATELIC MAGAZINE.

STANLEY GIBBONS

MONTHLY JOURNAL.

EDITED BY MAJOR E. B. EVANS.

THE publication of this New Journal by STANLEY GIBBONS, LIMITED, has been commenced under the most promising auspices. It is the intention of the publishers to make this periodical worthy of their long established reputation. Having the largest connection of any in the Trade with Collectors and others, their sources of information are absolutely unrivalled. In addition to full Reports of all Novelties, most of which are first described in this Journal, subscribers will find elaborate and exhaustive papers on Stamps, Post Cards, &c., by the leading Philatelists of the day. The Journal is profusely illustrated. The publication of the *Philatelic Record* has been discontinued by S. G. Limited, and the Journal is intended to take its place. The New Journal has been improved in every way that a long experience can suggest, and is about three times as large as the *Record* was. An important feature in this paper will be Reports of all Auction Sales in England and America; also the earliest information on all matters of interest to Subscribers, including descriptions of new and dangerous forgeries; and a continuation of the PRICE LIST commenced in the *Stamp Advertiser*. This List will, as heretofore, include a description of every *known* variety of paper, perforation, and watermark, with the real present market value attached to nearly every stamp, both for used and unused specimens. Queries addressed to the Publishers up to the 15th will be answered in the Magazine for the same month. The first number appeared in July, 1890.

PREPARED STAMP MOUNTS

For affixing Stamps in Collections neatly and expeditiously. Far superior to the old plan of gumming the Stamps, and inserting them so that it is only with great difficulty they can be withdrawn. These Mounts are made of a thin strong white paper, and are ready gummed. By their use, Stamps can be removed at any time without injuring them, or in any way disfiguring the Collection. They are invaluable to those who collect watermarks. They should be used on the hinge system; thus, Moisten the Stamp, attaching the back of it to one half of the mount, the other half being fastened to the Album. The Stamp will then be facing the page; but do not turn it over until perfectly dry. A Collection with the Stamps mounted in this manner is far more valuable, if any time a sale is desired. Two sizes are kept in stock; viz., No. 1 size, suitable for ordinary-sized adhesives; No. 2 size, for larger Stamps or Cut Envelopes. This size may also be used for Cards by using two mounts for each card.

PRICES: No. 1 or No. 2 size, 4d. per 100; 2/3 per 1000, post-free.

☞ *The Prepared Paper can be supplied in Large Sheets ready Gummed, at* 3d. *per Sheet, post-free.*

☞ IMPORTANT AND PRELIMINARY ANNOUNCEMENT.

IN PREPARATION, THE SIXTH EDITION OF THE

IMPERIAL POSTAGE STAMP ALBUM.

IN TWO VOLUMES.

STANLEY GIBBONS, LIMITED, have the pleasure to announce the approaching publication of a New Edition of this the most favourite and celebrated Album of the day. All the leading features, to which must be attributed the very great success of this work, will be retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches.

The arrangement in this New Edition will fully provide for Watermarks, both perforated and unperforated varieties, &c.

Post Cards, as before, will not be included, special volumes being provided for their reception.

The Illustrations will be largely augmented.

Being essentially a POSTAGE STAMP ALBUM, Receipt, Bill, or Telegraph Stamps will not be included. The Work will be printed in black, on a paper specially manufactured for it; and every care will be taken, as before, to ensure general excellency and a perfect finish.

S. G., LIMITED, are induced thus early to announce the forthcoming publication of this New Edition, so that Collectors contemplating the purchase of a New Album may reserve themselves for this modern work.

Further particulars and prices will be announced at the earliest possible date.

PREPARED STAMP MOUNTS

For affixing Stamps in Collections neatly and expeditiously. Far superior to the old plan of gumming the Stamps, and inserting them so that it is only with great difficulty they can be withdrawn. These Mounts are made of a thin strong white paper, and are ready gummed. By their use, Stamps can be removed at any time without injuring them, or in any way disfiguring the Collection. They are invaluable to those who collect watermarks. They should be used on the hinge system; thus, Moisten the Stamp, attaching the back of it to one half of the mount, the other half being fastened to the Album. The Stamp will then be facing the page; but do not turn it over until perfectly dry. A Collection with the Stamps mounted in this manner is far more valuable, if any time a sale is desired. Three sizes are kept in stock; viz., No. 1, medium size, suitable for ordinary-sized adhesives; No. 2, smaller size; No. 3, large size—for such Stamps as old Portuguese, or for cut Envelopes. This size may also be used for Cards by using two mounts for each card.

PRICES: Nos. 1, 2, or 3 size, **4d.** per 100; **2/3** per 1000, post-free.

The Prepared Paper can be supplied in Large Sheets ready Gummed, at 3d. per Sheet, post-free.

UNITED STATES PROOFS.—FOR SALE, the following Magnificent Sets, printed in their original colours, clean and unperforated:

One set of 163 varieties, comprising U.S.P.O. Eagle, Carrier, and the complete issues of 1851, 1861-66, 1869, and 1870-75; Newspaper, 1875, including up to $60,00; Unpaid Letter Stamps; and perfect sets of Executive Post Office, Justice, Navy, Interior, State, including $2, $5, $10, and $20,00 Treasury, War, &c. PRICE, the series, **£8**, registered and post-free.

NOW READY.

THE IMPERIAL POST CARD ALBUM.

THE pages in this Volume are blank, with the exception of a marginal border similar to that in the IMPERIAL POSTAGE STAMP ALBUM. They are so thoroughly guarded that when full of Cards the covers of the book are level with each other, and not bulged, as is too often the case with ordinary Albums intended for the reception of Post Cards. The book is similar in size to, and is bound in styles to correspond with, the FIFTH EDITION of the IMPERIAL POSTAGE STAMP ALBUM and all the SUPPLEMENTS. Any number of these books can be employed for the reception of Post Cards, according to the size of the collection.

Prices, Post-free { **No. 5a.**—Style No. 5 (see above), 3/6; post-free, 4/2. | **No. 8a.**—Style No. 8 (see above), 8/-; post-free, 8/8.
No. 6a.—Style No. 6 or 7 (see above), 5/-; post-free, 5/8. | **No. 9a.**—Style No. 9 or 10 (see above), 10/6; post-free, 11/3.

The Number should be given in ordering Supplements, to prevent mistakes. It is also better to give the colour of the cover required. They are bound in dark green or marone. Nos. 32, 36, and 40 are also obtainable in dark blue, or red. The Number of the Album will be found in the lower right-hand corner of the front of the cover. NOW READY, PROFUSELY ILLUSTRATED.

THE FOLLOWING

Supplements to the Imperial Postage Stamp Album.

THESE Works form a complete continuation to three separate Editions of the IMPERIAL POSTAGE STAMP ALBUM, and are published in pursuance of the plan originally announced by the Author in 1873, whereby the IMPERIAL POSTAGE STAMP ALBUM is rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album up to 1885, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work.

They are arranged on an identical plan, bound in similar styles, and have been prepared to enable purchasers to include in their collections, in thorough order, the many new issues from time to time occurring. Many interesting notes, full of new and valuable information to collectors, will be found included in these publications, and the Illustrations are most numerous and elaborate.

Their success has been so great that many of them have had to be reprinted to meet the demand, and S. G., LTD., are constantly in receipt of letters of high approval from various correspondents.

CRITIQUES.

The "Exchange and Mart" says:

"Stamp collectors in general, and English in particular, will be pleased to hear that Mr. E. S. Gibbons, to whom we are already indebted for an Album which, in completeness and correctness of chronology, systematic arrangement, and general get up, stands foremost amongst the editions of this country, has lately published a Supplement to the Imperial Album, in which all home and foreign issues have spaces allotted to them, including those for entire post cards. Just now, when new emissions crop up almost daily, the value of such an arrangement cannot be overrated. It is richly illustrated with types of almost every issue, and ornamented with engravings of the arms, &c., of the countries or colonies that have issued novelties. As regards the printing and binding, &c., it suffices to say that neither pains nor expense appear to have been spared. A feature in the Supplement is that collections can be continued in it which may have been begun in any other series of Albums, as this only provides for newly-issued stamps, etc. We have no hesitation in recommending the work as well worthy of every collector's acquisition."

The "Stamp Journal" (New York) says:

"The volume before us is a pleasure even to look at Whatever may be the merits of the Imperial Stamp Album, about which we know nothing, certain it is the Supplement is worthy the fullest praise, and we cordially give it our recommendation. It is convenient in shape, printed on fine stout paper, each page neatly ornamented with spaces for stamps, etc., on one side only, the opposite side being devoted to representations of the arms of the country, of the newly-issued stamps, verbal descriptions, and explanatory notes. The letterpress and the illustrations are all first-class, and show that the publishers have spared no expense in the preparation of an Album which will prove acceptable to every collector. The recent issues of the Ottoman Empire, which have hitherto been incorrectly described in contemporary publications, will here be found classified in the proper order. A large number of new illustrations have been specially engraved for this work, to assist the collector in the arrangement, etc."

The "Stamp Journal" says:

"The work is deserving of the greatest praise for its accuracy and completeness, and for the great care bestowed upon it by its author. Spaces are provided for entire cards, so that the possessor of the 'Supplement' will not need to mutilate them in order to accommodate them to the spaces, a practice too prevalent in the flimsy American Albums. Great care has evidently been taken with the descriptions, as they are very comprehensive and perfectly intelligible to the youngest collector. We can therefore cordially recommend it to all collectors, although the names of the author and publisher are sufficient guarantee of the merits of the book."

PRELIMINARY ANNOUNCEMENT.—In Preparation, the SECOND EDITION of the

DUPLICATE ✦ POSTAGE ✦ STAMP ✦ ALBUM.

GREATLY ENLARGED AND IMPROVED.

THIS Album is published in response to many enquiries from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate Stamps arranged, and handy for reference; more especially necessary for exchange purposes. The book is suitable for all classes, either the general collector, or the more advanced specialist. The general arrangement is that of a series of Pockets, numbered for reference, and securely attached to the leaves of the Album. The Pockets are so made that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost, than if they were in ordinary envelopes. The Publishers can strongly recommend this book as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. *Further particulars as to prices, etc., will shortly be advertised.*

STANLEY GIBBONS, LIMITED, STAMP IMPORTERS, 8, GOWER STREET, LONDON, W.C.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class.

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

NOW READY, THE THIRD EDITION OF

The Philatelic Album:

A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most Extensive and Complete Collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page become spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

Prices

B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 50/-, carriage extra.

NOW READY. 342 pp., Crown 8vo, fully Illustrated. **A New Work, entitled**

COLONIAL STAMPS

INCLUDING THOSE OF GREAT BRITAIN,

With Lists of the various Issues, Watermarks, and Perforations, together with Geographical and other Notes.

Compiled by GILBERT LOCKYER.

INVALUABLE to the Philatelist as a work of reference. All the Postal Issues of the British Colonies, up to JUNE, 1887, including varieties of perforation, watermark, and types of surcharges, will be found carefully noted, as well as the various types of Post Cards, Newspaper Bands, and Stamped Envelopes, together with much other information useful to the Collector.

RECENT OPINIONS OF THE PHILATELIC PRESS.

The "STAMP COLLECTOR'S JOURNAL," for July, 1887, says:

"The author and compiler of this work has treated his subject all through in a most interesting and entertaining manner. To compile a bare catalogue or list of any country is a somewhat dry and monotonous work, but Mr. Lockyer seems to have had his heart thoroughly in his work. Collectors now-a-days are fast becoming aware of the Herculean task which is presented them in trying to collect every country, and the aim in a great measure of the present work is to present a book to those who collect Great Britain and her Colonies, and we know that this class of Philatelists is a very numerous one. All the various Postal issues are enumerated, also full information respecting watermarks and perforations, while the geographical and other notes, though not lengthy, are very explicit and interesting. We regret we cannot afford more space to enumerate the qualities of a book upon the production of which we congratulate both author and publisher."

The "BAZAAR AND EXCHANGE AND MART," says:

"This is a nicely got-up book, with 577 illustrations. It is intended for the use of those who devote their energies solely to England and her Colonies. The general accuracy of the work ensures for it a place in the library of the advanced Philatelist, and we hope to see many more hand-books on similar lines."

The "PHILATELIC JOURNAL" of America, for July, 1887, says:

"There are few books on stamps, I fancy, that would interest even the most enthusiastic collector, in the dust, smoke, and heat of a railroad train, on a sultry July day, and yet I have been looking over the pages of this work with absolute pleasure.

"If you want to know the joy there is in collecting, and its real fascinations, take this book and plunge into its mysteries, try and get all there is in it, or in some part of it, and ere long, I venture to predict, you will know more about the charm of stamp-collecting than you ever dreamt you would find in it, and will welcome with me every new book that so completely exhausts a new field."

The "INTERNATIONAL PHILATELIC ADVERTISER," says:

"We have received from the well-known stamp firm, Stanley Gibbons, Limited, of London, a copy of their book entitled *Colonial Stamps*. It is printed on fine white paper, profusely illustrated, and bound in a handsome cloth cover. Mr. Gilbert E. Lockyer wrote the book, and his name alone is guarantee enough that it is complete in every detail. It is arranged alphabetically, and includes every colony ruled over by Great Britain. Every collector, whether a specialist or not, should have a copy, and its price brings it within the reach of every one."

RECENT CRITIQUES ON THE ABOVE WORK.

The "PHILATELIC RECORD" says:

"We are glad to welcome a work by Major Evans, which we received too late to notice in our last number. The author intersperses his cataloguing with notes and remarks; those relating to native Indian issues are eminently interesting and to the point. We think the author has exercised a wise discretion in introducing a register of perforations, which will afford young collectors the chance of adding many a good thing to their Albums. Although there are many rare stamps which philatelists of small means can never hope to possess, varieties of perforation, and some of them very scarce ones, may always be found by diligent hunting. The book is lavishly illustrated, and the typography all that the printers of *The Philatelic Record* have accustomed us to expect from them. We feel sure that Major Evans's Handbook will prove useful to collectors."

The "IRISH TIMES" says:

"Major E. B. Evans, Royal Artillery, has rendered another good service to stamp collectors by furnishing them with a compact guide. All the laborious care for which Major Evans has long been remarkable in his philatelic researches has been bestowed on this his latest work, and with the result that a most reliable and interesting guide has been furnished for the use of collectors."

The "STAMP COLLECTOR'S JOURNAL" says:

"It is our pleasant duty this month to record at the hands of the above well-known and enterprising philatelic publishers a new and very useful work from the pen of Major E. B. Evans, R.A. The matter contained in the work itself is particularly readable and entertaining, as all the matter from Major Evans's pen always is. The printing is excellent, and the illustrations profuse. The binding of the work, which consists of about four hundred pages, is such that it would be a credit to any drawing-room table. The author has cleverly avoided the dull monotony of an ordinary catalogue, and produced a work which can be read and appreciated by every grade of philatelist. We can thoroughly recommend our readers to send Stanley Gibbons, Limited, 8/- for a copy, and feel sure they will never regret the outlay."

A COLOUR CHART.

Designed to Illustrate and Identify the Colours of Postage Stamps.

The object of this work is to present a standard by comparison with which the colour of any particular Stamp can be easily described.

THERE has always been disagreement among Philatelic Writers and Compilers of Catalogues in naming the colours of Stamps. As a single illustration: we find, on examining nine Catalogues, that seven different names are given to the colour of the 2½d. Stamp of Great Britain, 1874, although the colour of this Stamp varies as little perhaps as any that might be chosen. About 150 colours are represented, six shades of each colour being given, running from dark to light. The accompanying descriptions are printed in four languages; viz., English, French, German, and Spanish. Price 3/-; post-free, 3/2.

IN THE PRESS, and will shortly be Published, the SECOND EDITION of

"ALBUM WEEDS;" or, How to Detect Forged Stamps.

By the Rev. R. B. EARÉE.

An Exhaustive Work of Reference for the Philatelist, invaluable alike to the Novice or the more experienced Collector or Dealer.

The whole of the matter in this Work will be entirely revised and much improved, so as to be of increased use. Descriptions of a large number of recent forgeries will be included, necessitating a considerable increase in the number of pages.

Further particulars as to price, &c., will be announced as soon as possible.

CRITIQUES ON THE FIRST EDITION.

Extract from "The Bazaar."

"A HAND-BOOK FOR STAMP COLLECTORS.—The Rev. R. B. Earée has earned the right to be regarded as the Philatelist's friend, philosopher, and guide, for his labours on behalf of the stamp collector have been many and great. As evidence of this it is only necessary to refer to the volume before us, which shows in its 560 pages of closely-printed matter an amount of painstaking study, research, and acumen by no means too often met with.

"With regard to the Author's method of dealing with his subject, it may simply be stated that in each case he describes firstly the genuine stamp, and then its relative forgery, in such a manner—*i.e.*, so fully and clearly—that the amateur is at once enabled to decide for himself, from any single specimen he may possess, whether it be good or bad. Sparing no pains to ensure accuracy, the Author's dissection of the stamps and counterfeits included in his book is singularly complete, and his descriptions show a keenness of analysis which is, in its way, masterly. Only an expert of the widest experience and utmost vigilance could so nicely demonstrate the points of difference between genuine and spurious.

"The contents of Mr. Earée's volume are arranged, according to countries and states, in alphabetical order, beginning with 'Angola' and ending with 'Wurtemburg.' He avoids technicalities as far as possible, thus rendering his pages of the more immediate service to young collectors. A goodly number of illustrations are given in the book, which is well printed and handsomely bound, and which, it may emphatically be said, is one that no Philatelist having due regard for the integrity of his collection and the discomfiture of his enemies, the forgers, should neglect to purchase."

"The Foreign Stamp Collector's Journal" says:

"This work has not come upon us altogether unexpectedly; it had for some time been announced, and has now made its appearance. When we heard that it was to be written by the Rev. R. B. Earée, we knew it would be good, but now we have the work before us our most sanguine expectations are eclipsed; and when we inform our readers that the work consists of some 560 pages of solid matter, strongly bound in good cloth cover, gilt, &c., they will readily perceive that the price (7/6) is very low for such a class of book as this. It contains numerous illustrations, and is a fine specimen of typography. Doubtless many of our readers may remember that the last work of this kind published in England was by the late Mr. E. L. Pemberton, but contained only 36 pages. But now that collectors can purchase such a work relating to forgeries as the one at present under review, we see no reason why the number of forgeries in the market should not speedily diminish. Messrs. Stanley Gibbons, Limited, deserve to be congratulated upon the amount of enterprise they have displayed in the publication of this work, and we trust that collectors will appreciate that enterprise by speedily procuring copies of the work."

STANLEY GIBBONS
MONTHLY JOURNAL.

EDITED BY MAJOR E. B. EVANS.

THE success of this New Journal, commenced by STANLEY GIBBONS, LIMITED, under the most promising auspices, is now established beyond their most sanguine expectations. Every endeavour on the part of the Publishers will be continued to make this periodical worthy of their long established reputation. Having the largest connection of any in the Trade with Collectors and others, their sources of information are absolutely unrivalled. In addition to full Reports of all Novelties, most of which are first described in this Journal, subscribers will find elaborate and exhaustive papers on Stamps, Post Cards, &c., by the leading Philatelists of the day. The Journal is profusely illustrated. An important feature in this paper are the Reports of all Auction Sales in England and America; also the earliest information on all matters of interest to Subscribers, including descriptions of new and dangerous forgeries; and an occasional continuation of the PRICE LIST commenced in the *Stamp Advertiser*. This List will, as heretofore, include a description of every *known* variety of paper, perforation, and watermark, with the real present market value attached to nearly every stamp, both for used and unused specimens. Queries addressed to the Publishers up to the 20th will be answered in the Magazine for the same month. The first number appeared in July, 1890.

By JOHN K. TIFFANY.

The great experience of the Author, especially in relation to the United States Postals, is a sufficient guarantee that this publication is of a most complete character. Commencing as it does with the history of the Stamps issued by the different postmasters, New York, St. Louis, Millbury, &c. &c., it continues through the various regular Government Issues, Departmentals, etc.

JUST PUBLISHED.—A Series of

TEN PHOTOGRAPHS of the Chief Objects of Interest,

At the London Philatelic Exhibition, held last May.

These Photographs are executed by the first Artists of the day, forming a most interesting memento of this memorable Exhibition. British Guiana, and strip of three of the oblong 4c. blue; Mr. Castle's varieties of the Queen's heads; original drawing of the Queen's head for the Ceylon stamps; Portrait of Sir Rowland Hill; Casket presented to Sir R. "The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class.

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

NOW READY, THE THIRD EDITION (1891) OF

The Philatelic Album: A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most Extensive and Complete Collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page become spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

GREATLY ENLARGED AND IMPROVED.

THIS Album is published in response to many enquiries from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate Stamps arranged, and handy for reference; more especially necessary for exchange purposes. The book is suitable for all classes, either the general collector, or the more advanced specialist. The general arrangement is that of a series of Pockets, numbered for reference, and securely attached to the leaves of the Album. The Pockets are so made that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost, than if they were in ordinary envelopes. The Publishers can strongly recommend this book as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. *Further particulars as to prices, etc., will shortly be advertised.*

STANLEY GIBBONS, LIMITED, STAMP IMPORTERS, 8, GOWER STREET, LONDON, W.C.

NOTE. ☞ **Many improvements, and most of the rarer Stamps now priced for the first time.**

NOW READY.—The EIGHTH EDITION of

STANLEY GIBBONS PRICE CATALOGUE OF

POSTAGE STAMPS,

Together with AN APPENDIX to the above consisting of nearly 3,300 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.

STANLEY GIBBONS, LIMITED, have pleasure in announcing the publication of the EIGHTH EDITION of their Catalogue and Appendix. Every effort has been made to ensure correctness in all details, so as to, if possible, still further increase the reliability and usefulness of this Standard Work.

The additions and alterations are considerable, prominent among which may be named—

Prominent varieties of perforation, which have hitherto not been included, are now both noted and priced.

The whole of the numerous New Issues that have appeared since the last Edition are fully catalogued.

A VERY LARGE NUMBER OF STAMPS that have hitherto had no quotation attached are in this New Edition correctly priced. Every effort has been made to insert prices, especially of Old Issues, wherever possible. Considerable reductions in many instances have been made.

The Illustrations in the Appendix have been largely augmented. To meet the expressed desire of many Collectors, this Edition of the Catalogue and Appendix may be obtained *interleaved with paper faintly ruled.* This will be much appreciated by Philatelists for various purposes, such as making notes of Auction Sales, New Issues, etc.

The Addenda will be published as heretofore announced. The exhaustion of the Seventh, and consequent appearance of the Eighth Edition of the Catalogue, will not interfere with the publication of the Addenda as advertised.

The Price of the CATALOGUE and APPENDIX is the same as before.

Prices, Post-free.	To Great Britain, Europe, United States, Canada, & Egypt.	To other Countries comprised in the Postal Union.	To Australia, Asia, &c.

JUST PUBLISHED.—The SECOND EDITION of the

DUPLICATE POSTAGE STAMP ALBUM.

GREATLY ENLARGED AND IMPROVED.

A NEW EDITION of this Album is published in response to numerous enquiries received from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate or Superfluous Stamps arranged for handy reference, more especially for exchange purposes. This improved edition is so arranged as to be suitable for either the general collector or the specialist. The arrangement of the book is that of a series of Pockets, numbered for reference, and securely attached to the leaves, on one side only. The Pockets are so made, that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost, than if they were in ordinary envelopes. By means of the Index, immediate access to any particular Stamp is at once ensured. The Publishers can strongly recommend this Album as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. Size 6½ × 9 in.

No. 11.—Stoutly bound in cloth, gilt lettered, with 72 pockets, price 5/–; post-free, 5/6.

No. 12.—Handsomely bound, with two extra large pockets to contain Cards or Envelopes, and 144 pockets for Stamps, price 10/–; post-free, 10/6.

N.B.—Above prices are post-free to the whole of Europe, Canada, and United States.
For prices to other Countries see previous page.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

NOW READY, THE THIRD EDITION (1891) OF

THE PHILATELIC ALBUM:

A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience, and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

PRICES.

A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 30/–, carriage extra. Under 11 lbs. can be sent by parcel post.
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 50/–, carriage extra.

Spare blank linen-jointed leaves can be had, 1/9 per doz. or 2/3 per doz., if with gilt edges; post-free abroad extra.
A sample leaf sent for 2½d., post-free.

IMPORTANT AND PRELIMINARY ANNOUNCEMENT.—In Preparation, the SIXTH Edition of the

IMPERIAL POSTAGE STAMP ALBUM.

IN TWO VOLUMES. Ready about AUGUST, 1892.

STANLEY GIBBONS, LIMITED, have the pleasure to announce the approaching publication of a **New Edition** of this, **the most favourite and celebrated Album of the day.** All the leading features, to which must be attributed the very great success of this work, will be retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches. The **New Imperial Album** will be based on the Eighth edition of the Price Catalogue, and all varieties of perforation, paper, and watermark provided there will be given in the New Album. The size of the pages will be increased to 9 × 12 inches, so as to provide increased accommodation for the numerous new issues. In order to ensure the most perfect accuracy the Album will be revised by Major E. B. EVANS, well known as one of the greatest Philatelists of the day.

To meet the wishes of many, a **Cheap Edition**, printed on a paper far superior to that of any contemporary album, will now for the first time be offered to the public. This Edition (No. 5) will not contain "local stamps," but will contain all other varieties as in the superior editions.

PRICES OF THE NEW IMPERIAL ALBUMS (Sixth Edition) securely packed, & Post-free to Great Britain. Orders can now be booked.

JUST PUBLISHED.—The SECOND EDITION of the

Duplicate Postage Stamp Album.

GREATLY ENLARGED AND IMPROVED.

A NEW EDITION of this Album is published in response to numerous enquiries received from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate or Superfluous Stamps arranged for handy reference, more especially for exchange purposes. This improved edition is so arranged as to be suitable for either the general collector or the specialist. The arrangement of the book is that of a series of Pockets, numbered for reference, and securely attached to the leaves, on one side only. The Pockets are so made, that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost than if they were in ordinary envelopes. By means of the Index, immediate access to any particular Stamp is at once ensured. The Publishers can strongly recommend this Album as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. Size 6½ × 9 in.

No. 11.—Stoutly bound in cloth, gilt lettered, with 72 pockets, price 5/-; post-free, 5/6.
No. 12.—Handsomely bound, with two extra large pockets to contain Cards or Envelopes, and 144 pockets for Stamps, price 10/-; post-free, 10/6.

N.B.—Above prices are post-free to the whole of Europe, Canada, and United States.

"The best Stamp Album."—*Routledge's Young Gentlemen's Magazine.*

NOW READY, THE TWELFTH EDITION OF

The Improved Series of Postage Stamp Albums.

Entirely Revised and Corrected to 1891.

THESE Albums are the cheapest and most correct yet issued, the great demand for them having necessitated frequent New Editions, in which have been introduced several improvements, rendering the Works the most complete of the kind published. Nos. 2, 3, and 4 contain compartments for over 5,000 varieties, including the most recent issues, such as Bamra, British East Africa, Leeward Isles, Seychelles, Swaziland, Travancore, Zululand, Monaco, Jhind, Nabha, Cochin China, Corea, Chamba, Faridkot, Holker, Bokhara, Congo, Madagascar, Bechuanaland, Boer Republic, Gaboon, &c. The Frontispiece consists of Illustrations of the greatest rarities, with their commercial value added. The countries are geographically arranged under continents, and Post Cards have separate spaces devoted for their reception, arranged so as to be equally adaptable for Stamps if preferred. The size of No. 1 is 7 ins. by 5 ins.; of Nos. 2, 3, and 4, 6½ ins by 10 ins. S. G., Limited, have no hesitation in placing these Albums before the public as the best and largest published at the price. None can compare with them as to quality of paper, quantity of pages (no less than 256), and general arrangement.

STANLEY GIBBONS, LIMITED, have the pleasure to announce the approaching publication of a **New Edition** of this, the most favourite and celebrated Album of the day. All the leading features, to which must be attributed the very great success of this work, will be retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches. The **New Imperial Album** will be based on the Eighth edition of the Price Catalogue, and all varieties of perforation, paper, and watermark provided there will be given in the New Album. The size of the pages will be increased to 9 x 12 inches, so as to provide increased accommodation for the numerous new issues. In order to ensure the most perfect accuracy the Album will be revised by Major E. B. EVANS. "The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

NOW READY, THE THIRD EDITION (1891) OF

THE PHILATELIC ALBUM:

A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience, and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

PRICES.

A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 30/-, carriage extra. Under 11 lbs. can be sent by parcel post.
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 50/-, carriage extra.

Spare blank linen-jointed leaves can be had, 1/9 per doz. or 2/3 per doz., if with gilt edges; post-free abroad extra.
A sample leaf sent for 2½d., post-free.

JUST PUBLISHED, Entirely revised and greatly enlarged (748 pages, Demy 8vo), the SECOND EDITION of

ALBUM WEEDS.

By the Rev. R. B. EAREE.

THIS Work, an absolute necessity to the careful Philatelist who is naturally anxious to ensure the absence of forgeries from his collection, the Publishers are pleased to announce a reproduction of.

As a work of reference, in this particular respect, it stands entirely unrivalled, being compiled by one who has acquired a world-wide repute, and whose speciality has for many years been the description of forgeries.

An immense amount of labour has been bestowed on this New Edition, so as to still further increase its usefulness. Every endeavour has been made by the Author, in the description of new and dangerous forgeries, &c., so as to bring the work fully up to date. Amongst the numerous additions may be noted an elaborate description of technical terms met with in the course of collecting. This section will be found especially useful for the guidance of the novice or younger collector. The illustrations have been considerably augmented, and a large and most interesting series of postmarks, specially drawn, together with an index for reference, will be found included. Altogether the Publishers have no hesitation in recommending this publication as a most valuable adjunct to a Philatelic Library, and useful alike to Collector or Dealer.

Price, bound in embossed gilt cloth, 10/6; post-free, 11/-.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

NOW READY, THE THIRD EDITION OF

THE PHILATELIC ALBUM:

A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience, and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

PRICES.

A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 30/-, carriage extra. Under 11 lbs. can be sent by parcel post.
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 50/-, carriage extra.

Spare blank linen-jointed leaves can be had, 1/9 per doz., or 2/3 per doz. if with gilt edges; post-free abroad extra.
A sample leaf sent for 2½d., post-free.

JUST PUBLISHED.—The SECOND EDITION of the

DUPLICATE POSTAGE STAMP ALBUM.

GREATLY ENLARGED AND IMPROVED.

A NEW EDITION of this Album is published in response to numerous enquiries received from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate or Superfluous Stamps arranged for handy reference, more especially for exchange purposes. This improved edition is so arranged as to be suitable for either the general collector or the specialist. The arrangement of the book is that of a series of Pockets, numbered for reference, and securely attached to the leaves, on one side only. The Pockets are so made, that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost than if they were in ordinary envelopes. By means of the Index, immediate access to any particular Stamp is at once ensured. The Publishers can strongly recommend this Album as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. Size 6½ × 9 in.

THE LONDON PHILATELIST, for January, 1892

(*The Organ of the Philatelic Society, London*), *says:*

"We have received from Messrs. STANLEY GIBBONS & Co., Limited, a copy of an innovation in the shape of a 'Duplicate Stamp Album.' The novelty consists in the arrangement of a number of envelopes, three of which are securely fastened to each page of the book—each, while readily unfolded, being so contrived that its contents are securely held. Every envelope is consecutively numbered and indexed, so that a ready reference can be obtained to the contents of the volume. As nearly 150 of these neat little receptacles are furnished, it will be evident that a large number of Duplicates can be thus stored away. Different sizes are published, all of which are neatly bound, and well turned out in every respect. We have, after making practical experiments, satisfied ourselves as to the usefulness of these Duplicate books, and therefore cordially recommend them to the notice of collectors."

No. 11.—Stoutly bound in cloth, gilt lettered, with 72 pockets, price 5/-; post-free, 5/6.
No. 12.—Handsomely bound, with two extra large pockets to contain Cards or Envelopes, and 144 pockets for Stamps, price 10/-; post-free, 10/6.

N.B.—Above prices are post-free to the whole of Europe, Canada, and United States.

THE IMPERIAL POST CARD ALBUM.

THE pages in this Volume are blank, with the exception of a marginal border similar to that in the **Imperial Postage Stamp Album.** They are so thoroughly guarded that when full of Cards the covers of the book are level with each other, and not bulged, as is too often the case with ordinary Albums intended for the reception of Post Cards. The book is similar in size to, and is bound in styles to correspond with, the **Fifth Edition of the Imperial Postage Stamp Album** and all the **Supplements.**

Any number of these books can be employed for the reception of Post Cards, according to the size of the collection.

Now Ready.—The SIXTH EDITION of

Imperial Postage Stamp Album.

STANLEY GIBBONS, LIMITED,

HAVE the pleasure to announce the publication of a **New Edition of this, the most favourite and celebrated Album of the day.** All the leading features, to which must be attributed the very great success of this work, are retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches.

The **New Imperial Album** is based on the Eighth edition of the Price Catalogue, and all varieties of perforation, paper, and watermark provided there, are given in the New Album. The size of the pages is enlarged to 9 × 12 inches, so as to provide increased accommodation for the numerous new issues. In order to ensure the most perfect accuracy the Album has been revised by Major E. B. EVANS. The numbers that have hitherto been placed in the centre of each space are now inserted *below*, for greater convenience of reference.

To meet the wishes of many, a **Cheap Edition**, printed on a paper far superior to that of any contemporary album, is now for the first time offered to the public. No further Supplements to the previous editions of the Imperial Album will be published.

Supplements to this New Edition, and corresponding to the enlarged size, will be issued as required, but at longer intervals than hitherto.
